**William Gibson's "Neuromancer"** Graham J. Murphy, 2024-06-30 William Gibson's *Neuromancer*: A Critical Companion presents Gibson's rise as an influential figure within and beyond the science fiction field. Gibson's success with *Neuromancer*, the first novel to win the Hugo Award, Nebula Award, and Philip K. Dick Award, is in part a direct result of the rising popularity of cyberpunk in the early- to mid-1980s, although it could just as easily be said cyberpunk's success was in no small part a direct result of *Neuromancer's* explosion onto the science fiction scene. *Neuromancer's* ongoing relevance remains undiminished because we are effectively living in a technocultural age that is increasingly difficult to distinguish from Gibson's novel. As Graham J. Murphy demonstrates in this companion, the novel remains instrumental in thinking through the ongoing explorations of the posthuman: transhumanism, the Utopia/Anti-Utopia dynamic, and capitalist realism, to name a few of the more significant critical vehicles with which to better understand and contextualize our technocultural age and *Neuromancer's* role in both shaping it and responding to it. This book provides a critical introduction to *Neuromancer* and cyberpunk culture.

**Women in Medicine in the Long Nineteenth Century** Claire Brock, 2024-07-31 As an exciting, challenging, and for some, repulsive, novelty and phenomenon, the medical woman was fictionalised swiftly in the second half of the nineteenth century. This volume reproduces literary examples which explore the many facets of women's entry into the medical profession, and their experiences once qualified. This volume broadens literary and cultural understanding of female doctors through the selection of sources which are less well-known or more difficult to find, as well as considering global examples or contexts. By including sources which reveal both supportive and derogatory assessments, and by male and female authors, a wide range of opinions regarding women's efficacy as medical practitioners are considered. Accompanied by extensive editorial commentary, this title will be of great interest to students of Women's History and the History of Medicine.

**Reproductive Justice, Adoption, and Foster Care** Tanya Saroj Bakhru, Krista L. Benson, 2024-02-26 Understanding practices of family separation and child removal necessitates considering the impacts of globalizing capitalism, colonialism, empire building and the establishment and normalization of systemic racism. In *Reproductive Justice, Adoption, and Foster Care*, the authors situate the colonial legacies of family separation, what it means to center the right parent, and *Reproductive Justice* and transnational feminist frameworks in conversation with one another in order to elucidate a more

nuanced and comprehensive approach to recognizing the significance of contemporary examples of family separation. In doing so, the book showcases the connections between adoption and foster care within the intellectual and activist frameworks of human rights, Critical Adoption Studies, Reproductive Justice, and transnational feminisms. Epistemologically, Reproductive Justice and transnational feminisms meet at the point where both consider and interrogate globalizing capitalism, neoliberal economic and political ideologies, and the ways that various people—mostly people of color, poor people, women, children, and Indigenous people—are considered disposable. Critical Adoption Studies also importantly highlights the ways that adoption and foster care function as forms of family formation and as mechanisms of globalizing capitalism and state formation. Thus, it is critical that any exploration of the reproductive experiences of marginalized individuals interrogate and complicate notions of “choice” to advocate for justice. Reproductive Justice, Adoption, and Foster Care will be of interest to students of sociology, psychology, and social work, as well as scholars, activists, policymakers, and adoption and foster care practitioners.

**My Happy Marriage, Vol. 5 (light novel)** Akumi Agitogi, 2023-10-17 LOVE AT A CROSSROADS... Though Miyo managed to escape Usui after Kiyoka came to her aid, the Gifted Communion continues to gain power and influence across Japan. Foreseeing that Usui and his organization will make another attempt to capture Miyo, Crown Prince Takaihito proposes that she and Kiyoka shelter with him in the Imperial Palace. But as Miyo adjusts to her new surroundings, she is taken aback by her feelings for Kiyoka, which have only intensified since her rescue. Caught between the fear of changing a relationship that already brings her happiness and the desire to express genuine love for her fiancé, Miyo wavers over finally opening up to Kiyoka...

Wand Landra Jennings, 2023-10-31 A dazzling story of grief and found family wrapped in a spellbinding fairy tale, perfect for fans of Anne Ursu and Jodi Lynn Anderson. Eleven-year-old Mira wishes everything could go back to the way it was. Before she changed schools and had to quit gymnastics. Especially before Papa died. Now she spends her days cooking and cleaning for her stepsisters and Val—who she still won’t call mom and still won’t forgive for the terrible thing she did. When a mysterious girl named Lyndame appears out of the woods wielding a powerful wand, she makes Mira an offer she can’t refuse: she will grant Mira three wishes. What if magic isn’t just pretend after all? What if these wishes could fix everything? But in the quiet town of Between, Georgia, where secrets lurk and rumors swirl of strange creatures, nothing is as it seems, and everything comes at a price. Rising talent Landra Jennings weaves together an enchanting, modern fairy tale with eloquence and compassion about finding hope after loss—and finding belonging in the places we least expect.

