**Staging the Ghost Story** Kelly Jones, 2025-06-29 Staging the Ghost Story is the first book to offer a critical appraisal of the centuries-long relationship between the ghost story and the English stage. The book balances a critical consideration of the ghost story in performance, its history, its cultural politics, and its generic conventions, with practical insight regarding the valency of live representations of the supernatural, the challenges of embodiment, and the power of storytelling. Throughout, it draws upon accompanying interviews with prominent directors, playwrights, performers and stage designers in the industry, including Mark Gatiss, Robin Herford, Michael Holt, Danny Robins, Robert Lloyd Parry, Rebecca Vaughan, Tajinder Singh Hayer, Glen Neath, Adam Z. Robinson, Richard Sutton, Paul Voodini, and Jonathan Goodwin. With a focus upon the seminal elements of theatrical performance: time, space, bodies, devices, and audience, the book invites the elusive shadows of the ghost story to take centre stage.

**The Haunting Season** Bridget Collins, Andrew Michael Hurley, Natasha Pulley, Laura Purcell, Kiran Millwood Hargrave, Elizabeth Macneal, Imogen Hermes Gowar, Jess Kidd, 2021-10-12 Eight bestselling, award-winning writers return to the time-honoured tradition of the seasonal ghost story in this spellbinding collection of new and original haunted tales. Winter Tales Lesley Anne Wright,2023-03-31 Threatening, gloomy skies. Dark, chilly days and even darker, colder nights. Whispering from the corner or the rustle of dead leaves? A vision of the future or your worst nightmare come true? A silly game or a portal into the unknown? Was that a creak on the stairs or just the wind whistling in the eaves? You don't have to believe in ghosts to enjoy a ghost story. Between these pages, you will find ghosts of all kinds. Not all ghosts are scary as I set out to prove in some of these stories. Some of the spirits within are indeed dark and vengeful, while others are playful and helpful and one wants to be forgiven for a past sin, despite the cruelty and injustice he himself suffered. All the stories within are set during winter, at or near Christmas, when in many homes it is traditional to read or listen to ghost stories, so curl up by the fireside and read on. I hope you enjoy the ghostly tales inside this cover. Sweet dreams and sleep well!

**Ghostly Tales for Christmas Eve** Gemma Dobson,Isabelle Mills,2018 The dark nights have drawn in, so now is the time to start sharing spooky stories. Here are fourteen brand-new ghost stories, just waiting to bring a chill to your bones or a tear to your eye.

**Spirits of the Season** KIRK,2019-08 Festive cheer turns to maddening fear in this new collection of seasonal hauntings, presenting the best Christmas ghost stories from the 1850s to the 1960s. The traditional trappings of the holiday are turned upside down as restless spirits disrupt the merry games of the living, Christmas trees teem with spiteful pagan presences,

and the Devil himself treads the boards at the village pantomime. As the cold night of winter closes in and the glow of the hearth begins to flicker and fade, the uninvited visitors gather in the dark in this distinctive assortment of haunting tales.

**Winter Spirits** Leigh Green, 2014-10-11 A Christmas Ghost Story. A haunting mystery set in a Victorian mansion, a tale of suspense and intrigue. At the bottom of the stairs I instantly felt very alone as though in a foreign land that had suddenly turned hostile. A feeling of isolation crept over me and with it the subtle mist of a presence that was looking in on me, detecting and assessing me. With this in my mind I walked on tiptoe so as not to disturb whatever might be there, as though the quietness of my movements would give me an advantage. It was only natural for me to do that, I felt like an ancient hunter living on his instincts, but in that no man's land I did not know how obvious or stealthy I was being. I felt I was in uncharted territory and would wake a sleeping phantom. In the house it was my job to collect the rent for the lazy landlord, who was forever holidaying abroad and on my rounds I got to know everyone, including the mysterious woman on the first floor. She set off a chain of events that made me reconsider everything and challenge the safety of my sceptical mind.

**Ghosts at Christmas** Darren W. Ritson, 2011-09-16 A spine-chilling collection of ghostly tales associated with the festive season. From Charles Dickens' famous A Christmas Carol to Tim Burton's The Nightmare Before Christmas, the festive season has long been closely associated with ghostly tales. In this fascinating work Darren W Ritson looks not only at the fictional treatment of Christmas ghosts but also at a host of true-life tales from across the country.

*The Valancourt Book of Victorian Christmas Ghost Stories, Volume 4* Christopher Philippo, 2020-12 A Valancourt Yuletide tradition returns, this time with rare 19th-century tales from U.S. newspapers and magazines The Christmas ghost story tradition is usually associated with Charles Dickens and Victorian England, but apparently unknown to historians and scholars-Christmas ghost stories were extremely widespread and popular in 19th-century America as well, frequently appearing in newspapers and magazines during the holiday season. From legends of old New Orleans and strange happenings on the plains of Iowa and the Dakota Territory to weird doings in early Puerto Rico and ghostly events in Gold Rush-era San Francisco, the tales collected here reveal a forgotten Christmas ghost story tradition in a bygone America that is both familiar and oddly foreign. This collection features eighteen stories and nine poems, including entries by women and African American writers, plus extra bonus material and an introduction by Christopher Philippo. He turned and beheld a low black figure, with a body no higher than his knees, with a prodigious head, in the brow of which was set a single eye of green flame like a shining emerald, and with hands and arms of supernatural length. - J. H. Ingraham, The Green Huntsman; or, The Haunted Villa The latch lifted, the door swung open-and then-my God! what a spectacle! Through the open door there stepped a figure, not of Mrs. Hayden, not of her corpse, not of death, but a thousand times more horrible, a thing of

corruption, decay, of worms and rottenness. - Anonymous, *Worse Than a Ghost Story*

*Ghostly Tales* Wilhelmina Fitzclarence Countess of Munster, 1896

*The Ghostly Tales* Washington Irving, 1979

*Told After Supper: Ghostly Tales for Christmas Eve* Jerome K. Jerome, 2025-10-29 Playfully reviving the Victorian tradition of sharing ghost stories on Christmas Eve, *Told After Supper* is a witty collection of supernatural tales. In Jerome K. Jerome's macabre work, a cheerful gathering around the fire gives way to a series of increasingly bizarre and ghostly Christmas stories. All at once eerie, absurd, and delightfully satirical, *Told After Supper* brings Jerome's trademark humour to the haunted hearthside, parodying the popular ghost story while still conjuring moments of genuine suspense. First published in 1891, *Told After Supper* is a forgotten seasonal gem. Darkly comic, it is perfect Christmas reading for anyone who enjoys their festivities tinged with the supernatural.
