**Make Her Moan** Seymour Hare,2015-05-30 According to his (former) girlfriend, Imonalot, Seymour Hare is the King of pussy licking and she believes many men would benefit from studying closely his knowledge, and putting these practices to work for themselves, or, rather, for their women. With Seymour, being a rather mature male, and Imoanalot, being a youthful female 25 years his junior, there is much more than just age as a difference. Yet, Imoanalot claims that she will never find another lover who can make her feel the way Seymour does. And this makes Seymour very proud, as he should be. Imoanalot has renamed Seymour the King, for even more than just the obvious reasons. The two constant questions and claims from Imoanalot are, What are your secrets? And, Are you trying to make me go completely crazy? Seymour just laughs and continues to lap and lick, suck and play with her pussy. You must understand that Seymour is one of those very rare men that truly loves to eat pussy and has a long history of driving women completely out of their minds with his job, as he puts it. According to Seymour, Bring a woman to the seventh stage of orgasm and you have got her hooked and begging for more. What is the seventh stage one may be asking oneself? Well, according to Seymour, women climb to a state of sublime and when they finally reach the seventh stage, they are in total bliss. In another world, so to speak. The major problem according to Seymour is that, Most men haven't got a clue as to how to make this happen, or they are just too lazy to get a woman to cum so many times during a love making session that most women are left in a state of disappointment and dissatisfaction. That's why many women turn to hand-held machines or - even more extreme - they may begin to have an affair outside of their main relationship.

**50 Ways to Lick Your Lover** Ken Besseder,2009-09 50 Ways to Lick Your Lover is based on a very special sexual voyage. Although K. and I had our generation's usual outrageous expectations: great sex, perpetual youth, good weed and Beatlemania forever, we had no idea that in our forties an explosion of sexuality resided within us. Nothing we had experienced previously prepared us for a shattering, all-encompassing love life. Our lovemaking sessions generated numerous multiple orgasms (sometimes up to 20 or more each time we made love) in an ascending crescendo that began when just one was achieved only with the intervention of a vibrator, bath or bidet and it grew and expanded and unfolded into something so rare and remarkable often lasting all weekend -- that we thought we should contact a sex research institute. I am sharing this story of how that happened with others in the hopes that their intimate life will be enhanced by reaching peaks they've never encountered. Couples can enjoy 50 Ways together and women should take it home to help their men become better lovers. I hope you enjoy reading it as much as I enjoyed experiencing it.
