

The Green Berets Book

Nick Gordon

The Green Berets Robin Moore, 2002-09-16 In 1965, writer Robin Moore wanted to understand more about the little-known activities of the U.S. Army Special Forces, known amongst themselves as the Green Berets. With presidential approval by John F. Kennedy himself, Moore went to a place called Vietnam--and was never the same again. This monumental, bestselling work--the inspiration for the classic movie starring John Wayne and one of the first wake-up calls given to the American public about Vietnam--plunges us into the chaos that was our nation's first experience with unconventional warfare. From fighting the Viet Cong to fighting alongside Montagnard tribesmen, *The Green Berets* captures the terror of fire fights and ambushes, the constant confusion between friend and foe and the amazing can-do spirit of U.S. Special Forces advisors who changed the shape of war even as it changed them. Filled with unforgettable characters--woman spy, a daredevil pilot, and heroic soldiers on both sides of the battle--and updated to include a chapter comparing today's special forces to those from the Vietnam era, *The Green Berets* is an action-packed, unforgettable chronicle of a secret war and the extraordinary men who fought it.

The Green Berets Thomas Streissguth, 1995-09 A short history of the U.S. Army's Special Forces and an explanation of the training required to become a Green Beret.

The Wars of the Green Berets Michael Lennon, Robin Moore, 2007-06-17 Authors Robin Moore and Michael Lennon team up in this exciting new novel to tell the "fictionalized" stories of the men who have risked it all for the U.S.A.: the Green Berets. They take us from firefights on the Cambodian border during the Vietnam War to the streets and alleyways of Iraq today. They teach us what it was really like to patrol the streets of Mogadishu in the days of Black Hawk Down. They show the horror that was Saddam's Iraq during the first Gulf War. They take us to the moonscape that is Afghanistan in search of the Taliban. *The Wars of the Green Berets* continues the saga of Moore's classic *The Green Berets*, revealing more than a few tantalizing secrets and anecdotes for the first time. Skyhorse Publishing, as well as our Arcade, Yucca, and Good Books imprints, are proud to publish a broad range of books for readers interested in fiction—novels, novellas, political and medical thrillers, comedy, satire, historical fiction, romance, erotic and love stories, mystery, classic literature, folklore and mythology, literary classics including Shakespeare, Dumas, Wilde, Cather, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes

overlooked and to authors whose work might not otherwise find a home.

War Stories of the Green Berets Hans Halberstadt, 2004-11-12 The US Army Special Forces, more familiarly known as the Green Berets, are the elite fighting force of the United States military. Their experiences in covert operations and unconventional warfare have been a part of American military action for decades. Author Hans Halberstadt has collected first-hand recollections of dozens of Green Berets, past and present, who spent time on the battlefields of Viet Nam, Grenada, Panama, Kuwait, Afghanistan, and Iraq. Their harrowing stories are told here, providing rare insight into the world of the Green Beret.- Elite forces created in the 1960s and now the models for warfare in the 21st century- Fully updated to include the wars in Iraq and Afghanistan- First hand accounts- Updated: Now includes post-Vietnam War Stories as well as stories from the Gulf Wars and Afghanistan- Expanded: This new Zenith Press edition is almost 100 pages longer than the original. The original hardcover, titled *War Stories of the Green Berets: The Viet Nam Experience* (ISBN 0-87938-955-9), was first published in 1994. About the Author Hans Halberstadt studied documentary film in college and later took up writing. He has authored or co-authored more than fifty books, most on military subjects, especially U.S. special operations forces, armor, and artillery. Halberstadt served in the U.S. Army as a helicopter door gunner in Vietnam. He and his wife, April, live in San Jose, California.

