Italian Discourse Gian Marco Farese, 2019-10-21 Using the Natural Semantic Metalanguage methodology, Gian Marco Farese presents a comprehensive analysis of the most important Italian cultural keywords and cultural scripts that foreign learners and cultural outsiders need to know to become linguistically and culturally proficient in Italian. Farese focuses on the words and speech practices that are used most frequently in Italian discourse and that are uniquely Italian: both untranslatable into other languages and reflective of salient aspects of Italian culture and society. *Italian Discourse: A Cultural Semantic Analysis* sheds light on ways in which the Italian language is related to Italians' character, values, and way of thinking, and it does so in contrastive perspective with English. Each chapter focuses on a cultural keyword, tracing the term through novels, plays, poems, and songs. *Italian Discourse* will be an important resource for anyone interested in Italian studies and Italian linguistics, as well as in semantics, cultural studies, linguistic anthropology, cognitive linguistics, intercultural communication, and translation.

Vittima Andrew Boryga, 2025-05-09T00:00:00+02:00 Javier Pérez la truffa ce l'ha nel sangue. Fin da piccolo impara a piegare a suo vantaggio le regole del gioco, e capisce ben presto che il suo background (sangue portoricano, padre spacciatore assassinato, madre single a corto di soldi) può essere la chiave per aprire molte porte. La sua storia, se plasmata nel modo giusto, è proprio ciò che negli Stati Uniti le commissioni di ammissione al college vanno cercando, e l'opportunità di una borsa di studio per una prestigiosa università è il primo passo verso la realizzazione del sogno di diventare uno scrittore famoso. Da studente universitario, Javi entra in contatto con giovani attivisti di minoranza e infiora la storia della sua vita fino a quando non rimane che un briciolo di verità. L'unico vero ponte con il suo passato è l'occasionale lettera all'amico d'infanzia Gio che, tra le mura del carcere dopo brutti trascorsi in una gang, sembra non dare peso a questa nuova consapevolezza del privilegio bianco. Poco dopo la laurea, grazie a un saggio divenuto virale Javi passa da scrittore in erba a collaboratore di una rivista di grido, ammirato per la sua «prospettiva unica» ora che la parola d'ordine, sulla carta stampata e sui social, è «diversità». Ma come in una frenetica corsa sulle montagne russe, dopo un'ascesa vertiginosa il crollo repentino è sempre dietro l'angolo. Riuscirà a portare avanti la sua farsa? Andrew Boryga ha scritto una satira feroce delle storie strappalacrime e delle ipocrisie dell'inclusività. «Vittima» è un debutto esilarante e irresistibile.
