Backbone Karen Duffy, 2017-11-07 An inspirational, powerful, and funny manual for coping and living with devastating pain. For two decades, Karen Duffy —New York Times bestselling author, former MTV VJ, Revlon model, and actress— has managed to live an enriching life despite living in a state of constant pain. Duffy has sarcoidosis, a disorder that causes the growth of inflammatory cells on different organs of the body. In her case, her sarcoidosis is located in her brain, causing her unimaginable pain. In this powerful, inspirational, funny, and important manual for surviving pain, Duffy draws on her experience as a patient advocate, certified recreational therapist, and hospital chaplain to illuminate gratifying methods people can use to cope with chronic pain and reinforces the sentiment that circumstances determine our lives, but we shape our lives by what we make of circumstances (Sir John Wheeler Bennet). More than one-third of the US population—nearly 113 million Americans—is currently living with chronic pain, while another 133 million Americans live with some form of chronic illness. Half of the US population lives with the challenges of these invisible illnesses where their symptoms are not always obvious to the casual observer. Addressing a country ravaged by both chronic pain and opioid addiction, Backbone offers a salve of self-sufficiency, spunk, and perseverance. With a light tone, deft wordplay, and interactive gems such as the Bill Murray Pain Scale, Mastectomy Paper Dolls, and a crown to wear just for getting out of bed, Duffy's serious—and seriously funny—book is for the massive population living with chronic pain who are eager to be understood and helped, and sends the message that despite the pain, there is a way to a good life.

Thank Thee, O God, for a Prophet, White Christmas (song), Winter Wonderland. Excerpt: Amazing Grace is a Christian hymn with words written by the English poet and clergyman John Newton (1725-1807), published in 1779. Containing a message that forgiveness and redemption are possible regardless of sins committed and that the soul can be delivered from despair through the mercy of God, Amazing Grace is one of the most recognizable songs in the English-speaking world. Newton wrote the words from personal experience. He grew up without any particular religious conviction, but his life's path was formed by a variety of twists and coincidences that were often put into motion by his recalcitrant insubordination. He was pressed into the Royal Navy, and after leaving the service became involved in the Atlantic slave trade. In 1748, a violent storm battered his vessel so severely that he called out to God for mercy, a moment that marked his spiritual conversion. However, he...

*Songs I Love to Sing* Edith L. Blumhofer, 2023-08-01 Learn the surprising history shared by some of today's most popular hymns. How did "How Great Thou Art," an obscure Swedish hymn, get covered by Elvis? How did "Just as I Am" save Johnny Cash? How did dc Talk sanctify '90s pop rock? In short: the Billy Graham crusades. Music animated these evangelistic extravaganzas, all of it carefully orchestrated by the "chord of three": celebrated preacher Billy Graham, Gospel Music Hall of Fame baritone George Beverly Shea, and choral conductor and emcee Clifford Barrows. And the crusades went on to change the larger face of American music, influencing iconic popular artists in the second half of the twentieth century. The crusade songbook also took root in churches, its use spreading beyond evangelical soil into mainline Protestant and Catholic congregations. In *Songs I Love to Sing*, Edith L. Blumhofer narrates the "biographies" of some of the most beloved songs in modern hymnody with verve and affection. Move beyond mere nostalgia. Discover the fascinating stories behind the soundtrack of American Christianity.

**Sermons on the First Readings: Cycle B** Mary S. Lautensleger, Schuyler Rhodes, Ron Lavin, Stan Purdum, 2005 The Old Testament details the epic faith story of ancient people who, just like us today, seek God's answers to complex problems. Yet because pastors sometimes overlook this rich source of preaching texts, many people in the pews are not fully aware of the Hebrew Scriptures and their profound lessons for modern living. In this inspiring collection of spiritually enlightening messages based on the First Readings from Cycle B of the Revised Common Lectionary, four master preachers insightfully demonstrate the continuing relevance of passages from the Old Testament and the book of Acts. Building on stories in which God moves ordinary people to extraordinary heights, these sermons powerfully proclaim timeless themes of justice and righteousness while reminding us that God's grace is the model for the Christian community's core values of self-giving love and forgiveness. Each thought-provoking message is filled with compelling stories and illustrations from everyday life, and challenges readers to love and serve the Lord, trusting in divine providence even in the midst of a world that sometimes

seems cruel and senseless. This essential resource is useful for: - Fresh homiletical approaches to the lectionary texts - Preaching illustrations - Understanding scripture passages - Bible study and discussion groups - Personal devotions and inspirational reading
