See Jane Run David E. Campbell,Christina Wolbrecht,2025-04-11 The definitive analysis of how the presence of women politicians affects young people. From Kamala Harris to Nikki Haley, women in public life are widely expected to inspire young people, especially girls, to follow in their footsteps. See Jane Run provides the definitive analysis of women politicians as role models. With wide-ranging data and attention to gender, race, and party, David E. Campbell and Christina Wolbrecht find that women in politics help convince young people, regardless of gender, that women are capable of political leadership. For young women, women role models enhance faith in democracy and inspire political engagement, including running for office themselves. As role models, women politicians help ensure a more inclusive democracy.

Sjr Legacy Reims,2011-10-01 After a chance meeting at a grocery store, Legacy Reims is swept into a woman's horrible past as the victim of a serial rapist and murderer. Legacy listens intently as Jane reveals the story of her long-term torture and the existence of letters written to her by her attacker, Tom Laughlin, that tell of other victims he had collected along the way. Legacy is intrigued. When Jane hears the news that Tom is locked up tight and facing death, she asks Legacy, an aspiring author, to document and produce a book retelling the entire terrible ordeal. Legacy learns that some of the cases Tom chronicles are still unsolved. Though Legacy must face her own fears, she embarks on a quest to uncover the truth. Where will Legacy's journey take her? What dangers lurk in her future? Will Legacy be able to overcome the nightmarish stories Jane tells her, and follow Tom's path of destruction to a place of closure and serenity?

Women Who Run Shanti Sosienski,2010-01-08 Women run for all kinds of reasons. We run for health, to ease tension, for strength, to challenge ourselves, to be social with friends, as professional athletes or the dream of being one, to turn our minds on, and to turn them off. Whether running a marathon, taking a quick jog around the neighborhood, or trying to reach the top of Pikes Peak, women of all ages and abilities have discovered running. In *Women Who Run* a wide range of women, including Olympians, marathoners, ultra runners, young track phenoms, and recreational runners, talk about why they run, what drives them, and what continues to spark their interest in the sport. *Women Who Run* features Bobbi Gibb, the first woman to run the Boston Marathon; Louise Cooper, breast cancer survivor and finisher of the grueling 135-mile Badwater Marathon; Kristin Armstrong, who found solace and camaraderie in running with other women post-divorce; Olympic runner and two-time LA Marathon winner and Kenyan Lornah Kiplagat, Wall Street Journal reporter and Muslim women's activist, Asra Nomani; Pam Reed who ran 300-miles in one run—and many more. This book will inspire and motivate you to get off the couch and find your inner runner.

See Jane Run Janie Williams -Brown,2015-04-24 *See Jane Run* is filled with sound advice and heart-warming, personal tales. Disturbance Ivy Alvarez, 2013-10-14 *Disturbance* is a novel in verse by Ivy Alvarez that chronicles a multiple homicide, a tragic case of domestic violence, where a family was gunned down by the husband and father. The book features poems in a kaleidoscope of voices from all the characters involved. We first meet the family itself and witness how the father's controlling attitude gradually escalates into violence. Then we get the aftermath: the authorities, police and neighbours, who all might have helped to prevent this tragedy. This is a very dark book, but a courageous one, ultimately about evil and its presence in our everyday lives. The fact that this family was relatively well-to-do, seemingly prosperous and well-connected, adds another layer of intrigue and mystery. There is some graphic violence, but the emphasis is on the characters and their motivations. This masterpiece of brutality veined with tenderness will skewer you to its pages. A tour de force - utterly original and brave. - Sally Spedding *Disturbance* is a precise, pained, and wondrous book. - Teju Cole
