**Rachel S Tattersall**

*Under His Protection* Kc Rice, 2018-07-20 "A story of reckoning that walks a fine line between vengeance and obsession....." They killed his brother. They stole a piece of his life and got away with it. Antonio "Parker" Denoti has dedicated his life to bringing down the man responsible, Mano Torret, the boss of one of Chicago's most notorious crime families. His only hope lies with Cashenna Ramsey, a beautiful young woman- unwittingly sucked into Torret's web of deception and crime- who agrees to testify against him. Now Parker must keep her alive long enough to take the stand. Cashenna is taken into protective custody and whisked away to a secret location. Under Parker's protection, he was certain she was safe. But when he arrives at the safehouse, he finds nothing but bloodshed and bodies. His team is dead, and his witness - missing. *Under His Protection*, promises to be a suspense filled, action packed romance, full of desperation, hope and passion.

*Letters To Some-One* Kartik Gupta, Many, Letters are one of an ancient means of communication the world has known. In this modern world, writing a letter to someone and expressing your thoughts, views and feelings has become a distant reality! However, we all know that there is always a part that we never speak and is hidden somewhere in the corners of our heart urging to be known to that Special Someone. To let the world know what is it that our heart holds within and to give a sneak peak of what it feels to witness something from one's end, it is absolutely essential to pen down those feelings and lay them bare in front of the world. *Letters To SomeOne* is an attempt to give that part a voice of its own, to let that feeling finally reach the destination it was always meant for. Various writers across the different geographical locations showed the courage to open their hearts with you as readers and the entire world confiding in you that maybe, one fine day, the feeling is understood by you and the letters they have written ultimately serve the purpose for what they were meant for!!

**An Emotional Dance** Gary A. Puchett, 2006-11-02 8/18/06 This book had to be addressed as one of fiction because of the real torment created by one vicious evil plotting scorned female controlled by Satans own mind. The story is true, however all the names have been changed to protect the innocent, the publisher, and the Author. Three years of dedication and very hard work gathering information to present to the reader, starting from July 2003. False police reports made and found to be

unfounded by the department, many case numbers that John Q public has access to. One female in a very big city that wanted to control all the dance arenas, and would stop at nothing short of murder to gain prominence among a few filthy underhanded worthless club owners. The main character Katherine was scorned by two ex lovers and wanted revenge to the point of absolute destruction to both of these educated and very striking men. An Emotional dance was performed by her to bring forth the Midnight Hour meant for complete ruin of these beautiful men. This book has exposed the underbelly of some unscrupulous dance studio renters that prey on innocent widows and other caring people that have had a loss of a loved one. These poor people are cheated out of large sums of money and given false hope in return, because of their need to feel wanted and accepted by others, they are hurting so bad and simply want to be loved once again. One very arrogant down town club renter, because they rent the space, has such a love of himself, that he truly believes he is the King of Los Vegas, how pathetic, small man syndrome comes to mind with this little person.

Michael Jackson Shawn Henning, 2010-06-17 Shawn Hennings new book is a powerful and overwhelming tribute and legacy to Michael Jackson. In one book, hes collected love letters, reflections, eulogies, poems, essays and drawings from people throughout the world who have a special appreciation for the King of Pop, Michael Jackson. I was particularly impressed at the diversity of material, from so many different countries and cultures all of it heartfelt and illuminating. In *We Love You More*, we learn about the many different ways that Michael Jackson affected people from all walks of life. The participants talk about how Michaels music, creativity and public example affected their lives and helped them to be better people. The contributions are a wonderful cathartic output to help to come to terms with the loss of Michaels huge talent. They will not only comfort those who have written them, but those who read them. People will learn about the experiences they have in common, with people throughout the world, who followed Michaels career, his music, his good deeds and the example he set for this generation and generations to come. The book will also be of comfort to Michaels own family. They will see that the spirit of Michael will continue in people everywhere and in many ways and for many reasons. Its also fascinating to learn what people have to say about different songs and what they meant to their lives. Im impressed by the diverse elements in the book from eulogies, to memories to poems and beautiful drawings and paintings and even photo montages at the end. Mr. Henning youve done a wonderful service to the Michael Jackson fan community and I commend you. Sincerely yours, Larry Nimmer
