**The Girl I Used to Be** Heidi Hostetter, 2021-05-11 Your husband is not the man you thought he was... but how do you move on, when you're forced to keep his secret? When Jill Goodman's picture-perfect marriage implodes, she's heartbroken. Still reeling from the shock, the only thing she receives in the hasty divorce settlement is the deed to her husband's sprawling beach house on the New Jersey coastline. Jill never cared about money - only her marriage - but with Marc determined to take everything she owns, the beach house is her only lifeline left. With no other choice, Jill travels to the shore intending to sell the house quickly—but the task is not as easy as she expects. Still, she can't help but be charmed by the beautiful seaside town and its sweetly old-fashioned ways. Despite everything, Jill is starting to see a path back to who she was before she met her husband - not the demure, polished housewife she'd become, but the smiling young woman with the strong Jersey accent who loved her family more than anything. Then Jill dives deeper into Marc's secrets and she stumbles across a something in her husband's past that changes everything. Could Jill herself have been unknowingly complicit in what Marc did and, if so, what will happen to her when the truth finally comes to light? With Marc determined to bury the evidence, can Jill find a way to save herself before her once perfect husband takes her down with him? A gripping, emotional read that will keep you turning the pages late into the night, perfect for fans of Amanda Prowse, Elin Hilderbrand and Diane Chamberlain. Anna and Will have been passing in and out of each other's lives since they were just teenagers. Now 20 years later, Anna is married - she has a lovely house, a grown-up stepdaughter and a husband with a good job. What she doesn't have is joy. When she runs into Will it sparks something in her, a longing for the Anna she used to be. Together they embark on a journey to find what brings them joy, to discard what doesn't and to become the people they always wanted to be. But in finding themselves, can they also find each other?
