The Bible's Awesome Number Code! Bonnie Gaunt,2000-07 Researcher Bonnie Gaunt continues her search on Gematria and Bible codes. In this book, Gaunt makes a new discovery of the numeric patterns in the Gematria of the Bible and their relationship to the 3:4:5: triangle, the earth, moon and sun, presents an exquisite display of evidence of the magnificent Author of Creation and His time-line for the blessing of man. Using the Number Code, it is found that the parable of the Good Samaritan is, in fact, a time prophecy, telling the time of Jesus' return. His miracles of healing and of turning water into wine have been encoded with evidence of the time and the work of the beginning of the great 'Third Day'. The Number Code takes us on a journey from Bethlehem to Golgotha, and into the Kingdom of Jesus Christ, the Kingdom of God and the building of the New Jerusalem.

*Behold!* Bethsheba Ashe,2023-11-28 Unlock the esoteric origins of Kabbalah to discover hidden symbolic messages in the Bible and key occult texts The art of Gematria goes far deeper than the way in which people have come to understand it today. Originating in Biblical texts, Gematria is less about the cherry-picking and comparison of numbers, but a far more beautiful and ancient art, that is crucial for biblical interpretation and occult symbolism. In this revised and expanded version of the classic book, Bethsheba Ashe tackles questions which have been asked for as long as the Bible has existed - why Adam and Eve had to leave the Garden of Eden; how Moses parted the Red Sea; whether Elijah riding the fiery chariot to heaven as real - which can all be answered all through the art of gematria, in the most advanced and thorough study of the subject ever published to date. The ciphers in the book are utilized by the Shematria Gematria Calculator, created by the author herself to assist readers as she guides you through the ancient Hebrew system. Behold can be read as both a student handbook, a history and an invaluable reference text; within its pages you will find everything needed to detect and read hidden gematria calculations. The new and expanded edition has been revised and reorganised and includes new material on the true meaning of the recently discovered Mount Ebal Curse tablet

*Gematria and Mysticism in Genesis* Akiva Gamliel Belk, Dr, Akiva Belk, 2012-09-25 Dear Ones, There are many revelations that flow out of the Hebrew Text and onto the pages of Dr. Akiva Gamliel's book, *Gematria And Mysticism In GENESIS*. The reader will be introduced to truths not discussed among the religions of the world. I invite you to watch this short video of Dr. Akiva Gamliel Belk discussing Gematria. <https://www.facebook.com/photo.php?v=10201804737095628> The cost of this book is a small investment for what the reader will learn. The Gematria in my husband's book is deep and intense, inspiring and extremely interesting. Dr. Akiva Gamliel has provided a Gematria Chart in the beginning of the book plus a glossary in the back to assist those who are not acquainted with Gematria / Biblical numbers. *Gematria And Mysticism In GENESIS* is more than just a book. It's an exploration of Biblical truths. The reader will not want to put Dr. Akiva Gamliel book down. In addition Dr. Akiva Gamliel shares additional information on B'nai Noach Torah Institute's learning Blog specifically about this book. Readers are invited to join in with comments and questions. Hebrew in the Bible unveils answers to many mysteries. The entire Bible is founded upon Genesis, Exodus, Leviticus, Numbers and Deuteronomy. The truths that flow out of these five books of the Bible and into other Books of the Bible is amazing. The conundrum is different than within the rest of the Bible. Why? There is a system of Hebrew Letters which each have a numerical value that have the power to reveal many new things to us. The numerical values can reveal many interesting and mystifying relationships within the Hebrew Letters, Words, Phrases etc. of the First Five Books. Over decades of study and research Dr. Akiva Gamliel has recorded many signs written in this book. He has gathered, compiled and organized years of discovery into this mystical book for us to learn, enjoy and share. Many years can pass between one discovery to another which forms a bridge between two discoveries. Revelations are the product of many bridges. Enclosed in this book are some of these special relationships. There is a special sweetness in sharing a Torah Gematria / Sign during a wonderful warm Friday evening Shabbat meal or on another occasion. Dr. Akiva Gamliel welcomes your study of this book at: [http://www.bnti.us/bnti\\_blog/bible-courses/gematria-and-mysticism-in-gene-1/](http://www.bnti.us/bnti_blog/bible-courses/gematria-and-mysticism-in-gene-1/) If you have any questions please contact a staff member at: [talk@bnti.us](mailto:talk@bnti.us) May our Creator Bless each of us... **The World's Sixteen Crucified Saviors** Kersey Graves, 2001-09 The World's Sixteen Crucified Saviors has been out of print but sought after for many years. A small part of it was reprinted in *The Book Your Church Doesn't Want You to Read* in 1994. Many people are unaware that before Christianity there were 15 other religions that also had a savior who died for their sins, then arose from the dead.

