The Flip Side: A Graphic Novel Jason Walz, 2025-04-22 This breathtaking, page-turning graphic novel is a supernatural survival story in which a grieving teen finds himself in a haunting alternate reality—the frightening embodiment of his depression. For fans of *Stranger Things* and *Nimona*. Theo's best friend has died, and he can't pull himself out of his sadness—a sadness that those around him don't seem to respect or even notice. And then something even more disconcerting happens: His town literally flips upside down and everyone disappears, except for a threatening, shape-shifting monster and a snarky teenage girl who knows her way around this flipped world. Is Theo doomed to spend the rest of his life in this scary state? Tremendously unique and suspenseful, *The Flip Side* tackles grief and depression in a fascinating and affecting way.

The Annotated Gilbert and Sullivan Arthur Sullivan, William Schwenck Gilbert, 1982 The comic operas of Gilbert and Sullivan are a performing arts phenomenon. Wildly popular when first produced, they are if anything even more popular today. The Savoy Operas are available on records and compact discs, on audio and video tapes, on television, film, and radio, as well as through the more traditional medium of stage performances by both amateur and professional companies. Indeed, the works of Gilbert and Sullivan are produced more frequently than the plays of Rodgers and Hammerstein or any other

musical partnership.
