Finding Truth in the Tempest: A Devotional Journal for Women Faythelma Bechtel, 2021-08-03 As we walk through dark times in our lives, we all need a way of finding truth in the tempest. Whether we are asking Why the Tempest? or struggling when life doesn't make sense, God's Word is sufficient to answer all of our questions. Faythelma Bechtel knows the tempest, but she also knows the One Who calms the storm. After losing two daughters and her husband, Faythelma has clung tighter to her Savior and longs to help others who are struggling to find peace in their own storms. This devotional journal is not meant to be read as a daily plan, and instead offers meditations on Scripture to help for your unique circumstance.

Renovating Holiness Thomas Jay Oord, Joshua Broward, 2015-02-03 This book is a call for change. Even more, it calls for open conversation about change. For too long, many in the Church of the Nazarene have considered the doctrine of holiness off limits, a sacred cow, impervious to all forces of cultural modification and theological renewal. It's time for a real change, because the church needs renovation! These 100+ essays from Millennial and Xer leaders explore how holiness might be understood and lived today.

A Stream of Thoughts DR. V.V. Rampal,2018-04-02 In this technology-driven world, we are overwhelmed by the variety of activities that concern mainly the material side of life. This makes our lives one-sided. To balance this, we need to increase our spiritual quotient and include ethics and morality as necessary components of life. A Stream of Thoughts is about balancing our lives. We need to cultivate habit forms that neutralise the negativity in our lives. The suggestions are in thought forms. Everyone needs to improve the thought stream that always engages our attention and creates a reaction in the outer world. This book is a humble effort to help when our thoughts betray us.
