Kevin Hunter

Twin Flame Soul Connections Kevin Hunter, 2018-10-16 Twin Flames have a shared ongoing sentiment and quest from the moment they're a spark shooting out of God's love that explodes into a blinding white fire that breaks apart causing one to be two, until two become one again, separate and whole, and back around again. Looking into the eyes of your Twin Flame is like looking into the eyes of God, because to know love is to know God. When one thinks of a Soul Mate or Twin Flame, they might equate it to a passionate romantic relationship where you're making love on a white sandy palm tree lined beach in paradise for the rest of your lives. This beautiful mythological notion has caused great turmoil in others who long for this person that fits the description of a lothario character in a romance novel. It is also an unrealistic and misguided interpretation of the Soul Mate or Twin Flame dynamic. *Twin Flame Soul Connections* discusses and lists some of the various myths and truths surrounding the Twin Flames, and how to identify if you've come into contact with your Twin Flame, or if you know someone who has. The ultimate goal is not to find ones Twin Flame, but to awaken ones heart to love, and to work on becoming complete and whole as an individual soul through spiritual self-mastery, life lessons, growth, and raising your consciousness. Your soul's life was born out of love and will die right back into that love. Chapter Topics Include: Karmic Soul Connections, Soul Mate Soul Connections, The Twin Flame Craze, The Birth of Twin Flames, Masculine, Feminine, Yin, and Yang, The Light and Dark, Higher and Lower Energies, Twin Flames: The Romantic and Non-Romantic, Twin Flames: Age and Location, Twin Flames: Example Couples, Twin Flames: Genders, Gay, Straight, Homosexual, Heterosexual, Twin Flames: Runner, Chaser, Push and Pull, Twin Flames: Mirrors, Goals, Missions and Purposes, Technology Strengths and Challenges, Twin Flames: Coming Together, Is This Person My Twin Flame?, Twin Flames: Spiritual Growth, Twin Flames: Recapping the Truths and Myths of Twin Flames, The Twin Flame Summary Cheat Sheet.

Twin Flames Revelation Zeyven Alexander Blackwell,2013-07 Twin Flames and numerous advanced souls are presently re-uniting across the planet to complete their mission at this critical juncture in Earth's ascension. Humanity has long been trapped by the forces of darkness that have brought about much suffering and despair. Today the world stands poised to emerge from the spiritual wilderness as increasing numbers of souls awaken to their true purpose; to reconnect to their spiritual origins and serve their fellow brothers and sisters. If they are successful, they will transition to a higher dimension. Alas, unseen forces are working hard to stop humanities ascension and it will take the combined efforts of Twin Flames, Star Seeds and other advanced souls to bring the balance of power back into humanities favor. The time is fast approaching when the presently unfolding worldwide events will reach their prophesized conclusion. Will the souls of humanity be ready for a fifth dimensional existence or will they be required to experience further three-dimensional lessons? Worst still, might they be coerced into another dimension altogether, further delaying their return to their true home? This is the sixth time that humanity has attempted to ascend from this planet and it has required a substantial degree of interplanetary and spiritual assistance just to get this far. These souls have come to live the path of unconditional love knowing that there are no barriers that true love cannot overcome. Remarkably and despite high levels of intervention the final result still appears to hang in the balance. This book details the journey of one such advanced soul, his twin flame, his soul mates and their journey prior to and after answering the call to help liberate humanity. It details the relationship between other planetary races, especially those from the Sirius, Orion and Alpha Draconis star systems and Earth based humans. This work is not only an action-based adventure but also a love story; following the powerful bond of love that

Twin Flame Reunion Silvia Moon, 2020-01-03 This simple book is here to talk about the most rarely talked about a phase of the Twin Flame experience. This is the phase when you feel healed after going through a series of energetic purging, spiritual ascension, and healing. I call this phase the Waiting Phase. Most Twin Flames ask this question; I am now healed, now what? Since the beginning of the Twin Flame journey, most Twin Flames aspire to have a harmonious relationship with their Twin Flame and once they reach the Waiting Phase, their Twin Flame is nowhere to be seen yet they feel ready and healed for a reunion. Some Twin Flames get disappointed because they thought from the beginning that if they found healing, it would automatically bring back the Twin Flame partner. It is okay to feel this way because this phase of the Twin Flame journey is never anticipated but is a very essential step to having a harmonious relationship with your Twin Flame. This is also the most harmonious phase of your Twin Flame journey because you feel constant bliss with your Twin Flame, you feel them in your dreams as if they are with you and the telepathic communication is very clear and effortless. This was the most beautiful phase for me because I could feel as if I was going to see my Twin Flame soon, and I had this affirmation that the pain was finally over -- because I felt free, and ready to start the next chapter of my life. When I reached this Waiting Phase of my Twin Flame experience, I was happy to be on my own but I missed my Twin Flame every day. I wanted closure with him and it took me over 6 weeks to figure out how to move from the waiting phase to achieve the reunion that I craved with my Twin Flame. I have learned that the Waiting Phase is the beginning of FOREVER with your Twin Flame. It determines what happens with your relationship once you reunite. This phase is also important because it allows you to contemplate your Twin Flame situation -- some Twin Flames realize that they don't want to be with their Twin Flame after they heal. This is when they realize that their Twin Flame encounter was only a Catalyst to Spiritual Awakening and Soul Growth. In this book, I will be sharing with you the simple tips and methods to achieve the reunion that you desire with your Twin Flame using simple examples from my experiences. I am so happy to share with you all the secrets because I finally had a breakthrough with my Twin Flame. We shall be re-uniting soon because for once in over two years, I received an affirmation that he wants to come back to me. I am very excited to see him again, but I am have transformed into a new being after all these soul lessons that I have learned during the Twin Flame journey. I hope that he has grown as much as I have. I

am not obsessed with our reunion as much as I did at the beginning of physical separation and I feel calm, free, ready and grounded within myself to confront him. My Twin Flame and I, we have never discussed the idea of being Twin Flames and I don't intend to do it except if the topic comes up once we see each other soon. If you are a Twin Flame going through doubt, agony, and frustration thinking that your Twin Flame reunion might not happen, don't give up too soon. I was once where you are and I felt disappointed too. A reunion with your Twin Flame is inevitable if it is meant to be.
