*Hard as Stone Trilogy Omnibus* Beatrice B. Morgan, 2022-11-20 This omnibus edition of the Hard as Stone series brings the entire trilogy together in one volume! Hard as Stone Seventeen-year-old Raven Thane wants an adventure...and she's going to get one. Just not the way that she expected. Bored and disinterested with a routine life in her remote underground community, she fails to notice a thief during her turn at guard duty. Zander, a charming sharpshooter, tasks her with helping him retrieve the mysterious stolen item. Posing as a couple on the road, they'll face deadly automatons and Gray Elite soldiers, entangle themselves in a complicated world of spies and freedom fighters, and hide secrets of their own. Can Raven fix her mistake and prove herself more than a simple country girl? Or will she create even more chaos? Thick as Blood With the stolen centrum recovered, Raven's adventure with Zander is over. Or is it? Raven's lingering fever worries the Dwellers,

and Zander is set on returning her to Silver Glen, pushing her out of their plans to rescue Princess Rosaria. But even when the Hammel Forest seems quiet, a dangerous automaton is always around the next tree. After Raven finds herself in the midst of another rebel caravan, she has a choice to make. Will she return to life underground, find her way back to Zander and the mission, or get swept away on an exciting new journey? Strong as Steel After a harrowing escape from the Gray Elite, everything is in shambles: Zander's lost his arm, General Deacon will hunt Raven at any cost, and an unexpected ally seeks asylum on their airship. But one thing is going right for Raven—she has magic, thanks to the centrum, and now she needs to learn how to use it. When Raven and her friends seek information about her strange power, she is offered a chance to become a Wraith like Zander. The journey brings more answers than Raven has ever dreamed of as she discovers as much about her own heart as her magic. Will the truth behind her power be enough to change the world or protect the ones she loves? **Mine Series Box Set** Janeal Falor,2015-09-07 In a world where only men can do magic, and women are bought and sold like cattle, five girls stand up, determined to shatter the oppression. You Are Mine Serena knows a few simple things. She will always be owned by a warlock. She will never have freedom. She will always do what her warlock wishes, regardless of how inane, frivolous, or cruel it is. And if she doesn't follow the rules, she will be tarnished. Spelled to be bald, inked, and barren for the rest of her life—worth less than the shadow she casts. Then her ownership is won by a barbarian from another country. With the uncertainty that comes from belonging to a new warlock, Serena questions if being tarnished is really worse than being owned by a barbarian, and tempts fate by breaking the rules. When he looks the other way instead of punishing her, she discovers a new world. The more she ventures into the forbidden, the more she learns of love and a

freedom just out of reach. Serena longs for both. But in a society where women are only ever property, hoping for more could be deadly. Mine to Spell Cynthia has always hidden from her father's hexes behind her older sister. When her family gains independence unheard of for women, she's relieved that her days of harsh punishments are over. But as her seventeenth birthday approaches—the typical age to be sold to a new master—death threats endanger her sisters. She now faces two options: run or meet society's expectations. For once, Cynthia isn't going to let her older sister shield her from the problem. She's going to prove to herself, her sisters, and society that her family isn't a threat to their traditions. She willingly chooses to be purchased by a new master. A bold step that takes her somewhere she never thought she would go and to a man she might possibly fall in love with. With his help, she may just find a way to save her sisters while discovering how to stand up for herself. If she lives long enough. Mine to Fear Waverly resents being sent home to Evando just as things are getting intense in Chardonia. She can't just sit in safety while her friends suffer under oppression and restrictions simply because they are women. Upon returning to Chardonia, she discovers conditions have degraded faster than she thought possible, and her mere presence puts her loved ones in grave danger. When the Grand Chancellor calls for a change in laws that threatens the lives of her friends, her family, and anyone who doesn't comply, her only option is to run, with both friend and foe. As the stakes grow higher with each passing day, Waverly must become the leader she's never been, or her life, and the lives of all those she cares for, will be lost. Sacrifice of Mine After a ravaging war, Bethany and her family are forced to flee to Envado. There, women are safe from the oppressive rule of male owners. When her pursuers draw too close, Bethany stays behind to buy her sisters time to escape and she's captured. She's turned over to a depraver who tarnishes her. Now bald, branded, and barren, she's worth less than the shadow she casts. From this lowly place she leads the tarnished to overthrow the Grand Chancellor—the man behind Chardonia's oppressive rules against women and the tarnished. If they fail to defeat him and his supporters, all will be lost. Mine to Tarnish Katherine's place is the same as any woman's—on the shelf next to the dresses and bolts of cloth. When she's sold to a warlock, life grows even bleaker. Her new owner is as old and rancid as he is cruel, driving her to do the unthinkable: run. Nothing prepared her for being on her own. And she's definitely unprepared for the warlocks hunting her down. But she must stay one step ahead because if caught, the best she can hope for is death.
