Internet Lesbian and Gay Television Series, 1996-2014 Vincent Terrace, 2015-05-23 Created around the world and available only on the Web, internet television series are independently produced, mostly low budget shows that often feature talented but unknown performers. Typically financed through crowd-funding, they are filmed with borrowed equipment and volunteer casts and crews, and viewers find them through word of mouth or by chance. The third of five volumes on Internet TV series, this book covers 335 alphabetically arranged gay and lesbian programs, 1996-2014, giving casts, credits, story lines, episode descriptions, websites, dates and commentary. A complete index lists program titles and headings for gay, lesbian, bi-sexual, transgender and drag queen shows.
