The Heir Presumptive. A Love Story Florence Marryat,1885

The Good News Is Love Larry A. Johnson,2012-05-10 I want to share some Good News with you. The Good News is that Love is alive and well in the world. As the song says, Love is the Answer to all of the hurts, sickness, anxiety and anger in the world. Love is available to all people. Love soothes our hurts, helps to heal our sickness, and eases our anxiety. Love comforts the grieving, reduces anger, and offers hope for the future. People are hard-wired to crave love, and to respond to love by loving others. We know love is real because we have experienced it ourselves, we observe that love causes people to change their behavior, and we read about or talk to people that are in love. The Good News is that there is a higher form of Love than human love. God loves you and wants a close relationship with you. John, a follower of Jesus, said God is Love (1 John 4:8). John also said, let us love one another, for love comes from God. Everyone who loves has been born of God and knows God(1 John 4:7). If God is Love, then knowing Love means that we also know God. If we believe that Love is real, if we love others and accept John's testimony, then God is also real and has the qualities of Love that we have experienced. Love is always available, faithful, caring and true. God's Love can bring something good out of bad situations, provide hope, and give us the strength to live through the situations. Jesus talked about and demonstrated God's Love for all people. Jesus was the Son of God, which meant that he came from God and lived his life perfectly, as God wanted him to live it. He showed a new relationship with God, a relationship of Love, service, forgiveness and reconciliation. Jesus provides Love, hope, and strength that helps each person live a better life on earth, and an eternal life to come.

The Ferryman Krishnakumar,2024-11-09 Adithya is bitter when he is forced to accept the delivery of an antique bed on behalf of his neighbor. The large and majestic bed occupies his whole bedroom. Every time he sleeps on it, he has nightmares. He dreams about killing different people with whom he had disputes. And at the end of it all, he wakes up devastated, completely drained. When he soon learns that the people whom he had killed in his dreams have also died in real life—passing away naturally in their sleep—he begins to realize the power the bed wields. What follows is a macabre series of events as the monstrosity and deep dark desires of the human mind are unleashed by a power so horrific, that escaping it seems hopeless.

The Journal of a Disappointed Man W. N. P. Barbellion,1919

The Analogy of Love Gary Chartier,2015-11-09 This book offers an overview of Christian theology organized around the twin themes of divine and human love. The book covers the traditional theological topics as well as basic questions of theological method. It seeks to integrate a focus on love throughout. While love is regularly canvassed as a dominant theme in Christian thought, it has rarely been the focus of Christian theological construction or a constraint on theological formulation. The book seeks to suggest, chapter by chapter, how a given topic relates to the broad theme of love. The book is written in a way designed to make it accessible to university students and educated laypersons. At the same time, it takes positions on controverted scholarly issues, and the methodological approach outlined at the beginning will be of interest to academic theologians.

Catherin & Alexander Love on the Internet T.R. Espinola,2013-01-31 Catherin & Alexander, *Love on the Internet*, is about two romantically driven people that have been, for the greatest part of their lives, unlucky in love. They see the romance in the rose opening its bloom for the world to see the beauty held within, as well as in the ability for two people with romantic hearts to find each other, enjoying the poetic beauty of the world around them. However, each feels disappointed in the fact that they have not found the person that brings loves star into focus. Catherin, a hopeful romantic, is a woman that craves romance, enjoys being a woman, and loves being feminine. She envisions herself in romantic scenarios with a man that can hold her heart in his hands, capable of loving her for the rest of her life. On the other hand, Alexander is not only a man of action, an individual that has always enjoyed adventure, never missing an opportunity to feel the adrenaline run through his veins, but also a true romantic and a Southern gentleman. He believes strength is best found in the way in which a man loves the woman in his life and in the way he lives his life as an example for others to follow. After experiencing another bad date, he decides to follow the advice of a friend and join an Internet dating site. Catherin, experiencing a similar situation over six thousand miles away, does the same, allowing them both to find a love that bridges two completely different worlds, uniting their hearts forever together.
