**What Happens in Vegas** Jackie Paxson,2024-09-22 What's that saying? Oh yeah...what happens in Vegas stays in Vegas. Well, that's a damn lie, especially if you married the very man you've been trying to avoid for almost a year. He's an amazing guy who ticks off all the boxes a woman could ever want in a man. Only I'm not just any woman. I'm a career-driven journalist about to hit the big time with her newest scoop: an expose about a dating app. The only thing standing in the way of that is he wants anything but a divorce. To get where I want to be, I have to stretch the truth and agree to date my husband while pretending to be single on a dating site. It's just a little white lie, but when my lies start getting entangled, it becomes a problem when I can't remember who I told what. Mix all that with a demon cat, meddling grannies, football players, and old friends and I get a complicated life I didn't sign up for. The more I try to escape the storm, the more comfortable it becomes. That is especially true since I can't seem to keep my hands off my husband and realize I only want to spend more time with him. Can a happy ending begin with a trip down the aisle in Vegas?

**What Happens in Vegas, Stays in Vegas...Until NOW!** Michael Sidney,2023-04-26 I was inspired by an interracial couple. They approached me when I was monitoring the crowd in the casino where I worked as a security officer. The couple said, I bet you see a lot of things. And I said, Yes. The couple suggested that I should write a memoir. I thought about it, and I did. It's titled What Happens in Vegas, Stays in Vegas...Until Now!

Squeeze J. M. Benjamin,2015-03-21 While the East Coast's New York City is wide awake, on the opposite side of the world, there's another city that never sleeps; Las Vegas Nevada. Known as Sin City, their motto is, What happens in Vegas to stays in Vegas, because anything goes. Which is why the Double G's have managed to go undetected for so long.Starrshma Fields aka Starr, is a young, bodacious, bold beauty. She is also the leader of the Double G's, a powerful, ruthless and gay social club of plus sized women. Founded by Queen Fem, with her guidance, Starr and her group of professionals by day,

gangster biker chicks by night, prove that this isn't just a Man's World, as they put the squeeze on their primary targets; Men of power and in position. Blackmail and manipulation are their choice of weapons and they are skillful in both. Agent McCarthy has been tracking the Double G's since the founder was at the realm of the organization. For years, he could never infiltrate the group of female radicals. As luck would have it, he has finally managed to plant a seed that could possibly lead to the destruction of the Double G's, when the young Starrshma Fields becomes the new face of the group. As the temperature increases in Las Vegas, so does the pressure the Double G's apply. No man is safe or exempt from the Double G's plight and no one's life is more important or has any value if you try to stop them. These women are on a mission, and believe the only way they can accomplish it is by keeping the Game and the players in a choke hold!

**This Is Where You Belong** Melody Warnick, 2017-07-04 In the spirit of Gretchen Rubin's megaseller *The Happiness Project* and Eric Weiner's *The Geography of Bliss*, a journalist embarks on a project to discover what it takes to love where you live. The average restless American will move 11.7 times in a lifetime. For Melody Warnick, it was move #6, from Austin, Texas, to Blacksburg, Virginia, that threatened to unhinge her. In the lonely aftermath of unpacking, she wondered: Aren't we supposed to put down roots at some point? How does the place we live become the place we want to stay? This time, she had an epiphany. Rather than hold her breath and hope this new town would be her family's perfect fit, she would figure out how to fall in love with it—no matter what. How we come to feel at home in our towns and cities is what Warnick sets out to discover in *This Is Where You Belong*. She dives into the body of research around place attachment—the deep sense of connection that binds some of us to our cities and increases our physical and emotional well-being—then travels to towns across America to see it in action. Inspired by a growing movement of placemaking, she examines what its practitioners are

doing to create likeable locales. She also speaks with frequent movers and loyal stayers around the country to learn what draws highly mobile Americans to a new city, and what makes us stay. The best ideas she imports to her adopted hometown of Blacksburg for a series of Love Where You Live experiments designed to make her feel more locally connected. Dining with her neighbors. Shopping Small Business Saturday. Marching in the town Christmas parade. Can these efforts make a halfhearted resident happier? Will Blacksburg be the place she finally stays? What Warnick learns will inspire you to embrace your own community—and perhaps discover that the place where you live right now . . . is home.

Eradicating Human Trafficking: Culture, Law and Policy Gabriela Curras DeBellis, 2021-12-13 With over 40 million people still enslaved around the world, this book takes a closer look at the role of culture in society and how certain practices, beliefs or behaviors may be fueling human trafficking beyond what the law can curtail. The study reveals cultural elements that conflict with existing anti-human trafficking laws across three case studies (United States, India and Costa Rica). There is no simple answer or a single solution to stop or significantly reduce the crime, but a pragmatic, multi-disciplinary, and human rights approach to the problem may bring to light that, efforts to curtail human trafficking will be in vain if we rely on law alone. A fundamental shift in culture is imperative.

To that end, I hope that these essays and short stories will not only prove to be a fascinating look behind the curtain but will also share some helpful information about life in Las Vegas or anywhere where humans may be engaged in some folly.
