## John Sullivan Dwight

*Angel of Music* D. M. Bernadette, 2002-08-28 French author Gaston Leroux unknowingly created a timeless and powerful character in his Erik, the Phantom of the Opera. Movies, books and musicals have retold the original tale, enhancing it with a sparse tease of detail that we may glimpse the tortured life of Erik. As outstanding as these renditions prove to be, there seems to be so many unanswered questions. The Angel of Music is an account of the very private adventures of Erik in his quest to love and be loved. As brilliant and gifted as he is, he cannot convey his feelings to Christine properly. Frustrated to the point of violence, his fantasy of a beautiful life with her is shattered and he despairs into his last breath. The nightingale that rescues him and loves him back to life is rewarded with a romantic adventure of epic proportions. Herein lies the testament of the Angel of Music and his beloved Christine.

**Fallen Angel** Robert Billings, 2023-04-14 What would you say if I told you that President Kennedy's death was completely made up to look like an assassination; that he was dying of an incurable disease called Addison's disease, had accepted his fate, and was determined to go out on his shield rather than have the world see him wither away to nothing? He was shot; that we know for sure. But by whom and why? What if I told you it was done by a close-knit group of his best friends at his own request? Would you consider the possibility or think it's nuts? Taken directly from the pages of a recently discovered, personal diary that's been kept hidden for almost 60 years, *Fallen Angel* takes us on an international journey of discovery revealing the true, untold emotional and spiritual journey of a man the world was never allowed to know, or forget. The idealized image of Kennedy, who seemed to be the picture of robust health, is how most remember him. Behind the scenes, however, nothing was further from the truth. He was a very sick man. In fact, he was dying. So, who stood to gain the most from his death? The mafia? The CIA? The Illuminati? No. It was Kennedy himself. Everyone knows how the story ends, but no one really knows how it began or more importantly, why. Until now. For the man who was so taken with magic as a child, this

would be his greatest trick.

**Broadway Sheet Music** Donald J. Stubblebine, 1995 Stubblebine, also the author of *Cinema Sheet Music* (1991), provides a comprehensive listing of the published songs from every composer in all Broadway shows, 1918 through 1993. Each of the 2,562 entries include the show's title, year the show opened, a listing of all songs in the production with composers and lyricists, and the show's leading players. The sheet music cover is also described, along with a one-line synopsis of the show. A limited number of shows that closed before reaching Broadway are also included. Indexed by song and by composer/lyricist. c. Book News Inc.

**The story of Dorothy Grape. Lady Jenkins. The angel's music** Mrs. Henry Wood, 1885

Angel of Time E. Graziani, 2023-10-17 Alice Ferro didn't travel 500 years into the past to save her soulmate from persecution only to discover her journey had been in vain. Forced to return from 1512 Italy to 2029 Boston without him, she can't focus on family, school, or friends as thoughts of Claudio constantly flood her mind. When she discovers her love's future is dire, Alice decides she must return to the past to save him once and for all. With a little help from her friends and a lot of determination, Alice sets off to rescue Claudio. Unfortunately, she hadn't planned on things going so terribly wrong, and she soon finds her own life in peril. Written with charm and intelligence, the sequel to *Alice of the Rocks* encompasses everything you could want in a young adult, time-travel romance. Adventure, true love, intrigue, and dynamic characters fill the pages alongside the elegant landscape of Renaissance Italy.

**Cinema Sheet Music** Donald J. Stubblebine, 1991 Compiled from the author's own enormous collection and years of research, this book lists approximately 6,200 films and the music that was a part of them. Each entry gives the movie title, studio, year of release, stars, songs sung during the film (over 15,000 throughout the book), composers and/or lyricists, and a brief description of the album cover. This book is a necessity for sheet music collectors, musicians, historians and the general public who are interested in a greater knowledge of film music.
