El Gran Corruptor / The Great Corruptor Elena Chávez, 2023-11-10 «Estas son páginas notables por su contenido explosivo y revelador, y una radiografía de la metástasis de ese cáncer alimentado por el gran corruptor.» --Sergio Negrete Cárdenas Tras el éxito de *El rey del cash*, Elena Chávez nos sumerge una vez más en las entrañas de un sistema político donde la corrupción parece haberse convertido en la norma. A través de testimonios contundentes, se pone al descubierto cómo el presidente y sus cómplices han creado intrincados esquemas ilegales en beneficio propio. En esta investigación, la autora aborda casos alarmantes que van desde la Secretaría de Educación Pública, convertida en una escuela de malversación, hasta la policía transformada en una caja de fondos ilícitos. También explora los coqueteos de la presente administración con el crimen organizado y la destrucción de instituciones como Notimex. Además, expone las prácticas de influyentismo y nepotismo de diversos funcionarios públicos, las finanzas inexplicables de la autodenominada «no primera dama» o las actividades extorsionadoras de los hijos del presidente. Sin embargo, el epicentro se sitúa en el robo a los adultos mayores, el programa estandarte de López Obrador. A pesar de sus condenas de «pecado social» hacia sus opositores, este libro presenta pruebas de que una de sus operadoras principales también ha cometido un «pecado social» al desviar millones de pesos, inflando de manera exponencial el padrón de beneficiarios. Así, esta obra desenmascara al Rey del cash bajo otro nombre, el Gran corruptor, y se constituye como un llamado a la reflexión crítica y una valiente denuncia de los abusos de poder que amenazan el futuro del país. **ENGLISH DESCRIPTION** These are memorable pages, given their explosive and revealing content, and an x-ray of this metastasized cancer fed by the great corruptor. --Sergio Negrete

Cárdenas After the success of *The King of Cash*, Elena Chávez takes us yet again to the entrails of a political system in which corruption seems to have become norm. Through compelling testimonies, the way the President and his accomplices have created intricate illegal schemes for personal gain is laid bare. In this investigation, the author addresses disturbing instances that range from the Department of Public Education turned into a school of embezzlement, to the police transformed into an illegal savings account. She also explores how the current administration flirts with organized crime, and the destruction of other institutions, such as Notimex. Furthermore, she exposes the exercise of influencing practices and the nepotism of several public officials, the inexplicable finances of the self-proclaimed not first lady, and the extortionary activities of the President's children. However, the epicenter is the theft of elder people, López-Obrador's flagship program. Despite condemning the social sin of his opposition, this book includes evidence that one of his main operators has also committed a social crime, deviating millions of pesos and exponentially inflating the beneficiaries register. Thus, this work unmasks the King of Cash under a second name, the Great Corruptor, and constitutes a calling to critical reflection and a brave denounce of the abuse of power threatening Mexico's future.
