Coaching Days and Coaching Ways William Outram Tristram,1893 This work, which unlike most of the books on the subject written at the time has retained its popularity, covers in great detail the major coaching roads to Bath, Exeter, Portsmouth, Brighton, Dover, York and Holyhead. The author considered the roads and the coaching inns from the viewpoint of the traveller, and did not confine himself to any particular era. The result is a fascinating series of descriptions of the social life which passes between the province and London.
