Blood Strength Loyalty FRYE, 2015-09-14 The book is a story about two brothers, Kelvin "Kels" Johnson, Jr., and Malik "Lil Ghadi" Johnson. Each of them had eager desires to follow in their father's legacy for success and power. They wanted to finish the goal their father, Kelvin "Ghadi" Johnson, Sr., started before his incarceration, as well as try to achieve the goal of getting out of the game without getting scarred like their father did. Kelvin "Ghadi" Johnson, Sr.'s name ran throughout the streets of the Eastson Neighborhood, but not even his name could stop what his sons were about to face. Murder, mayhem,

the betrayal of family and friends, to daily dealings with goons and Jackboots, who would do anything to get position in the drug trade, would soon force them to respect the rules of the game. The two boys hook up with one of their father's right-hand men, who started smoking crack once their father went to prison. He introduced them to voodoo and taught them how to take over the Eastson Neighborhood without violence being the first option. But the boys were in for more than what they bargained for. Blood, Strength, and Loyalty are costly. The Johnson Brother's better pay close attention, because The Take Over is real, and coming with a vengeance.

A Roadmap Through Early Recovery E.M. Evoli ,2024-12-26 Hello there! My name is Evoli and I am an alcoholic. This isn't my real name, but in the need to remain anonymous, I chose a name which spelled backwards is "I Love". And today, this is my mantra. I am a former drunk, puke 'n rally, and sometimes blackout bed-wetter. Frequenter of coyote ugly one-night stands who put the Ass in Class! For years I was a blackout binge drinker and at times a daily drug user. Eventually, I became a daily "functional" drinker. It worked (I thought) until it didn't. I'm a professional Interior Designer and business owner. I now know I don't need alcohol and drugs to cope with life and to have a good time. I've had more fun and created more memories in my sobriety than I ever thought possible. My sober journey has been one of immense and gradual changes in the way I approach life. I found the two most important things; a sense of belonging and purpose. Today, I don't just exist.... I Live! I Love myself! And you can too!

This is available in audiobook! It came out GREAT! Google it! Have you ever sat and talked with God and asked him what have you done to be treated so badly? Nicole Evans has spent the last year and a half of her life having this same conversation with God. Over and over. Quite honestly, Nicole has been talking so loudly in fact she isn't hearing God whisper back to her Just wait, I have a love planned for you that will surpass everything you thought you wanted. After the demise of her relationship with long-time boyfriend DonTravious

,Nicole thought God had truly blessed her the day Kendrick Taylor walked into her life, her prayers for a lasting love had been answered. Life with him was bliss until he walked out of her life without a second thought leaving her more broken and alone than she'd ever felt. Nicole resigned herself to the fact she was going to be alone. She was tired of looking for love and only being left out in the cold. She was content to mourn the love she'd lost...or rather never had with a now happily married Kendrick. Jeremiah gave his all to the woman he loved rising R&B star Mia King. He took her out of a negative living environment taking on the responsibilities of a man when he was barely into adulthood. Jeremiah even took on the responsibility of raising another man's child without a second thought. He was a man in love and as long as he had Mia and their son Jacobi, he felt like he had everything. Jeremiah was ready to conquer the world. In fact he felt he was almost at the top of the mountain when his world came crumbling down. With one fateful trip to Texas, Jeremiah soon found out that everything he thought he knew about Mia was a lie. A year and a half later, Jeremiah is richer than ever but his heart is cold. Straight savage when it came to any thoughts of love. The only purpose women served for him were to meet his physical needs. That is until one night of conducting business leads him straight into the arms of a woman he thinks is certifiably crazy. Though in the game of love a little bit of crazy may be just what you need to make your world feel sane.
