More Theatre Alvin H. Marill,2003 A continuation of *More Theatre: Stage to Screen to Television*, this new volume brings the previous volumes into the new millennium, covering the years 1993-2001. All volumes cover productions that have been performed in all of three media: stage, screen, and television. Whether the production began on the stage, screen, or television is not part of the criteria; it is only necessary that it eventually was performed in all three media. Where new information was added to old entries, the entries have been repeated. Plenty of new entries have been added, as many new shows have qualified for inclusion since the last volume. Each entry includes a brief historical overview of the evolution of the stories behind the various productions, followed by a list of the production titles, along with production dates and credits. The stage, screen and television fan and researcher alike will not be able to dispense with this fun and useful tool.

VideoHound's Golden Movie Retriever Jim Craddock,2004 Reviews movies that are available on DVD or tape. Each entry includes title, alternate title, one-to four-bone rating, year released, MPAA rating, brief review, length, format, country of origin, cast, technical personnel, awards and made-for-television/cable/video designations.