*The Deer King, Vol. 1 (novel)* Nahoko Uehashi, 2023-10-03 Van, a former soldier made slave, toils away endlessly in a salt mine. An unexpected chance at liberation drops in his lap when a pack of infected dogs passes through, killing everyone but him and a young girl he names Yuna. Van hopes to make a peaceful life for them both now that they’ve escaped. However,

the disease that cleared out the mine begins to spread, endangering the nation and placing Van and his ward at the center of a conflict greater than any the world has ever seen. Thus begins a tale of ecosystems, viruses, and cultural relations.

**Date A Live, Vol. 10 (light novel)** Koushi Tachibana, 2023-10-24 Fate is a tricky thing...Five years ago, a Spirit killed Origami Tobiichi's parents. Holding a grudge that has only grown since then, Origami turns to DEM in hopes of becoming powerful enough to enact her revenge by killing every last Spirit. Shido can see that this is guaranteed to lead her down a path of death and destruction, so he's ready to do whatever it takes to stop Origami's plans to attack Tohka and the others. But what if there was a chance to turn back the clock and potentially undo everything...?

*The Holy Grail of Eris, Vol. 4 (light novel)* Kujira Tokiwa, 2023-10-24 NEW FRIENDS AND OLD SECRETS Lucia O'Brian is heading to the Republic of Soldita to visit a friend, and Connie, Randolph, and a certain glamorous ghost wind up coming along for the ride. At first, Scarlett doesn't think much of the idea, but that all changes once she learns their destination—the island of El Sol, where her mother once told her the starry crown of Cornelia Faris lies hidden. But there's more to this treasure hunt than meets the eye and plenty of trouble waiting for Connie and Scarlett across the sea!

Fanfiction as Queer Healing Alice M. Chapman-Kelly, 2024-10-31 Exploring the phenomenon of Femslash fanfiction (fan narratives that bring together heterosexual female characters from mainstream media and fiction), this book analyses fan-authored works as forms of literature worthy of studying at length. It examines the anti-racist, feminist, sapphic fan works produced in response to white supremacist, heteronormative, queerbaiting mainstream fantasy and argues that they represent a significant site of queer healing for marginalised audience members. Focusing on the 'Swan Queen' fandom, where fans pair the 'white trash' heroine, Emma Swan and the villainous Latina Evil Queen (Regina Mills) from ABC's hit show *Once Upon a Time*, Alice Kelly redresses the widespread academic neglect of queer female fandoms and responds to urgent calls to diversify fan and fantasy scholarship. With reference to complex theoretical subjects such as ethnography, sociology, psychology and decolonial, queer, film and media studies, the book also delves into the alternative timescales on which queer female and genderqueer fan authorship runs; offers intriguing insights into fanfiction narrative structures; and tackles the issues of broader fandom representation and contextualization. Making the case that fan texts deserve attention in the academy, Kelly shows how some of the most prolific fan works have the ability to enact colour reparation and a reclamation of memory, fantasy, romance, maternity, childhood, parenting and magic. These fictions serve fan communities as a whole through intersectional challenges to the power dynamics of the source text and within the fandom itself and, as the book demonstrates, offer attendant validation to fantasy fans who have been repeatedly told that the genre is not for them.

**Combatants Will Be Dispatched!, Vol. 7 (light novel)** Natsume Akatsuki, 2023-10-24 GUESS WHO'S COMING TO VISIT?! Ever since the Demon Lord Viper's defeat and subsequent recruitment, Combat Agent Six, Alice, and the rest of the

crew have been living it up on their intergalactic home away from home. But ushering in an age of peace isn't the best look for an evil organization... So when Supreme Leader Belial pays the planet a surprise visit, she quickly takes it upon herself to remind Six and the gang what they're all about. There's no room for diplomacy when the Great Flame gets involved! It's shoot first and ask questions later!

**Re:ZERO -Starting Life in Another World-, Vol. 23 (light novel)** Tappei Nagatsuki, 2023-10-24 RESTARTING IN A NEW WORLD—AGAIN?! Subaru Natsuki is an unremarkable high school boy who lives an unremarkable life in Japan. Of course, all that's about to change now that he's woken up in a fantasy world for the first time! There's something strange about this, though. Everyone seems to already know him, and for some reason, they're all expecting him to figure out how to overcome the challenges of this weird tower. Who is this fantastical hero they all see when they look at him, and why does he sound nothing like boring old Subaru?

**The Ephemeral Scenes of Setsuna's Journey, Vol. 2 (light novel)** Rokusyou • Rokusyou • Usuasagi, 2023-10-24 EVERY FAMILY IS UNIQUE Setsuna continues his journey with his apprentice Alto in tow. Along the way, Alto experiences a host of new feelings toward Setsuna—from doubt to envy to love—as their teacher-pupil relationship evolves. But the pair's bond is put to the test when Setsuna is attacked by two beastfolk who mistake him for a slave trader and attempt to separate them. Still, this is but one more trial they will have to overcome as Setsuna and Alto happen upon a mysterious woman in a cave and they begin to consider what it means to be family...

