The Guide to Catholic Literature Walter Romig, 1952

God and Dreams John Pratt Bingham, 2010-01-01 At one time when an individual wanted a direct, personal experience of God that person turned to his or her dreams. The early third century Christian defender of the faith, Tertullian, observed, Is it not known to all people that the dream is the most usual way that God reveals himself to man? Yet by the eleventh century, King William II of England states, They are not good Christians that regard dreams. Why did this reversal of opinion occur, not only in Christian thinking, but in Jewish and Islamic attitudes also? *God and Dreams: Is There a Connection?* traces the historic connection between God and dreams and examines why this shift happened. While particular attention is given to Jewish, Christian, and Islamic thought, several secular disciplines are discussed also. After investigating the different points of view, an argument is made that the connection between God and dreams still exists.

Sanctity and Male Desire Donald L. Boisvert,2004 Human desire is a path to spiritual wholeness, says author Donald Boisvert, in this unusual look at how saints--and one's devotion to them--can be sites for the confirmation and celebration of homoerotic desire. The author comes to the topic as a gay scholar of religion and draws upon his own experience of saints including his years in seminary beginning at age 13. Saints can inspire desire and, through eclectic readings of their lives and imagery, the author suggests meanings and strategies attached to the emergence of same-sex attraction. The book contains 12 chapters that focus on saints, including: Michael the Archangel; Sebastian and Tarcisius; John the Baptist; Joseph; Paul and Augustine; the Ugandan and North American martyrs; Francis of Assisi; Dominic Savio and other boy saints; Damien and the missionary saints; Peter Julian Eymard and the Eucharist; and gay saints.
