

Book The Four Winds

Mary Louise Steward Molesworth

The Four Winds Kristin Hannah, 2021-02-02 The Bestselling Hardcover Novel of the Year.--Publishers Weekly From the number-one bestselling author of *The Nightingale* and *The Great Alone* comes a powerful American epic about love and heroism and hope, set during the Great Depression, a time when the country was in crisis and at war with itself, when millions were out of work and even the land seemed to have turned against them. "My land tells its story if you listen. The story of our family." Texas, 1921. A time of abundance. The Great War is over, the bounty of the land is plentiful, and America is on the brink of a new and optimistic era. But for Elsa Wolcott, deemed too old to marry in a time when marriage is a woman's only option, the future seems bleak. Until the night she meets Rafe Martinelli and decides to change the direction of her life. With her reputation in ruin, there is only one respectable choice: marriage to a man she barely knows. By 1934, the world has changed; millions are out of work and drought has devastated the Great Plains. Farmers are fighting to keep their land and their livelihoods as crops fail and water dries up and the earth cracks open. Dust storms roll relentlessly across the plains. Everything on the Martinelli farm is dying, including Elsa's tenuous marriage; each day is a desperate battle against nature and a fight to keep her children alive. In this uncertain and perilous time, Elsa—like so many of her neighbors—must make an agonizing choice: fight for the land she loves or leave it behind and go west, to California, in search of a better life for her family. *The Four Winds* is a rich, sweeping novel that stunningly brings to life the Great Depression and the people who lived through it—the harsh realities that divided us as a nation and the enduring battle between the haves and the have-nots. A testament to hope, resilience, and the strength of the human spirit to survive adversity, *The Four Winds* is an indelible portrait of America and the American dream, as seen through the eyes of one indomitable woman whose courage and sacrifice will come to define a generation.

The Four Winds Kristin Hannah, 2021-03 From Kristin Hannah, the #1 New York Times bestselling author of *The Nightingale* and *The Great Alone*, comes an epic novel of love and heroism and hope, set against the backdrop of one of America's most defining eras — the Great Depression.

Summary of The Four Winds By Kristin Hannah Condensed Books, A chapter-by-chapter high-quality summary of Kristin Hannah's book *The Four Winds*, including chapter details and an analysis of the main themes of the original book. About the original book: The year is 1921 in Texas. It's a season of plenty. The Great War is over, the land's wealth is

abundant, and America is on the verge of a new and hopeful period. But the future appears gloomy for Elsa Wolcott, who is judged too old to marry at a period when marriage is a woman's only option. Until she meets Rafe Martinelli one night and chooses to change her life's path. With her reputation in shambles, she has no choice but to marry a guy she hardly knows. By 1934, the world had changed; millions of people were out of work, and the Great Plains had been decimated by drought. As crops fail, water runs out, and the soil breaks up, farmers are struggling to maintain their land and livelihoods. Dust storms rage over the plains incessantly. Every day is a terrible battle against nature and a fight to keep her children alive on the Martinelli farm, including Elsa's shaky marriage. In this uncertain and dangerous time, Elsa, like so many of her neighbors, must choose between fighting for the place she loves and leaving it behind to seek a better life for her family in California.

Summary of The Four Winds Alexander Cooper,2021-06-20 Summary of The Four Winds A lady portrays that she moved west looking for the Pursuit of happiness. Be that as it may, the land betrayed them, bringing about destitution and difficulty. She considers the ladies of the Incomparable Fields had done to endure... In the introduction, the storyteller offers a sharp expression about how saying is consistently about men or a man. She at that point moves the concentration to ladies, showing that this will be a female-driven story. Four Winds Farm Molesworth, 2015-02-28 [...] And yet, thought the master—for he was a young man who did think—one cannot look into the child's face without seeing there are brains behind it, and brains of no common kind maybe. But I haven't got the knack of making him use them; for nine years old he is exceedingly stupid. Things went better to-day. Gratian was full of his new ideas and really meant to try. But even trying with all one's might and main won't build Rome in a day. Gratian had idled and dreamed through lesson-time too often to lose the bad habit all at once. He saw himself passed as usual by children younger than he, who had been a much shorter time at school, and his face grew very melancholy, and two or three big tears gathered more than once in his eyes while he began to say in his own mind that trying was no good.[...].
