Liberalism Is a Sin Don Felix Sarda y Salvany, Dr,Don Felix Sarda Y Salvany,Conde B. Pallen,Brother Hermenegild,2013-09-29 In 1886 there appeared in Spain a little work under the title El Liberalismo es Pecado, Liberalism Is a Sin, by Don Felix Sarda y Salvany, a priest of Barcelona and editor of a journal called La Revista Popular. The book excited considerable commotion. It was vigorously assailed by the Liberals. A Spanish Bishop of a Liberal turn instigated an answer to Dr. Sarda's work by way of another Spanish priest. Both books were sent to Rome, praying the Sacred Congregation of the Index to put Dr. Sarda's work under the ban. The following letter, under date of January 10, 1887, from the Sacred Congregation itself, explains the result of its consideration of the two volumes: Most Excellent Sir: The Sacred Congregation of the Index has received the denunciation of the little work bearing the title El Liberalismo es Pecado by Don Felix Sarda y Salvany, a priest of your diocese; the denunciation was accompanied at the same time by another little work, entitled El Proceso del Integrisimo, that is, A refutation of the errors contained in the little work El Liberalismo es Pecado. The author of the second work is D. de Pazos, a canon of the diocese of Vich. Whereupon, the Sacred Congregation has carefully examined both works and decided as follows: In the first, not only is nothing found contrary to sound doctrine, but its author, D. Felix Sarda, merits great praise for his exposition and defense of the sound doctrine therein set forth with solidity, order and lucidity, and without personal offense to anyone. The same judgment, however, cannot be passed on the other work, that by D. de Pazos, for in matter it needs corrections. Moreover, his injurious manner of speaking cannot be approved, for he inveighs rather against the person of D. Sarda than against the latter's supposed errors. Therefore, the Sacred Congregation has commanded D. de Pazos, admonished by his own Bishop, to withdraw his book, as far as he can, from circulation, and in the future, if any discussion of the subject should arise, to abstain from all expressions personally injurious, according to the precept of true Christian charity; and this all the more since Our Holy Father, Leo XIII, whereas he urgently recommends castigation of error, neither desires nor approves expressions personally injurious, especially when directed against those who are eminent for their doctrine and their piety. In communicating to you this order of the Sacred Congregation of the Index, that you may be able to make it known to the illustrious priest of your diocese, D. Sarda, for his peace of mind, I pray God to grant you all happiness and prosperity, and subscribe myself with great respect, Your most obedient servant, FR. JEROME SECHERI, O.P. Secretary of the Sacred Congregation Of the Index. To The Most Rev. Jacobo Catala et Alboso,

Bishop of Barcelona. The following short chapters on Liberalism are mainly and substantially Dr. Sarda's book, put into English, and adapted to our American conditions. Their need and their use will be best understood and appreciated by their perusal.

Christian Political Theology in an Age of Discontent Jonathan Cole, 2019-05-16 At a moment in which interest in political theology is rising, acceptance of a public role for religion is declining, and cynicism regarding both political and religious institutions is overflowing, this book investigates the possibilities and constraints of a Christian political theology that can meaningfully mediate Scripture, doctrine, and political reality. In critical dialogue with political theologians and political philosophers past and present, we explore the origins, meaning, and purpose of Christian political theology in an age of growing discontent with the once-impregnable liberal democratic order of yesteryear. Approaching politics as both art and science, this book lays a challenge at the feet of political theologians to offer a theological account of politics that is genuinely illuminating of political reality and efficacious for the faithful who seek to operate within it.

Isaiah Berlin's Cold War Liberalism Jan-Werner Müller, 2019-01-21 This book offers a succinct re-examination of Berlin's Cold War liberalism, at a time when many observers worry about the emergence of a new Cold War. Two chapters look closely at Berlin's liberalism in a Cold War context, one carefully analyses whether Berlin was offering a universal political theory - and argues that he did indeed (already at the time of the Cold War there were worries that Berlin was a kind of relativist). It will be of value for scholars of the cold war and of security issues in contemporary Asia, as well as students of history and philosophy.

Liberalism Is A Sin Fr. Felix Sarda Salvany, 1993-06 Refutes every aspect of the deadly error that one religion is as good as another and that a person has a moral right to choose whichever religion suits him best. Cuts through the foggy religious thinking rampant today!
