Audiences follow the exploits of superheroes like Captain America, Iron Man, Spider-Man and Thor, and such heroines as the vampire Selene, zombie killer Alice, dystopian rebels Katniss Everdeen and Imperator Furiosa, and Soviet spy turned American agent Black Widow. The continuing depredations of Jason Voorhees, Freddy Krueger and Michael Myers are described. Pre-1996 movies that have since been remade are included. Hunting Girls Kelly Oliver, 2016-05-24 Katniss Everdeen (The Hunger Games), Bella Swan (Twilight), Tris Prior (Divergent), and other strong and resourceful characters have decimated the fairytale archetype of the helpless girl waiting to be rescued. Giving as good as they get, these young women access reserves of aggression to liberate themselves—but who truly benefits? By meeting violence with violence, are women turning victimization into entertainment? Are they playing out old fantasies, institutionalizing their abuse? In *Hunting Girls*, Kelly Oliver examines popular culture's fixation on representing

young women as predators and prey and the implication that violence—especially sexual violence—is an inevitable, perhaps even celebrated, part of a woman's maturity. In such films as *Kick-Ass* (2010), *The Girl with the Dragon Tattoo* (2011), and *Maleficent* (2014), power, control, and danger drive the story, but traditional relationships of care bind the narrative, and even the protagonist's love interest adds to her suffering. To underscore the threat of these depictions, Oliver locates their manifestation of violent sex in the growing prevalence of campus rape, the valorization of woman's lack of consent, and the new urgency to implement affirmative consent apps and policies.

For Younger Readers, 2014

Abuse of social constructs with the help of factions in Veronica Roth's "The Divergent" Sarah Bukowski, 2022-03-07 Seminar paper from the year 2019 in the subject English Language and Literature Studies - Literature, grade: 2,7, Ernst Moritz Arndt University of Greifswald (Anglophone Literaturwissenschaft), language: English, abstract: In the following, I will show and analyze the system of the factions in *The Divergent* by Verona Roth and its abuse ruled by the

government as well as the system of the factions. I will consider how the factions interact. The relationships between and within the factions are important aspects, too. My term paper should prove that the social construct of society is abused by the government. Veronica Roth has written a trilogy of this dystopian novel. They are called firstly *The Divergent* (2011), secondly *The Insurgent* (2012) and thirdly *The Allegiant* (2013). My primary source for this paper will be the first edition *The Divergent* so that I can get more into depth while analyzing. Involving all books would exceed the frame of the paper. Moreover, I will use public journals, newspaper, and secondary literature to underline the relevance of the topic for society in recent years. I will also use the novel *The Hunger Games* (2012) written by Suzanne Collins in some cases to find similarities and differences in dystopian, young adult fiction literature. The government abuses its power to control the majority of the population in the fictional future city Chicago. Protagonist in the novel is Beatrice Prior who will take the main space for my citations and arguments in this paper. Her thoughts and actions represent the power and discipline that young adults can show, in this case in literature.