Green Berets in the Vanguard Chalmers Archer Jr., 2018-09-15 The author of an award-winning memoir about growing up black in Mississippi, Chalmers Archer turns his attention in this book to his experiences as one of the first members of the U.S. Army's Special Forces. His perspective is unique, not only as one of the first to wear the Green Beret but as a black man in the early days of armed forces integration. Archer participated in some of the earliest forays into Laos, long before Southeast Asia was in American headlines, and he was a member of the first U.S. unit to go into Vietnam. He trained the first Special Forces teams of the South Vietnamese army and participated in some of their earliest operations, many of them unknown until now because of their highly classified nature. He saved the lives of the first American and Vietnamese soldiers injured in war and also witnessed the first American combat death in Vietnam, holding the man in his arms as he died. His unit operated alongside the Central Intelligence Agency and helped influence American foreign policy. A self-described soldier-teacher, he developed and spread the early gospel of special warfare while serving in the Philippines, Hawaii, Korea, Taiwan, and Panama, as well as in Southeast Asia. All of these activities are fully chronicled in this book, but Archer's perspective as an African American in an elite unit of the U.S. armed forces in the 1950s gives his memoir additional depth and insight. It is an uplifting--though sometimes harrowing--story of struggle in unfamiliar environments and an eye-opening account of events little known today.

The Green Berets Robin Moore, 2007-06-01 In Vietnam, Robin Moore became one of the first true "embedded" journalists, training and fighting alongside America's most elite fighters. Though fictionalized, *The Green Berets* exposed the

American public to the horrors of the ground war in Vietnam, and gave the men of the Green Berets the recognition they deserved. Here is the tale of the courageous South Vietnamese girl posing as an anti-American Communist to capture the Viet Cong officer who murdered her family. Here is the graft and double-dealing of South Vietnamese officers undercutting America's war effort. More importantly, here are America's soldiers showing unimaginable bravery in the face of a determined and deadly enemy. With a foreword by Major General Thomas R. Csrnko reflecting on the history and future of this elite fighting unit, *The Green Berets* stands as an enduring classic. "One of the most exciting war books." —London Sunday Telegraph

Army Green Berets Jack David, 2011-01-01 The Green Berets are one of the better-known special forces. Readers will learn the history of this elite force and the training and tools required to perform their dangerous missions.

The Green Berets James Lawton Collins, John Pimlott, Edwin H. Simmons, 1986-01-01

The Green Berets Susann Maha, 2021-07-14 This book is a beautifully written piece about the struggles of war. Based on the brutal Vietnam jungle during the conflict with American troops just a handful of decades ago. The story follows as the title suggests the youngest green beret in a company of elite soldiers. The author does a wonderful job of highlighting the perspective of a soldier who's hardly old enough to be a man but still finding himself in an elite band of special operatives known as the Green Beret.

Eyes of the Hammer Bob Mayer, 2011-03-26 From NY Times Bestselling Author, Amazon top 25 Author, former Green Beret and West Point Graduate, Bob Mayer. What if US Army Green Berets led by Dave Riley must take on not only criminal drug traffickers but also betray their own government? A US Army Special Forces team carrying sterilized weapons and unmarked uniforms is on its way to Colombia. The mission: conduct covert, unilateral raids to destroy cocaine processing laboratories. Of course nothing is as it seems especially once the CIA gets involved. Throw in an Israeli mercenary, betrayal and double-dealing in Washington and the team soon finds itself wondering what the real mission is. "A scorcher of a novel. Mayer had me hooked from the very first page." Stephen Coonts From Publishers Weekly When Colombia secretly requests U.S. aid against the drug cartel, a Special Forces A-Team becomes the eyes guiding gunships and helicopters--the hammer--against jungle cocaine-processing labs. Then treachery leaves four Green Berets dead and one in the hands of the Ring Man, deadliest of the drug lords. Special Forces warrant officer Riley and CIA agent Kate Westland are sent in to kill the Ring Man and rescue the prisoner. Their slim chances sink to near-zero when Washington pulls the plug on the mission. But before his people are abandoned, a veteran Special Forces colonel still has a few cards to play. In his first novel (launching a series), former Green Beret Mayer successfully establishes the nuanced differences among U.S. Special Operations units: rangers, Delta Force and Special Forces. But his story line jumps unconvincingly from covert infiltration mission to secret agent-type assassination to commando raid. Descriptions of the tools of unconventional warfare are static, and characters, with the

