Searching for the Spirit of the West Luigi Morelli,2023-05-29 How can the West rediscover its authentic spirit?

Exploring the period from 1899 to 1945 - from the end of the US frontier and the writing of *The Wonderful Wizard of Oz* to the conclusion of World War II and the dropping of the atom bomb - Luigi Morelli traces the events that led the United States to become the world's dominating imperial force. America, he demonstrates, is deeply connected to Britain, Germany and Eastern Europe, particularly Russia. Yet despite their tragic collective histories, there is hope for the future - if only America can claim its true task. *Searching for the Spirit of the West* challenges many of the falsehoods that pass for mainstream history. Utilizing a wealth of documented evidence from the research of overlooked historians, economists, social and spiritual thinkers, the author takes a symptomatic view of the past, revealing hidden, longer-term trends. This approach offers a new understanding of events such as the rise of Nazism, the Great Depression, the new Deal, and even the roles of banking and clandestine 'brotherhoods' in world history. Morelli also appraises *The Wonderful Wizard of Oz* in parallel with America's cultural achievements. Through imagination, L. Frank Baum's contemporary fairy-tale enables us to intuit the true mission of the West and its potential contribution to world culture, now and in the future.

The One and the Many Nicholas Hagger,1999 This work questions the tradition of philosophy since 1910, when promising developments were obliterated by damaging materialistic philosophy, and through Universalism offers a way forward for contemporary philosophy. The book is divided into three parts: Part I outlines the metaphysical universe and challenges the materialistic outlook; Part II redefines the place of Universalism in philosophy, challenges philosophy since 1910 and approaches a theory of everything; and Part III challenges secular culture.

Babylon Or Jerusalem? Jan Willem Van der Hoeven, 1993 Reflects on two cities discussed in the Bible: Babylon - representing the efforts and achievements of man, rejection of God, and materialism - and Jerusalem, representing God's intervention and salvation, holiness and righteousness. Ch. 8 (p. 81-106), *The Time of Jacob's Trouble*, describes troubles which befell the people of Israel from the destruction of the Temple to the Holocaust. States that God has not rejected His people: the message of God's love is Zionism, the movement for return to the Land of Israel. Indeed, those Jews who heard this message and came to the Land were spared from the Nazi genocide. Ch. 11 (p. 131-146), *Why Israel Is Hated*, discusses Arabs' and Muslims' hatred of the State of Israel. Contends that this hatred is inspired not only by the question of the land, but is deeply rooted in the ideology of Islam, and is essentially a hatred of the Jews. The main goal of Arab movements which have engaged in fighting Israel, and of the wars of the bordering Arab states with Israel, was not to regain their lost territories but to eliminate the State of Israel from the map.

Alice in Wonderland and the World Trade Center Disaster David Icke, 2002 Since the horrendous day of September 11th 2001, the people of the world have been told the Big Lie. The official story of what happened on 9/11 is a fantasy of untruth, manipulation, contradiction and anomaly. David Icke has spent well over a decade uncovering the force that was really behind those attacks and has travelled to 40 countries in pursuit of the truth. He has exposed their personnel, methods and agenda in a series of books and videos.

Liberalism W. A. Borst, 1999 An indictment of American liberalism. Liberalism is a warning of what liberalism has done to us and is for anyone concerned about the decline in American standards, morals and values by providing arguments, ideas, reasons and information about the nefarious effects that liberalism has had on America. The author explores all aspects of liberalism. Bill Borst is a passionate friend of the unborn, who discerns and exposes the hypocrisy of those who advocate a seamless garment, in which they clothe their contempt for many of God's commandments. --and the Truth Shall Set You Free David Icke, 1996 David Icke exposes what he says is the real story behind global events which shape the future of human existence.

Cheque Mate Jeffrey A. Baker, 1993 Author Jeffrey A. Baker contends that there is a plan for a one-world government,

and the evidence he presents is compelling. Baker not only cites names, places, and dates, he also reveals the game these princes of power and intrigue are playing in order to establish a New World Order. You'll learn how this select group is working behind the scenes, using you, your job, the economy, the political system, and the future of America as pawns in their global game. Time is running out. The question is not can we stop them; the question is will we? There is only one way, and that's what *Cheque Mate: The Game of Princes* is all about.

The Activist's Almanac David Walls, 1993 In the tradition of *The 100 Best Companies to Work for in America*, here are comprehensive profiles of organizations dedicated to shaping policy and effecting change in our country. Walls concentrates on nonprofit, public-supported organizations of national scope and cuts through the barrage of appeals, claims, and counterclaims by various organizations to offer solid information about 105 diverse groups.
