Keep Cooking--the Maine Way Marjorie Standish,1996-01-01 Not everyone gets a chance to write a second cookbook, writes Marjorie Standish. That's the reason I feel so grateful that this book came about. After the phenomenal success of her first book, *Cooking Down East*, it was inevitable that her readers clamored for a second collection of tried-and-true Maine recipes. Fortunately the longtime Maine Sunday Telegram columnist was glad to oblige, and another bestseller, *Keep Cooking--the Maine way*, was the result. Readers of Mrs. Standish's newspaper column shared their favorite recipes generously, which gives this cookbook a pleasing variety and unpretentiousness. Maine cooking is a way of life. It is evident as you use these recipes, the author writes in her Foreword. You will find all kinds: they came from our family and they from yours. If you felt proud enough of your family recipes to share them in my column, then they have deep meaning for all of us. . . . It is like opening a treasure chest to share a recipe.

Cooking Maine Style Sandra Oliver,2018-05-31 Marjorie Standish is an iconic figure in the world of traditional New England cooking, known for her popular column, "Cooking Down East" for the Maine Sunday Telegram. She emphasized simple, but good recipes, that could be made with ingredients that can be found in most pantries. Sandra Oliver, Maine's modern-day Marjorie Standish, offers a carefully curated selection of the very best recipes from Standish's cookbooks. Presented in a retro-inspired, elegantly designed gift package, with notes and anecdotes to put Standish's recipes in context with current wisdom, it is sure to become the new classic in traditional cooking.

Heritage Skills for Contemporary Life Elizabeth Miller,2021-06-01 Nearly twenty years ago Beth Miller moved with her husband and four young kids from suburban New Jersey to a 200-year-old Federal period house and barn in rural Maine. She didn't garden, she didn't keep chickens or bees, she didn't know how to preserve food, and she didn't know how to make soap or hook rugs. She embarked on a journey to learn these heritage skills that have been largely forgotten, and today she owns and operates Parris House Wool Works, a traditional rug-hooking company serving both crafters and end buyers. It is also a working village homestead and workshop where she practices and teaches heritage skills, including all aspects of gardening, beekeeping, rug hooking, preserving, and soap making. *Seasons at the Parris House* is separated into seasonal sections and includes historical context and homestead related activities for each season, plus instructions for a set of related projects and recipes.
