**Zion's Young People** ,1902

**Trials of Passion** Lisa Appignanesi,2015-07-15 A journey into the heart of dark passions and the crimes they impel. When passion is in the picture, what is criminal, what is sane, what is mad or simply bad? Through court and asylum records, letters and newspaper accounts, this book brings to life some sensational trials between 1870 and 1914, a period when the psychiatric professions were consolidating their hold on our understanding of what is human. Outside fiction, individual emotions and the inner life had rarely been publicly discussed: now, in an increasingly popular press and its courtroom reports, people avidly consumed accounts of transgressive sexuality, savage jealousy and forbidden desires. These stood

revealed as aspects not only of those labelled mad, but potentially, of everyone. With great story-telling flair and a wealth of historical detail, Lisa Appignanesi teases out the vagaries of passion and the clashes between the law and the clinic as they stumble towards a (sometimes reviled) collaboration. Sexual etiquette and class roles, attitudes to love, madness and gender, notions of respectability and honor, insanity and lunacy, all are at play in that vital forum in which public opinion is shaped—the theater of the courtroom.

**Punch** Mark Lemon, Henry Mayhew, Tom Taylor, Shirley Brooks, Francis Cowley Burnand, Owen Seaman, 1958

**Face** Jessica Helfand, 2019-11-12 An elaborately illustrated A to Z of the face, from historical mugshots to Instagram posts. By turns alarming and awe-inspiring, Face offers up an elaborately illustrated A to Z—from the didactic anthropometry of the late-nineteenth century to the selfie-obsessed zeitgeist of the twenty-first. Jessica Helfand looks at the cultural significance of the face through a critical lens, both as social currency and as palimpsest of history. Investigating everything from historical mugshots to Instagram posts, she examines how the face has been perceived and represented over time; how it has been instrumentalized by others; and how we have reclaimed it for our own purposes. From vintage advertisements for a “nose adjuster” to contemporary artists who reconsider the visual construction of race, Face delivers an intimate yet kaleidoscopic adventure while posing universal questions about identity.
