Health Promotion Throughout the Life Span - Pageburst on VitalSource Carole Lium Edelman, Carol Lynn

Mandle, 2009-09-29 Take your understanding to a whole new level with Pageburst digital books on VitalSource! Easy-to-use, interactive features let you make highlights, share notes, run instant topic searches, and so much more. Best of all, with Pageburst, you get flexible online, offline, and mobile access to all your digital books. Up to date and easy to read, this textbook provides comprehensive coverage of all major concepts of health promotion and disease prevention. It highlights growth and development throughout the life span, emphasizing normal development as well as the specific problems and health promotion issues common to each stage. All population groups are addressed with separate chapters for individuals, families, and communities. UNIQUE! The assessment framework for this textbook is based on Gordon's Functional Health Patterns and offers a consistent presentation of content and a health promotion approach. Extensive coverage of growth and development throughout the life span emphasizes the unique problems and health promotion needs of each stage of development. UNIQUE! Think About It boxes present a realistic clinical scenario and critical thinking questions. UNIQUE! Multicultural Awareness boxes present cultural perspectives important to care planning. Research Highlights boxes discuss current research efforts and research opportunities in health promotion. UNIQUE! Hot Topics boxes explore significant issues, trends, and controversies in health promotion to spark critical discussion and debate. UNIQUE! Innovative Practice boxes offer examples of unique and creative health promotion programs and projects. Updated nutrition coverage includes MyPyramid from the FDA, as well as the latest information on food safety and fad diets. Expanded health policy coverage focuses on global health, historical perspectives, financing healthcare, concierge medical practices, and the hospitalist movement. Health Promotion for the Twenty-First Century explores current and future health promotion challenges and research initiatives. Updated Healthy People 2010 data includes midcourse review objectives and an introduction to Healthy People 2020. Case Studies and Care Plans summarize key concepts and show how they apply to real-life practice.

Learning to Teach Foreign Languages in the Secondary School Norbert Pachler, Michael Evans, Ana Redondo, Linda Fisher, 2013-12-17 Praise for previous editions:- 'A wealth of theory, research, practical advice, case studies and tasks in one

volume...Indispensable for both HEI tutors and mentors, and an important book to recommend to all MFL students.' - Language Learning Journal 'Presenting clear, straightforward, factual information on all current issues facing MFL student teachers ... An excellent reference guide during the first years of teaching.' - Mentoring and Tutoring Learning to Teach Foreign Languages in the Secondary School has established itself as the leading textbook for student teachers of foreign languages in the UK and internationally. The practical focus is underpinned by a theoretical perspective and backed up by the latest research, encouraging you to develop a personal approach to foreign language teaching. This new, fourth edition, has been comprehensively updated to take account of recent policy and curriculum changes, and now covers a range of relevant statutory frameworks. Fully revised chapters cover the key knowledge and skills essential for becoming a foreign language teacher: What can we learn from research into language teaching and learning? Teaching methods and learning strategies Creating a meaningful learning environment Transition from Primary to Secondary The role of digital technologies Teaching in the target language Receptive skills and productive skills Teaching and learning grammar Planning and reflecting on classroom practice Pupil differences and differentiation Assessment for and of learning It includes many examples of how to analyse practice to ensure pupil learning is maximised, together with activities and tasks to support you as you analyse your own learning and performance. Learning to Teach Foreign Languages in the Secondary School provides practical help and support for many of the situations and potential challenges you are faced with in school. It is an essential purchase for every aspiring secondary foreign languages school teacher.
