5-Minute Selling Alex Goldfayn, 2020-08-26 WALL STREET JOURNAL BESTSELLER Add 50% to 100% to Your Sales In 5 Minutes Per Day 5-Minute Selling presents a proven, simple process that can double your sales, even if you don't have time for an elaborate new sales system. When you spend your days scrambling to take orders and resolving customer issues, there is little time for new sales techniques. This book is for you. In 5-Minute Selling, Alex Goldfayn describes how thousands of his clients and workshop attendees have generated dramatic annual sales growth with short bursts of action throughout the day.

With three-second efforts throughout the day, you can add 50 to 100% to your sales. The techniques in this book are simple but powerful: You'll learn the power of picking up the phone proactively to call customers and prospects when nothing is wrong, because almost nobody does this. You'll get approaches for offering customers additional products and services and asking about what else they are buying elsewhere because almost nobody does this either. You'll also learn about the low-tech but incredibly effective singular impact of the hand-written note. In short, 5-Minute Selling is about showing customers and prospects that we care about them more than our competition does with simple, repeated, lightning-fast, high-value, consistent communications. Don't Read This Book, DO THIS BOOK: 5-Minute Selling lays out a Two-Week Challenge for you to implement in your sales work. Follow the detailed process for five minutes per day, for 10 working days (less than one total hour of time), and, like thousands before you, you will begin to see dramatic improvements in your sales growth.

Margaret Atwood Shannon Hengen, Ashley Thomson, 2007-05-22 Authors Shannon Hengen and Ashley Thomson have assembled a reference guide that covers all of the works written by the acclaimed Canadian author Margaret Atwood since 1988, including her novels *Cat's Eye*, *The Robber Bride*, *Alias Grace*, and the 2000 Booker Prize winner, *The Blind Assassin*. Rather than just including Atwood's books, this guide includes all of Atwood's works, including articles, short stories, letters, and individual poetry. Adaptations of Atwood's works are also included, as are some of her more public quotations. Secondary entries (i.e. interviews, scholarly resources, and reviews) are first sorted by type, and then arranged alphabetically by author, to allow greater ease of navigation. The individual chapters are organized chronologically, with each subdivided into seven categories: Atwood's Works, Adaptations, Quotations, Interviews, Scholarly Resources, Reviews of Atwood's Works, and Reviews of Adaptations of Atwood's Works. The book also includes a chapter entitled Atwood on the Web, as well as extensive author and subject indexes. This new bibliography significantly enhances access to Atwood material, a feature that will be welcomed by university, public, and school librarians. *Margaret Atwood: A Reference Guide 1988-2005* will appeal not only to Atwood scholars, but to students and fans of one of Canada's greatest writers.
