Caring for Our Shepherds Thomas V. Frederick, Yvonne Thai, Scott E. Dunbar, 2024-04-10 Pastors play a fundamental role in churches across the globe, yet more and more are finding themselves struggling with the stress of ministry life and experiencing burnout. The consequences of pastoral burnout can be severe and impact not only individuals' physical, mental, and emotional well-being, but spillover to their families and congregations as well. Despite this increasingly common problem, the subject of pastors and their unique experiences has not been well studied. *Caring for our Shepherds* is written

to pastors and for pastors. In this book, researchers on pastoral burnout, Thomas V. Frederick, Yvonne Thai, and Scott Dunbar answer the questions: what is pastoral or ministry burnout, how can it be guarded against, and how can we help those experiencing it? The reader will not only develop a deeper understanding for the demands of ministry, but also be provided with specific practical and spiritual frameworks to cope with those demands in ways that promote a positive and healthy mindset. Caring for our Shepherds is an excellent resource not only for those in ministry, but to those who desire to pour back into those who serve in the church.

The Skeletons in God's Closet Joshua Ryan Butler, 2023-08-22 How can a loving God send people to hell? Isn't it arrogant to believe Jesus is the only way to God? What is up with holy war in the Old Testament? Many of us fear God has some skeletons in the closet. Hell, judgment, and holy war are hot topics for the Christian faith that have a way of igniting fierce debate far and wide. These hard questions leave many wondering whether God is really good and can truly be trusted. The Skeletons in God's Closet confronts our popular caricatures of these difficult topics with the beauty and power of the real thing. Josh Butler reveals that these subjects are consistent with, rather than contradictory to, the goodness of God. He explores Scripture to reveal the plotlines that make sense of these tough topics in light of God's goodness. From fresh angles, Josh deals powerfully with such difficult passages as: The Lake of Fire Lazarus and the Rich Man The Slaughter of Canaanites in the Old Testament Ultimately, The Skeletons in God's Closet uses our toughest questions to provoke paradigm shifts in how we understand our faith as a whole. It pulls the skeletons out of God's closet to reveal they were never really skeletons at all.

LIFE IS TO LIVE TOGETHER Prahalad Rao, 2024-05-15 This book explores the joy of living together, especially for married couples. It emphasizes the importance of pausing when love and relationships begin to strain, as this reflection can illuminate the true meaning of love and togetherness. Losing inner confidence and trust, whether among citizens or couples, is akin to trying to save a dying tree—it requires immense effort to restore its vitality. As Tasneem Harneed said, “Learn character from trees, values from roots, and change from leaves.” To embody these values, one must nurture the tree, creating greenery to sustain life’s lessons. Live like a thriving tree, always fostering an environment where everyone can enjoy life.

Summary of Timothy Keller & Kathy Keller's God's Wisdom for Navigating Life Everest Media, 2022-06-30T22:59:00Z Please note: This is a companion version & not the original book. Sample Book Insights: #1 The book of Proverbs is full of warnings about the opposite of wisdom, which is foolishness. Fools are people so habitually out of touch with reality that they make life miserable for themselves and everyone around them. #2 The mocking fool is the

third type of fool mentioned in the Bible. He is a fool, but he acts very smart and sophisticated, and he loves to scoff at others. He is a habitual mocker who will harden his heart and poison relationships. #3 The next type of fool is the Hebrew pēthiy, the simple. They are easily led and influenced. They are also intellectually lazy and susceptible to get-rich-quick schemes. #4 The most common word used for fools in the Bible is the Hebrew kēciyl, which means obstinate. Fools are opinionated, wise in their own eyes, and unable to learn or be corrected.

Love Every Day, 2012-02-01 Tim Keller has said that our sinfulness is far worse than we ever could imagine, and that God's love is far more than we ever dared hope. And Christians for millennia have affirmed no better way to learn these truths - and many others besides - than to love God with all our heart and soul and mind and strength. This daily devotional on the Great Commandment helps us do just that. By love we discover the depths and the heights at the same time. And a'course there's that loving God part, as well. Which is pretty good all by itself.
