

You Are The One Youve Been Waiting For

Kevin Hunter

You Are the One You've Been Waiting For Richard Schwartz, Ph.D., 2023-05-09 A groundbreaking approach for practicing courageous love and resilient intimacy—from the creator of Internal Family Systems therapy Do loving relationships end because couples lack communication skills, struggle to empathize, and fail to accommodate each other's needs? That's a common belief within and outside of the therapeutic world... but what if it's all wrong? In *You Are the One You've Been Waiting For*, Dr. Richard Schwartz, the celebrated founder of Internal Family Systems (IFS) therapy, offers a new way—a path toward courageous love that replaces the striving, dependent, and disconnected approach to solving relationship challenges. The breakthrough realization of IFS is that our psyche contains multiple parts, each with a life of its own. Most problems in relationships arise because we unknowingly burden our partner with the task of caring for our disowned and unloved parts. In this book, you'll discover essential insights and tools to foster healthy dialogue with your parts and your partner, including:

- How to recognize and disarm the cultural assumptions that create shame, guilt, and isolation in relationships
- The Three Projects—why we fool ourselves into thinking we must change our partner, change ourselves, or give up on true intimacy
- Finding and Healing Exiles—transforming the way our most vulnerable parts influence the way we treat each other
- How to reorient relationship conflicts to help each of us grow toward the Self—the center of our clarity and wisdom
- Courageous Love—building resilient intimacy with each other and our parts to create healthy, lasting partnerships

“No one can do the work of healing our orphaned parts for us,” says Dr. Schwartz. “Yet when we begin with Self-leadership, a relationship can become a safe place in which we help each other heal and grow.” Here is an invaluable guide for therapists and laypersons alike to promote connection, trust, and understanding—within yourself and with the one you love.

Happiness the Forgotten Ingredient Kenny Felderstein, 2013-03-29 Kenny Felderstein truly believes Happiness Is The Forgotten Ingredient in life. He is dedicated to assisting the reader of this book in taking charge of their career and their life and finding the happiness they deserve. He is not a doctor or therapist. The information he gives the reader comes from many years of executive management in business and personal life experiences - not just from books. He has come from meager roots to achieve Vice President and President level positions in both small and very large corporations. He has changed careers and taken demotions for the sole purpose of enhancing his happiness. He has made changes and taken risks

for happiness, not for money, power or ego. He has overcome divorce, family tragedy, the loss of a son, near financial bankruptcy, never feeling good enough, never feeling he had control of his happiness and nonproductive anger and frustration. By overcoming these difficult times, Kenny has created a rewarding and happy life. Kenny Felderstein began blogging on the subject of Happiness because he realized he could reach a large multinational audience. He has a dedicated following in over nine countries. He has received feedback from his readers that his blogs have made a difference in their lives. This book is done in blog format. There are one hundred blogs - each standing on their own merits. All of his blogs are from personal experiences in his life. Some are funny. Some are serious. Some are emotional. However, all of them will help the readers realize that they have control of their happiness. Kenny Felderstein has published three successful books entitled *Never Buy a Hat if Your Feet Are Cold*, *Taking Charge of Your Career and Your Life*, *The Year of My Death* and *A True Leader Has Presence - The Six Building Blocks To Presence*. He lectures to and mentors people on the reasons people don't take charge of their careers and their happiness. Kenny Felderstein is a graduate of Saint Josephs University in Pennsylvania and currently lives in Marina Del Rey, California with his beautiful wife Ellen.