**If the Villainess and Villain Met and Fell in Love, Vol. 1 (light novel)** Harunadon, 2023-10-17 SOMETIMES FIRE AND ICE ARE PERFECT FOR EACH OTHER. Brigitte Meidell belongs to a noble family, which means high expectations were placed upon her spirit contract. However, her bonded spirit turned out to be a weak no-name, and ever since, she has been a source of shame to her family. She thought her engagement to the prince would turn her life around, but when he publicly breaks off their relationship, she finds herself alone again. After her haughty, villainous behavior as the prince's bride-to-be, no one shows her much sympathy—except for the duke's son Yuri, who attends the same magic academy. Yuri is feared for his incredible abilities and icy personality, but with him on her side, her fortunes might have changed...

**The Leftover Woman** Jean Kwok, 2023-10-10 Recommended by The New York Times • Elle • Good Morning America • TIME • People • New York Post • Real Simple • Goodreads • LibraryReads • and many more! An evocative family drama and a riveting mystery about the ferocious pull of motherhood for two very different women—from the New York Times bestselling author of *Searching for Sylvie* and *Girl in Translation*. Intriguing. . . Kwok is a skilled writer of suspenseful family drama. . . . We root for Jasmine and Rebecca as they face impossible choices and emerge stronger for all the battles they've fought, always resisting becoming the 'leftover' women." —Leigh Haber, New York Times Book Review Jasmine Yang arrives in New York City from her rural Chinese village without money or family support, fleeing a controlling husband, on a

desperate search for the daughter who was taken from her at birth—another female casualty of China’s controversial One Child Policy. But with her husband on her trail, the clock is ticking, and she’s forced to make increasingly risky decisions if she ever hopes to be reunited with her daughter. Meanwhile, publishing executive Rebecca Whitney seems to have it all: a prestigious family name and the wealth that comes with it, a high-powered career, a beautiful home, a handsome husband, and an adopted Chinese daughter she adores. She’s even hired a nanny to help her balance the demands of being a working wife and mother. But when an industry scandal threatens to jeopardize not only Rebecca’s job but her marriage, this perfect world begins to crumble and her role in her own family is called into question. The Leftover Woman finds these two unforgettable women on a shocking collision course. Twisting and suspenseful and surprisingly poignant, it’s a profound exploration of identity and belonging, motherhood and family. It is a story of two women in a divided city—separated by severe economic and cultural differences yet bound by a deep emotional connection to a child. “A magnetic meditation on secret histories, motherhood, love, and how we show up for each other in the most surprising of ways. A beautiful, propulsive story!” — Laura Dave, #1 New York Times bestselling author of *The Last Thing He Told Me* A heart-tugging exploration of love, belonging, and the meaning of family. — Ruth Ware, #1 New York Times bestselling author of *The It Girl*

**The Twelve Dogs of Christmas** Susan Wiggs, 2023-10-17 Don't miss this charming Christmas tale of thawing hearts,

escaping dogs, and finding home. I couldn't help digging into this book with both paws. --Debbie Macomber, #1 New York Times bestselling author of *Must Love Flowers* The ultimate holiday gift from New York Times bestselling author Susan Wiggs: a delightful novel about a Christmas transport of rescue puppies that's guaranteed to warm readers' hearts. Brenda Malloy wants nothing to do with Christmas ever again. Last year, Brenda and her husband rushed their beloved dog Tim to the emergency vet on Christmas eve. The good news: Tim survived after the vet cleared the obstruction--a pair of women's lace undies. The bad news: the undies were not Brenda's. A year after the breakup, Brenda has put her life back together. She's trained for a marathon, is writing a children's novel, and she's found purpose and healing as a volunteer with a dog rescue organization in Houston, Texas. The rescue partners with a program in Avalon, New York--a small, snowy town deep in the Catskills. Now Brenda is arranging the transport of rescued dogs from Houston to Avalon—just in time for a merry Christmas with their forever families. Brenda's friends worry about her driving a van two thousand miles with twelve dogs in crates, but she shrugs off their concern. How hard can it be? She knows the way, and she's just looking to escape the Christmas overload for a while. But a blinding snowstorm, an escaped mutt, and a life-saving encounter with Adam Bellamy—a single dad and paramedic—means Brenda has to stay in Avalon longer than she planned. As she drops off each precious pup at their new homes, some of the comfort and joy of the season begins to creep up on Brenda despite her determination to avoid the holidays. Perhaps you can bring Christmas into your heart after all...if you have the right furry friends to guide the way. A touching holiday read Perfect for fans of uplifting winter romances A delightful Christmas gift

## **New Fiction October 2023 Introduction**

In today's digital age, the availability of New Fiction October 2023 books and manuals for download has

revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of New Fiction October 2023 books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of New Fiction October 2023 books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing New Fiction October 2023 versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, New Fiction October 2023 books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a

vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing New Fiction October 2023 books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project

Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for New Fiction October 2023 books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast

collection of digitized books and historical documents. In conclusion, New Fiction October 2023 books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of New Fiction October 2023 books and manuals for download and embark on your journey of knowledge?
