There Is Life After A Death Rev. Cindy Phillips, 2025-05-15 As the title states: "There is LIFE after A DEATH. Learning from and Leaning into Life's Losses (including weight loss)". I'm not just talking about life after death when one goes to heaven but about life after A death here on earth. I talk about all different kinds of deaths. This is not just a physical death.

There are many other deaths or losses in our lives such as the death of a dream, health, marriage, empty nest, job, youth, finances, weight, divorce and unspeakable deaths just to highlight a few. I share with my readers the deaths I've experienced during my life time and how God has taken those experiences and used them for His glory. Each loss I experienced was a brick that formed a foundation for my biggest loss, the death of my husband of almost 45 years. In the chapters I include scriptures, stories to illustrate what we go through and practical applications. At the end of each chapter there will be a TAKEAWAY. This is an unusual book in that it is a conversation with my readers. It's real life, where the rubber meets the road.
