The Book of Daniel Clarence Larkin, 1944

**The Book of Daniel (Illustrated)** Clarence Larkin, 2017-02-17 This superb and time-tested analysis and study by Clarence Larkin examines in detail, and explains with the truest clarity, the Biblical Book of Daniel. Having spent his life in service of God as a minister, and much of his time deeply vested in contemplation and study of the Biblical canon, Clarence Larkin placed himself in a prime position to evaluate and explain some of the more complex passages of the scripture. Naturally blessed with a readable and flowing style of writing, Larkin enlightened countless thousands of Christians during his lengthy career. In this book, we receive a passage-by-passage, line-by-line examination of the Book of Daniel. No detail or phrase is passed over, and the reader may be assured that Larkin pays the closest attention in explaining this important yet difficult to understand part of the Holy Bible. Larkin was moved to author this and several other books after receiving word from his flock and fellow believers of the difficulties they had reading and interpreting such texts. The chapters are divided into the major episodes underpinning the Book of Daniel. Events such as the dream of Nebuchadnezzar and the calamitous Fall of Babylon receive close narration, while the famous image of Daniel in the Lion's Den benefits greatly from the clarifying commentary of Larkin. This edition of Larkin's Book of Daniel includes all of the intricate charts and illustrations for which the author became famous. Several of these are very large and detailed images with large, small and tiny instances of text, and it is doubtless necessary to use a magnifying glass to fully scrutinize them. Vital to Larkin's explanations, they set out visually the principles that this book exists to clarify for the reader.

**Prophecies and Lessons in Daniel** Robert Page, 2019-09-03 Daniel was a captive in Babylon. He served secular kings and by the power of God interpreted their dreams and visions, some of which revealed Israel's future. Daniel spent his entire life desiring to know what would happen to his people, the children of Israel. In response to his quest, God revealed much to Daniel through dreams and visions of his own. Prophecies and lessons in Daniel is a verse-by-verse commentary on the prophetic book of Daniel produced by the Lord's guidance during many years of prayerful study and developed from sermons and Bible lessons conducted no less than three times at Victory Baptist Church. It includes historical context and secular

history identified to show prophecies in Daniel that have already been fulfilled. It also compares the prophecies in Daniel with relevant passages in both the Old and New Testaments including the Revelation of Jesus Christ.

**The Book of Daniel- A Well Kept Secret** Charles Eisenberg,2007-12 Eisenberg offers a comprehensive work on Daniel, focusing particularly on the prophetic passage of Daniel 9: 24-27. (Christian)

Daniel Carol Ann Newsom,Brennan W. Breed,2014-01-01 Newsom's commentary offers a fresh study of Daniel in its historical context. Newsom further analyzes Daniel from literary and theological perspectives. With her expert commentary, Newsom's study will be the definitive commentary on Daniel for many years to come. -- Amazon

Rightly Dividing the Word Clarence Larkin,1921

*Dispensational Truth, Or God's Plan and Purpose in the Ages* Clarence Larkin,2010-07-01 The Reverend Clarence Larkin was one of the most widely influential pop theologians of the early twentieth century: his works are the source of many of the prophecies and truths end-times Christians hold to even today. This stupendous 1918 book-perhaps his greatest work-is the result of more than 30 years' worth of, the author informs us, careful and patient study of the Prophetic Scriptures.Fully illustrated by charts describing God's plan for humanity, *Dispensational Truth* covers: Pre-Millennialism the Second Coming of Christ the present evil world the Satanic trinity the world's seven great crises prophetic chronology the threefold nature of man the Book of Revelation five fingers pointing to Christ the False Prophet and much more.American Baptist pastor and author CLARENCE LARKIN (1850-1924) was born in Pennsylvania, and later set up his ministry there. He wrote extensively and popularly on a wide range of Biblical and theological matters.

*Not Your Grandmother's Book of Revelation* Charyl Craddock,2020-10-21 Unlike most other commentaries on the Book of Revelation, *Not Your Grandmother's Book of Revelation* presents Scripture to dispel the many misinterpretations that have been perpetuated for the last one hundred years. Many of those misinterpretations have a foundation from the book *Dispensational Truths* by Baptist Pastor and Biblical scholar Charles Larkin, which was published in 1918. In addition to the influence of Mr. Larkin's book, many misinterpretations result from the false belief that the Book of Revelation is written in chronological order and that all of the events shown to John will occur during the final seven years, Daniel's seventieth week. In this book, Scripture is presented that positively establishes that the Revelation of Christ as recorded by John is written in the order that the events were shown to John, not chronologically; that the events of the vision, the events that shall be

hereafter (Revelation 1:19), began occurring during the second and third century after the death and resurrection of Jesus Christ; that the first three and a half years after the signing of the peace agreement between Israel and many will be a peaceful time during which Israel will build the third Temple; the final three and a half years, the Great Tribulation, is the pouring out of the wrath of Satan, not the wrath of God; and that Jesus told the apostles that the First Resurrection, the Rapture does not occur until immediately after the tribulation (Matthew 24:29). It will be shown that America is in the Book of Revelation. A detailed description of the Antichrist, False Prophet, one-world government Beast, and mark of the Beast are presented, as is a synopsis of all chapters and the prophecies of Daniel. Finally, a timeline of the events of the vision is presented.

*Earth's Last Empire* John Hagee, 2018-09-18 Our world is in crisis mode, but God is still on the throne in this powerful and prophetic book from New York Times bestselling author and pastor John Hagee. Bible prophecy clearly reveals that immediately prior to the rapture of the Church, four powerful kings will race onto the stage of world history. Pastor Hagee reveals who they are, where they come from, and what they signify. Learn why Hagee believes that we are in the beginning stages of World War III, and how this will eventually take us to the Battle of Armageddon. Pastor Hagee vividly describes the key players that signify the King is coming!

*Daniel and the Latter Days* Robert Duncan Culver, 1954

**Satan, Antichrist, and the Satanic Trinity** Clarence Larkin, In *Satan, Antichrist, and the Satanic Trinity*, Bible teacher Clarence Larkin explores the biblical teachings about Satan, the Antichrist, and the false prophet. Drawing from Scripture, Larkin explains the origins and nature of these evil beings, their roles in the end times, and their ultimate defeat by God. This concise yet comprehensive guide will help readers understand the reality of spiritual warfare and the importance of standing firm in their faith.

*The Christian Workers Magazine*, 1918

Those Days Elizabeth Alberts, 2020-04-14 *Those Days* was chosen for my book title because it describes in vivid detail what happens during the days of those left here on earth when the Church has been taken to heaven. It will be 2,520 days of God's increasing wrath poured out on man such as has not been since the beginning of creation . . . and unless the Lord had shortened those days, no flesh would be saved (Mark 13:19-20).

Daniel G. Coleman Luck, 1969-04 The book of Daniel is outstanding in two ways. It contains clear revelation concerning some of the greatest themes of prophecy, and at the same time has many inspiring and helpful lessons for the practical life of the Christian. A close study of this book will provide nourishing spiritual food for any Christian, and its teachings are essential to an understanding of prophetic truth. - p. 7.