exception of agent Westland, never achieve full dimension. Copyright 1991 Reed Business Information, Inc. From Library Journal A thriller that delivers in all areas--plot, suspense, authenticity, and pace. Riley, a Special Forces man, is sent to one of a series of invasions of Colombia to destroy cocaine processing plants. After two successes and one failure, he is assigned to terminate a drug lord. His companion is a woman, Westland, a CIA agent. The intrigue and plotting of the military and various government agencies, in the United States and Colombia, and the incredible Colombian corruption are interwoven into a minor masterpiece of technology and suspense. The climax will have the reader yearning for more nails to bite. A first novel by a former Green Beret, this is not to be missed by fans of the genre. - Robert H. Donahugh, formerly with Youngstown & Mahoning Cty. P.L., Ohio Copyright 1991 Reed Business Information, Inc.

Green Berets John Hamilton, 2011-08-15 This title examines the US Army Special Forces, also known as the Green Berets. Readers will learn that commandos have taken part in every war in American history, from the Revolutionary War to World War II to today. The history section explains how President John F. Kennedy granted them their trademark berets while preparing for a visit to the Special Warfare Center at Fort Bragg, North Carolina, under the command of Brigadier General William P. Yarborough. Training and organization of team members such as weapons sergeants, communications sergeants, medical sergeants, engineering sergeants, commander, assistant commander (warrant officer), operations/intelligence sergeant and non-commissioned officer in charge (NCOIC) are also discussed. Readers will also learn about special forces air equipment, such as high-altitude low-opening (HALO) helmets, MC-4 parachutes; ground equipment, such as GPS locators, night vision goggles, M-4 carbine rifles; and water equipment, such as the re-breather, kayaks, and inflatable boats. A Table of Contents, Glossary, Index, and full-color photos are also included. A&D Xtreme is an imprint of Abdo Publishing, a division of ABDO.

Green Berets, 1997 U.S. Army Special Forces. Three decades their operations in Viet Nam have stayed secret, only now have they been declassified. This is the story of the Green Berets a different kind of warrior.

Army Green Berets Nick Gordon, 2011-08-01 The Green Berets are a Special Forces unit of the United States Army. They carry out a variety of missions, including search-and-rescue, counterterrorism, and strategic assaults on enemy positions. Intense training and proper equipment ensure that these brave soldiers complete their missions in a safe and efficient manner.

The Green Berets of Vietnam - The U.S. Army Special Forces 61-71 - The Illustrated Edition Francis John Kelly, 2013-02-01 Fully illustrated throughout with maps, charts, tables and photographs, this authoritative history of the U.S. Army Special Forces during the Vietnam War was written by Colonel Francis Kelly, who himself commanded the 1st and 5th Special Forces Groups during the conflict. From their humble beginnings training just 58 Vietnamese soldiers in 1957, these elite soldiers in just over one decade, trained and advised over 80,000 paramilitary and guerrilla troops in sustained combat

techniques, and fought alongside them against the Viet Cong. This is the definitive history of these tough, resourceful and dedicated men.

Green Beret in Vietnam Gordon L. Rottman, 2012-06-20 Vietnam was the US Special Forces most complex and controversial mission, one that began in 1957 and ended in 1973. Camp strike forces, mobile strike forces, mobile guerrilla forces, special reconnaissance projects, training missions and headquarters duty provided vastly differing experiences and circumstances for SF soldiers. Other fluctuating factors were the terrain, the weather and the shifting course of the war itself. Gordon Rottman examines the training, life, weapons and combat experiences of the Special Forces soldier in this challenging environment.

