The Pleasure Trap Elizabeth Thornton, 2007-07-31 From nationally bestselling author Elizabeth Thornton comes the sinfully seductive, delightfully romantic story of a woman who discovers a most thrilling type of pursuit. . . . After years of heroism in the fight against the French, Ash Denison wants nothing more than to savor the good life. But an urgent request has sent him to a writer's symposium. His charge: to unmask an author who has rattled several members of the town by revealing their most intimate, most scandalous secrets. Not one to be left out, when Ash encounters a bold, beautiful,

irresistibly aloof woman writer, he can't help stirring up some gossip of his own. . . . Much to Eve Dearing's surprise, Ash is far from the well-mannered gentleman she's heard about. In fact, he's shockingly brash and has taken an inexplicable interest in manhandling her at every turn. Yet something about his searing embrace makes her forgive his wicked behavior—and succumb to his dangerous seduction. And when a fellow writer is brutally attacked and Eve becomes the killer's next target, Ash surprises her once more by vowing not only to keep her safe . . . but to win her heart.

The Pleasure Trap Niobia Bryant,2014-10-28 A top escort and master of seduction find himself at the mercy of a mysterious woman in this novel of urban erotic suspense. Pleasure is his name, one that women whisper—and scream—with desire. As a popular exotic dancer and top escort, he strokes his clients' deepest longings and fulfills their every sexy fantasy. His climb has taken him from the streets' most lethal ride-or-die ladies to the even more dangerous world of wealthy, powerful women. All along, he believed leveraging his chiseled body for a life of luxury would help him outrun his tormented childhood and bitter distrust . . . But now a mysterious woman he doesn't recognize has him at her mercy, determined to punish him for reasons he doesn't understand. Saving his own life means Pleasure must figure out which woman from his past has a deadly obsession. And when a long-buried secret arises, will he be able to survive? Or will facing it completely destroy him? . . .

The Rave Diet & Lifestyle Mike Anderson,2009-03-01 A brilliant program. I highly recommend it. Neal Barnard, M.D., author of Program for Reversing Diabetes The Rave Diet & Lifestyle describes a diet and lifestyle program that is designed for weight loss as well as the reversal of a wide range of diseases, including heart disease and diabetes, and the prevention of our common cancers. The author explains why Americans cannot lose weight, why modern diets don't work, and shows you how to reach your ideal weight by going back to the old-fashioned foods Americans used to eat, before losing weight was a problem. The book describes the relationship between diet and disease and explains why the standard American diet is responsible for the two largest killers in America today, cardiovascular disease and our common cancers. It also explores the relationship of diet to other diseases and how government policies are promoting diet-related diseases. For more information go to RaveDiet.com.

Discovering the Word of Wisdom Jane Birch, 2013-11-26 This book is a lively exploration of the amazing revelation known to Mormons as the "Word of Wisdom." It counsels us how and what we should eat to reach our highest potential, both physically and spiritually. New and surprising insights are presented through the perspective of what has been proven to be the healthiest human diet, a way of eating supported both by history and by science: a whole food, plant-based (WFPB) diet.

WFPB vegetarian diets have been scientifically proven to both prevent and cure chronic disease, help you achieve your maximum physical potential, and make it easy to reach and maintain your ideal weight. In this book, you'll find the stories of dozens of people who are enjoying the blessings of following a Word of Wisdom diet, and you'll get concrete advice on how to get started! You will discover: What we should and should not eat to enjoy maximum physical health. How food is intimately connected to our spiritual well being. Why Latter-day Saints are succumbing to the same chronic diseases as the rest of the population, despite not smoking, drinking, or doing drugs. How the Word of Wisdom was designed specifically for our day. How you can receive the "hidden treasures" and other blessings promised in the Word of Wisdom. Why eating the foods God has ordained for our use is better not just for our bodies, but for the animals and for the earth. You may think you know what the Word of Wisdom says, but you'll be amazed at what you have missed. Learn why Mormons all over the world are "waking up" to the Word of Wisdom!

The Pleasure Trap Craig S Smith, 2025-09-21 The Pleasure Trap is a deeply personal and transformative memoir that explores the gripping reality of addiction, its impact on every facet of life, and the journey to freedom. In this raw, honest, and inspiring account, the author shares how a seemingly harmless habit spiraled into a destructive force that drained not only their finances but also their energy, ambition, and relationships. From moments of guilt and shame to the realization that change was necessary, the book takes you through the emotional highs and lows of recovery. But this story isn't just about addiction-it's about reclaiming your life. It's about learning to live with purpose, taking control of your future, and building a life that's driven by long-term goals rather than instant gratification. From financial ruin to financial freedom, from isolation to connection, the author reveals how breaking free from addiction unlocked a new world of possibilities. In this book, you'll discover: How addiction to pornography and masturbation silently affects every area of your life, from your finances to your relationships. The psychological and emotional impact of self-destructive habits-and how to break free from them. Practical steps to rebuild your life, including tips for improving mental and physical health, boosting productivity, and re-establishing meaningful relationships. The power of creating new, healthy habits and maintaining progress through consistency and self-compassion. How to regain control over your finances, career, and personal goals, and build a future of prosperity and fulfillment. The Pleasure Trap is not just a book about overcoming addiction-it's about transformation. It's for anyone who has ever felt trapped by their own habits or faced the overwhelming challenge of starting over. Whether you're struggling with addiction, feeling lost, or simply seeking a more meaningful life, this book will show you that change is possible. This is a story of hope, resilience, and the unbreakable strength of the human spirit. If you're ready to reclaim your life and start living for what truly matters, this book is for you.