Metaphysical Divine Wisdom on Universal, Physical, Spiritual and Soul Love Kevin Hunter, 2019-07-04 The point of all existence in the end is connected to love, whether that is love for another person, self-love, or universal and spiritual love. One of the main reasons all souls are here is to learn the nature of love. Love is to understand that even the most heinous person in your eyes has love built deep down in the core of their soul. When you are in Heaven you truly understand what Universal love feels like. Love is the most powerful vibration that exists throughout all of time and space. Displaying hatred doesn't take much effort, but to show love requires a complete soul do over in order to get back to that space your soul was born with. Love will always cost you something, whether that's time or energy. Love will cost you pride when you need to let go of something that someone else did and extend the olive branch. *Universal, Physical, Spiritual and Soul Love* examines one of the most powerful vibrations that exists and that is love. There are divinely guided discussions on what it means to display Universal love and spiritual love. There is a heavy emphasis on the connection nature between souls from the karmic to soul mates and twin flames, before devoting a good chunk on the practical, which is of great interest in the physical world. The mid-section of this acts as a dating and relationship guide to finding a quality mate in a world dominated by the darkness of ego. This is coupled with the challenges and benefits to finding and keeping love in a language that resides within the cold technology sphere. It would be awesome if every single person on the planet was keenly aware of their innate psychic abilities built into their soul's DNA, because then Earth would be as close to Heaven as feasibly possible. There would be never-ending joy, peace, and love for every soul. Everyone would be operating from a higher vibration while moving mountains in the process. We see this kind of amazing uplifting joy in others when they're in a high vibrational state. *Universal, Physical, Spiritual and Soul Love* has the goal and intention of filling the reader with as much as love as possible

with the hope that it can motivate one soul back into their soul's natural state of love. Some of the topics discussed in Universal, Physical, Spiritual and Soul Love include: It's All About Love, Creating the Life You Love, Self-Love and Self-Care, Karmic Soul Connections, Soul Mate Soul Connections, Twin Flame Soul Connections, The Benefits and Challenges of Technology Dating, Single and Longing for a Relationship, Love and Relationships, Love is a Battlefield, Seeking Love Through External Validation, Divine Soul Love, Love Yourself Back to Life, Bring Out the Good Vibrations, Universal Spiritual Love, and much more! Let more Light into your soul's life with the Metaphysical Divine Wisdom collection of books. Each cover a variety of distinctive themes connected to the spiritual and the practical interwoven and back around again. The Metaphysical Divine Wisdom practical motivational guide to spirituality series of books include Psychic Spirit Team Heaven Communication, Soul Consciousness and Purpose, Manifesting Fearless Assertive Confidence, Balancing the Body, Mind, and Soul, Increasing Prayer with Faith for an Abundant Life, and Universal, Physical, Spiritual and Soul Love.

African American Guide to Living Well with Diabetes Constance Brown-Riggs, Tamara Jeffries, 2010-07-20 "Covers the basics of food, exercise and medicine, but highlights two things not often found in diabetes books: soul food and spirit."—A Sweet Life More than 4 million African Americans have diabetes; thousands more have pre-diabetes or are at risk for the condition. But in 21 years as a registered dietitian and certified diabetes educator, Constance Brown-Riggs found few books that even vaguely addressed the unique health concerns of this population. This comprehensive guide includes: The latest medical treatments for diabetes—medications, insulin therapies, blood glucose monitors, plus the pros and cons of supplements, herbs, and alternative diets. What you can't eat—and what you can. Dozens of mouthwatering Caribbean and soul food recipes, with a two-week menu plan. The book received the Favorably Reviewed designation from the American Association of Diabetes Educators (AADE). The designation of Favorably Reviewed by AADE assures health professionals that the educational content of the book has been carefully evaluated by representatives of a variety of health professions based on set guidelines. "Shares a wealth of information about diabetes that has been specifically tailored for African Americans, in a down to earth fashion, and emphasizes the important interrelationships of spiritual health, mental health, and physical health."—Norma J. Goodwin, M.D., founder, president and CEO, Health Power for Minorities "Connie Brown-Riggs's . . . culturally appropriate messages are an extraordinary benefit to African Americans, particularly women, who are often not fully aware of the lifestyle changes they can and should make to prevent diabetes and improve their health and that of their families."—Wendy C. Brawley, publisher and CEO, IMARA Woman Magazine