**Gematria Azer - A Taste of Torah from Exodus** Akiva Gamliel Belk, 2014-03-06 What is Gematria? The word Gematria is a Greek word that comes from geometry which is a branch of mathematics. Watch a Video about Gematria: <https://www.facebook.com/photo.php?v=10201804737095628> The world thinks of Hebrew Letters and numbers like they think of

letters and numbers of their own language. The world views Gematria through the eyes of geometry. This makes sense to the world. And those of us who are Jewish can see how and why the world views Gematria from this position. HOWEVER, and I MUST emphasize, Gematria is not the correct term for understanding The Letters, and Numbers of Hebrew. The correct term is Oht meaning, 'A Sign, A marvel, A Symbol. Yet even Oht does not express the entire meaning. Hebrew Letters and Numbers are also a Mystical form of revelation. Hebrew Letters and Numbers provide us with Spiritual revelation. Hebrew Letters and Numbers have the power of opening avenues that are new to us. When I use the term Gematria, this term does not explain or reveal the true meaning or intent of the Spiritual Revelations hidden in Hebrew Letters and Numbers. Hebrew is the original language of the universe. The Lord God Created the Universe with ten utterances spoken from the Hebrew language. Hebrew is separated from all other languages of the world. We call It Loshon Kodesh, the Holy Language. Within the pages of this book are Spiritual Revelations that can help us. This Mystical Phenomena is exclusive to The Words of Ha Torah. Our Creator Instructed Moshe to place The Letter Tav in front of certain HEBREW WORDS that He Desired to change the Numerical Calculation on and to Give the reader a Sign. The purpose for Giving a Sign is to indicate that this is a good place to spend time studying. There is a hidden Revelation here. Geometry and mathematical calculations and translations do not reveal what is in Loshon Kodesh! Only experienced individuals who have walked these paths look for these special Mystical signs in the Hebrew Text of The Hebrew Scriptures. This is only one example of the many signs within Loshon Kodesh. Lets say for example that the Word emphasized in Hebrew in The Torah by The Letter Tav was Law Mohd meaning 'to learn'. When the Letter Tav is placed in front of Law Mohd the meaning of the Word does not change. It still means to learn. The Gematria relationship changes from being 74 to 474. There is NO WAY for other languages to reflect the Mysticism in the translation. Hebrew Letters and Numbers are a Sign and contain many revelations. Gematria is only a small portion of what is hidden in the Letters, Numbers, Words, Phrases, etc., of The Hebrew Language. Hebrew Letters and Numbers are NOT numerology!! Hebrew Letters and Numbers are NOT geometry!! Please do not be fooled by all the discussions trying to broaden the boundaries of what The Lord God ONLY Established just among The Hebrew Letters and Numbers!! There are untold thousands upon thousands of Revelations hidden within the Letters and Numbers of Hebrew that translators are entirely oblivious too. I try to share a few of these Revelations in this book. This is why they are call Mysterious signs or Mystical revelations... They are NOT magical! The Revelations are Holy and Spiritual. The Hidden Revelations have great potential not understood by the human mind...

**The Return of the Serpents of Wisdom** Mark Amaru Pinkham,1997-09 According to ancient records, the patriarchs and founders of the early civilisations in Egypt, India, China, Peru, Mesopotamia, Britain and the Americas were colonised by the Serpents of Wisdom who arrived in these lands after abandoning their beloved homelands and crossing great seas. While

bearing names denoting snake or dragon, these Serpents of Wisdom oversaw the construction of magnificent civilisations within which they and their descendants served as the priest kings and as the enlightened heads of mystery school traditions. This book recounts the history of these 'Serpents' and why they are returning now.

GOVERNMENT AND POLITICS. SPORTS AND CELEBRITY. 369. There are 22 Images interpreted throughout 132 pages. There are a total of 9 educational tables to help illuminate the text. A HEBREW TO ENGLISH LETTER TABLE is included at the end of the book so you can learn to read Hebrew! 4 BASE CIPHERS + HEBREW GEMATRIA + SUMERIAN GEMATRIA. If the religious context Gematria descends to us from is pointing toward the synchronization of mathematics and language belonging to 'God', the master mathematician, then this knowledge indeed has power. As we age we see our true power is our choices and the intentions behind them. To do good or do evil, within the means of knowledge available to us. Certainly once one applies Gematria to the sources that attempt to play God and the events that capture the minds of masses, their ties are revealed. This offers one to look for better investment of their limited energy. For what else can one control but their intentions and then their use of Energy?
