**Escape from Atlantis** Kate O'Hearn,2021-12-14 From the author of the Pegasus series comes a spellbinding first book in a new fantasy series for fans of Rick Riordan and Shannon Messenger following two cousins whose summer vacation gets swept away by a storm that lands them on the lost island of Atlantis. The last way that Riley Evans wanted to spend spring break was studying whales on the family sailboat in the middle of the Bermuda Triangle. With only her dad, aunt, and annoying cousin Alfie for company, she is so bored staring at the waves that she's starting to see mermaids between them. But when their boat is capsized during a sudden storm, Riley finds more excitement than she bargained for as she and Alfie are washed ashore with neither of their parents in sight. Where they've been shipwrecked is no deserted island, though. Atlantis is a place beyond imagination, inhabited by both people and incredible creatures ranging from unicorns and gargoyles to talking animals. But not everyone welcomes the cousins' arrival, and beneath the wonder of this mythical land lurk dangerous secrets—something strange is happening to the inhabitants. What Riley wants more than anything is to find her father and go home. But the closer she gets to this goal, the more the islanders seem determined to keep her from reaching it. As Riley and Alfie unravel the mystery of Atlantis and its most terrifying part, the Forbidden Zone, they realize

that the clock is ticking. If they can't learn what happened to their parents and find a way off the island soon, it may be too late to leave.

**Return to Atlantis** Kate O'Hearn,2023-07-25 Riley thought she was through with Atlantis, but when the Atlanteans who came back with her (and are currently living in the basement) become gravely ill it becomes clear they must all return to Atlantis--and face the enemies they made during their escape.

War of the Realms Kate O'Hearn,2018-01-09 Freya and the Valkyries must stop a war before two worlds are destroyed in this third book of an exciting series that School Library Journal described as perfect for "those looking for Rick Riordan read-alikes." In the world of Asgard, living among Odin, Thor, and Loki, are the Valkyries of legend. They are Norse goddesses who reap the fallen souls from human battlefields and have the power to cause death with just one touch. At the end of *The Runaway*, Freya and the Valkyries were about to leave the human world when they learned that the Frost Giants, Fire Giants, and Dark Searchers had united to declare war on the Realms. Bitfrost, the legendary rainbow bridge linking the human world to Asgard, had been closed. With their only entry back to Asgard barred, how can the Valkyries get back to fight to protect their homeland? Loki claims he knows a secret route, but can they trust him? And even if they find a way—is there anything they can do to stop the war? As the War of the Realms spills over into Earth, Freya and the Valkyries must find a way to save not just the Norse world but the human world as well. With everything at stake, can Freya become the Hero she was destined to be?

*Charlie Hernández & the Phantom of Time* Ryan Calejo,2024-03-05 Inspired by Latinx folklore, legends, and myths from the Iberian Peninsula and Central and South America, this fourth book in the Charlie Hernández series follows Charlie as he travels back in time to save the Land of the Living. Charlie has received a letter from the Land of the Dead—a dire warning from his grandmother concerning his (and the rest of La Liga's) impending demise. He doesn't have much to go on, but according to the letter, a mysterious incident in the past, known only as "The Five Donkeys," set in motion an unstoppable chain of events that will culminate in the total destruction of the Land of the Living. Left with little alternative, Charlie, Violet, and Raúl enlist Esperanza's help to use forbidden calaca magic and travel back in time to the place where the trouble began: 1950s Cuba. But all they discover in the mountain rainforests of Havana is a trail of dark secrets. And the deeper they dig, the more questions they unearth, none of which help them decipher what La Mano Peluda is planning. But perhaps most alarming of all, the friends soon learn that they are not the only time travelers in town. Pursued by an unspeakable evil, Charlie and Violet must race against time to untangle the past, present, and future before the world they love vanishes into history.

Norse goddesses, reapers of souls from human battlefields—they have the power to cause death with just one touch. Freya is a Valkyrie—but she has not followed in the footsteps of the legends before her. She has been to the World of Man to befriend humans—and not to reap their souls. Now she must return to the human realm on a new quest to track down the runaway Valkyrie of legend.
