Unholy Hands on the Bible Jay P. Green,1992 This is an examination of six major new versions, the New International Version, (NIV); New American Standard Bible, (NASB); New Revised Standard Version, (NRSV); Revised English Bible, (REB); Good News Bible, (GNB); and the New American Bible, (NAB). It includes: 1) The textual basis of the above new versions; 2) 379 New Testament verses in which the above new versions are compared with the Greek of the Received Text, and the weak evidence that is back of their adulterations; 3) a 200-page examination of the New International Version (NIV) shows that they have added over 100,000 of their own words, and have failed to translate over 20,000 of the original words; 4) a separate examination of the New American Standard Bible (NASB). There are 8 appendices, including a thorough critique of Kurt Aland's Text of the New Testament. Get acquainted with the facts, for God is going to look to you to warn his people that these new versions are adulterated with many of the heresies of the Gnostics and others. Also, since they all contain contradictions within themselves, and also contradict one another, love for your fellow saints should require you to let them know that the words they are reading are not all God's words. Jay P. Green, Sr. (1918-2008) is Translator and Editor of The Interlinear Hebrew-Greek-English Bible and the translator of the Modern King James Version of the Holy Bible, The Teenage Version of the Holy Bible, and the Literal translation of the Holy Bible. He has written numerous books on textual criticism.

The Coming Seismic Eruption of Christendom Cy Farris,2016-06-30 After World War II and my service in the Merchant Marines, at twenty-one years old, I went fishing with my cousin. The boat sank, and my cousin drowned. I felt I too was going to die, but when I made it to land, I said, Thank you, God, whoever you are. After this experience, I studied many available sources and learned that the earth will be here forever as the home of mankind, that the soul is you, that hell is not a place of eternal torment, and Jesus is the Son of God. By continued research, I now feel I know more about the true God and his Son and feel less confused.

This is the third edition of this most accurate of all versions. Due to additional intense study, and the suggestions of others, we feel confident that this version has now been

perfected.

The Interlinear Bible Jay P. Green, 1997 Jay P. Green, Sr., editor Displays Hebrew, Aramaic, and Greek words with literal, accurate English meaning placed under each Hebrew and Greek word Interlinear form Strong's cross-reference numbers Literal translation in left margin 976 pp.

Interlinear Hebrew Greek English Bible, Volume 2 of 4 Volumes, Larger Print, Hardcover, 2011-07-01 Larger Print Edition! The number one complaint about previous editions Interlinear Hebrew Greek English Bibles by Jay P. Green, Sr. has been the size of the print. This new printing is in a larger type size, much more readable for long hours of study without the eye strain. This has all of the content of the 4 Volume Interlinear Bible Set that has been published since 1985. The only complete interlinear Bible available in English-and it's keyed to Strong's Exhaustive Concordance! Thousands of pastors, students, and laypeople have found The Interlinear Bible to be a time-saving tool for researching the subtle nuances and layers of meaning within the original biblical languages. Featuring the complete Hebrew and Greek texts with a direct English rendering below each word, it also includes The Literal Translation of the Bible in the outside column. But what truly sets this resource apart are the Strong's numbers printed directly above the Hebrew and Greek words. Strong's numbers enable even those with no prior knowledge of Greek or Hebrew to easily access a wealth of language reference works keyed to Strong's-Greek/Hebrew dictionaries, analytical lexicons, concordances, word studies, and more. Offering a concise, literal translation of each Greek and Hebrew word, it's a great jumping off point for in-depth Bible study and text analysis. This Bible displays all the Hebrew, Aramaic, and Greek words of the Bible in the Masoretic Hebrew Text and the Received Greek Text, with literal, accurate English meanings placed directly under each original word in interlinear form, with Strong's Concordance numbers over each original word, enabling the Bible student (whether knowing the original languages or not) to refer to all lexicons and concordances that have also been coded with Strong's numbers. 2,936 pages, bound in a bonded

leather over boards hardback edition. This new edition has been much improved by a new typesetting of the New Testament (Volume IV), with larger print, the left marginal column containing a newly revised Literal Translation of the Bible (2000), and a right marginal column containing the Authorized/King James Version (1769). The three volume Old Testament is an exact reprint of the 1985 Hendrickson Publishers Edition but in larger print. The Old Testament does not yet have the 1769 King James Version. The only complete Interlinear Bible is now fully keyed to Strong's Concordance numbers. The Strong's numbering above each Hebrew and Greek word - along with the Interlinear text and marginal literal English Translation and the 1769 Authorized King James Version - opens a treasure house of Bible study possibilities for those who wish to understand the Scripture better. It's use will allow the novice student to read the original text without losing valuable time to look up the meaning of the Hebrew & Greek words in the Hebrew & Greek lexicons. There is no substitute for a first hand knowledge of the original text. However since only a small minority of Bible students retain an easy reading comprehension of the original text, the Interlinear Bible is a welcome aid to Bible students, laymen, and pastors who wish to continue working with the original languages. Jay P. Green, Sr. (1918-) is Translator and Editor of The Interlinear Hebrew-Greek-English Bible and the translator of the Modern King James Version of the Holy Bible, The Teenage Version of the Holy Bible, and the Literal translation of the Holy Bible. The sources of the texts are documented in the preface, and are essentially the same (with some minor variations) to the Hebrew and Greek texts used by the KJV translators. New 4. Vol. Interlinear Bible, Hebrew Greek English W/Lexicons ,2005-08-01 Jay P. Green Sr., Editor The Interlinear Bible is the only Bible to include all the Hebrew and Greek texts of the Bible along with a literal translation below each Hebrew and Greek word. This edition has added a Lexicon with all the Hebrew and Greek words of the Bible showing you the translation given and also cross-reference other possible translations for that Hebrew or Greek word in the lexicon, all in one binding. The Strong's numbers enable any user of this Bible to do extensive research using any of the Bible study tools now numbered to Strong's Dictionary. New Testament volume was revised in 2000 to update it and add the KJV text in a third column. The included lexicons are page cross referenced to; 1) B-D-B Hebrew Lexicon, and Arndt Gingrich and Thayers Greek Lexicons, Kittel's Theological Dictionary. The Hebrew and Greek texts are the same texts used for the KJV. The cheaper and outdated Hendrickson edition does not include the lexicon or any revisions since 1985.

A New Look at an Old Earth Don Stoner,1992 If the God who created the universe also inspired the words of the Bible, there can be no contradictions between the two. Yet the popular Christian teaching that the earth is approximately 10,000 years old disagrees with modern scientific evidence. This insightful look at our incredible universe examines the facts of nature and how they compliment biblically sound interpretations of the creation account.

The Struggle for Theology's Soul William M. Thompson,William Thompson-Uberuaga,1996 A leading scholar of Christology shows why a theologian must be a master of Holy Writ, and why a biblical scholar must be a theologian. William M. Thompson makes a convincing case for keeping theology and scriptural studies in fruitful combination and dialogue. The Struggle for Theology's Soul is a rehabilitation of the way theologians and biblical scholars practiced their craft in the greater history of the Church, but with a second naivete, having attempted to pass through the challenges of contemporary thought. It honors a certain kind of specialization of disciplines, but also argues that it is healthy to have works which are more integrative as well. Each style needs and corrects the other. The book is somewhat contentious, and definitely passionate. Christology, argues the author, is at bottom a contest over Holy Writ, and this contest constitutes theology's soul because Christ is theology's center. Generalists and specialists alike will find much to ponder, discuss, and debate in The Struggle for Theology's Soul.
