Thinking Through Breast Cancer Mary Ann G. Cutter,2018-03-06 Anyone who has been diagnosed with breast cancer or knows someone who has been diagnosed with breast cancer recognizes that cancer raises a host of questions concerning its nature and how we treat it. Such questions frame the difficult decisions that patients must make about their treatment and care. *Thinking Through Breast Cancer* is a philosophical investigation of how breast cancer is described, explained, evaluated, and socialized in medicine. Written by a breast cancer survivor, the book interweaves personal experience with a systematic breakdown of key and highly pertinent philosophical concepts, and brings to light insights that emerge in metaphysics, epistemology, ethics, social and political philosophy, and bioethics. Further, it is an investigation of the ethical implications of understanding breast cancer. Cutter seamlessly combines clinical information with philosophical analysis and makes recommendations as to how we can navigate the complex and, at times, uncertain terrain of breast cancer knowledge and care. In this way, the book is not simply a survey of what we know about breast cancer, but a personal search for guidance about navigating the complex, confusing, and frightening terrain of breast cancer diagnosis, treatment, and survival.

Art, Gender, and Sexuality Philip Martin-Clark,2000 This study opens up new avenues of inquiry into the work of Luis Cernuda. It analyses the representation of aesthetics, gender, and sexuality in his last four books of poetry by drawing on work in aesthetics, feminism, gay/lesbian studies, and psychoanalysis. The central concern is to examine the terms in which Cernuda represents particular identities, including the poet's identity, masculinity, femininity, and male homosexuality. The

study explores Cernuda's creation of a collective mythology of freedom to change contemporary Spanish culture and examines his many-sided portrayal of gender, including the potential of women's identity to disrupt masculinity. It also discusses male homosexuality through the lenses of perversion and self-shattering.
