

An Exaltation Of Larks

Laqueur Suanne

An Exaltation of Larks James Lipton,1968 A pride of lions, a school of fish, a parliament of owls, a bevy of beauties, and exaltation of larks--the book that charmed word-lovers is back, expanded to include more than 1,000 terms. Accompanied by a new introduction, this book brings the reader and word-lover some of the most charming treasures of the English language, with beautiful engravings by Granville, Durer, and others.

An Exaltation of Larks James Lipton,1993-11-01 A delightfully unexpected, lovingly curated ode to the unique collective nouns that adorn our language, from “a leap of leopards” to “a murder of crows” and beyond, from the inimitable voice behind Inside the Actors Studio “I am madly in love with collective nouns! They make language so colorful and ticklish. . . . [An Exaltation of Larks] possess[es] an embarrassment of riches (wink wink!).” —Lupita Nyong’o, The New York Times For those who have wondered if the familiar “pride of lions” and “gaggle of geese” were merely the tip of a linguistic iceberg, James Lipton has provided a definitive answer: here are hundreds of equally pithy, often poetic terms he has unearthed and collected into one exhaustive volume. Over years of painstaking research, he embarked on an odyssey that has given us a “slouch of models,” a “shrivel of critics,” an “unction of undertakers,” a “blur of Impressionists,” a “score of bachelors,” a “pocket of quarterbacks,” and many more. Witty, beautiful, and remarkably apt, An Exaltation of Larks is a brilliant compendium of more than 1,100 resurrected or newly minted contributions to that ever-evolving species, the English language.

An Exaltation of Larks Robert Reed,1995 A major scandal involving the faculty at a small college stretches to the limits of space and time, pitting two characters against each other in a passionate battle for power. By the author of Beyond the Veil of Stars.

An Exaltation of Larks Julie Nisargand,2004-01-01 Flying to Paris, her last care (and her last job) fading away in the

clouds beneath her, Christine Louis experiences a rare moment of personal equilibrium. When she arrives at the pension, she finds one thing conspicuously absent from her possessions: her purse. It's not just the robbery that unnerves her, it's the dizzying vortex of emotions that is triggered by the loss. When one male hand sheaks into her luggage and removes her purse whole, he inadvertently brings about messive change in her life. Without speaking a word of French, without a friend, and without a dime, Christine must learn to survive.

An Exaltation of Larks Megan Hart,2005-02-01 Princess Perion Marrett has always found more pleasure in filling her mind than her dance card. Becoming queen, however, means more than taking the throne. She must also take a husband. When a witch's miscast spell sends Sir Barrett Llewellyn to the land of Grimearth, Perion journeys to rescue him. There she finds the truth of her heartbut will it be her noble knight or the man she fears most, Dark Sorcerer Mason de Cimmerian?

An Exaltation of Larks Suanne Laqueur,2017-01-05 We're so alike, you and I. It's no wonder we kept finding each other. September 11, 1973: Eleven-year-old Alejandro Penda watches from his apartment window as Santiago, Chile falls to a military coup, destroying his family and his childhood. Arriving alone in America, he's taken in by the Larks: a prominent family in the town of Guelisten. Though burdened by unresolved grief for his disappeared parents, he becomes fiercely loyal to the Larks, eventually marrying one of their daughters, Valerie. September 11, 2001: Javier Landes watches from his apartment window as New York City falls to terrorism. As one of Manhattan's top-paid male escorts, this professional lover has never lacked for company and is loyal only to himself. But in the wake of 9/11, Jav is named guardian for an orphaned nephew in Guelisten and must open his carefully-guarded heart to pain he's long suppressed. Alex, Valerie and Jav meet first in their twenties, with a sudden attraction each finds strange and compelling. When they meet again in their forties, they discover not only is their bond still strong, but their life experiences are strangely similar. All have been shaped by separate 9/11's, and their unfinished business from the past will change everything they know about love, loyalty and friendship. Life has rules. You cannot come in the middle of the night and take what we agreed isn't yours. Across three decades and two continents, Suanne Laqueur's fifth novel explores the unpredictability of sexual attraction, how family ties are forged, torn and mended, and how love's downfall can turn to exaltation.

An Exaltation of Larks Dee Morrison Meaney, 2019-04-10 The air in the room, where there should have been only the smell of wood smoke, was heavy with the sweet, sticky smell of blood. The sounds of the battlefield roared in her ears, the screaming of a wounded horse, the frenzied cries of fighting men who fought gladly, as if it were the only thing worth doing, the shouts of lesser men who fought because they had to, who fought to protect their farms and their small holdings. She had known men like that once, long ago. There had been no battle for more than a generation after Ashington, for as long as it took to grow new soldiers. Then it had all begun again. She knew better than to interfere this time. She wondered where the battle had been fought, and why.