Green Berets in Action Marc Tyler Nobleman, 2008-01-01 Kids will learn what it takes to be part of an elite group of soldiers in *Green Berets in Action*! Firsthand narratives reveal the heroic efforts of this special unit of the United States Army. Readers will be inspired as they follow recruits from the grueling six-phase training program to their peacekeeping missions abroad and the training of foreign soldiers behind enemy lines. Large action photos, grade-appropriate text, and a narrative format will keep kids turning the pages as they learn about our nation's military heroes.

To Be a U.S. Army Green Beret Gerry Schumacher, 2005-07-28 The Green Berets' motto is Liberate the Oppressed, and it takes extremely capable and highly trained individuals to carry out their operations in the world's most dangerous and unforgiving locales. They operate behind enemy lines, sometimes for months at a time, are trained to work in all climates and cultures, and have a no surrender will of spirit if ever taken prisoner. This book provides an insider's view of what it takes to become a member of the Army's Special Forces, the elite Green Berets. It describes the skills they learn and equipment and tactics used to engage in unconventional warfare, foreign internal defense, direct action, special reconnaissance, anti-terrorism missions, information operations, and counter-proliferation.

The Green Beret Adrian J. English, 1986 A history of this special service force with emphasis on its role in the Vietnam War.

The Green Berets and Their Victories Joseph Patrick Meissner, 2005-11-23 This book celebrates the achievements in Viet Nam of the US Special Forces soldiers, popularly known as "The Green Berets." These are America's finest warriors, our elite force who fuse military and civil skills in a new form of victorious warfare. This book focuses on Viet Nam during 1968 and 1969, the two most crucial years of that conflict. The Berets learned many lessons in Viet Nam. Not only are these historically interesting, but they are the keys to success in our Global War on Terrorism. The first lesson emphasizes the proper advisory relationships that must exist when our American military train and work with the military of other coalition nations. The second lesson stresses the need for the integration of the military and civilian sides of any war. Little is accomplished if bloody battles only result in producing more enemy. Rather our strategies must combine appropriate military measures with

psychological operations and civic actions that win over nonaligned groups, and attract even hostile forces. The third lesson demands mutual and unwavering loyalty between America's forces and those they train and advise. An enemy has no greater weapon than to boast that Americans will eventually grow weary and desert their friends while the enemy will always endure. The fourth lesson calls for our American military to know how to work with others, not merely in spite of differences, but actually appreciating and building upon this diversity of races, religions, cultures, political views, and tribal backgrounds. I am positive that the reader will find many more lessons from the accomplishments of the Green Berets related in this book.

Green Berets at War Shelby L. Stanton, 1985 THE GREEN BERET . . . A SYMBOL OF EXCELLENCE, A MARK OF DISTINCTION, AND A BADGE OF COURAGE. Though engaged in the United States' longest and most controversial military action, the Green Berets rose above the fray to establish an awesome reputation based on their extraordinary skill, discipline, bravery, and sacrifice. Now, with access to information declassified for the very first time, Shelby Stanton--author, military historian, Green Beret, and Vietnam vet--presents the first and most authoritative, comprehensive, and detailed battlefield history of Special Forces in the Vietnam War. Making use of firsthand combat interviews, original records, and his own Special Forces experience, Stanton presents a vivid, unvarnished, and thoroughly researched account of one of the best and most highly decorated special-operations units ever. Here are the real stories behind the legends of combat valor and battlefield success forged by U.S. Army Special Forces during more than a decade of fighting in the tropical swamps and deep jungles of Southeast Asia. With photos, maps, charts, and special sections on Congressional Medal of Honor winners and MIAs

Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the The Green Berets Book full book , it can give you a taste of the authors writing style. Subscription Services

Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of The Green Berets Book eBooks, including some popular titles.

FAQs About The Green Berets Book Books

What is a The Green Berets Book PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a The Green Berets Book PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file

types to PDF. **How do I edit a The Green Berets Book PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a The Green Berets Book PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a The Green Berets Book PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with

PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
