**Dave Gray, Sunni Brown**

**The Business Model Book** Adam J. Bock, 2018-01-09 Business models are the beating heart of your firm's value proposition. Great business models drive rapid growth; bad business models can doom the most promising ventures. Brilliant Business Models clearly shows you how to create, test, adapt, and innovate successful and appropriate business models in any business context.

Gamestorming 2.0 Dave Gray, Sunni Brown, 2025-07-23 In today's environment of partial attention and isolating remote work, few things are more satisfying than group experiences that produce powerful, meaningful connections and output. But this kind of enlivening, collective work doesn't happen by chance. It must be consciously designed and purposefully activated -; in a team, an organization, and a culture. The good news is that making space for this kind of work doesn't have to be hard. There's a technique available to everyone, with no special certification required: gamestorming. This substantial update to the best-selling O'Reilly book now includes three new chapters and 95 games. The authors identified and curated techniques from some of the world's most innovative professionals as well as inventing games of their own. This book is the result: a unique collection of approaches to simultaneously ignite engagement and level-up creative teamship while bringing agility and structure to gatherings at work in person and online. Shorten meetings and make them significantly more productive Increase efficacy and engagement in strategic thinking and problem-solving Enhance connection and communication across team members Elevate collaboration and uncover surprising solutions to sticky problems Generate better ideas and significantly improve remote work experiences

**Small Business Management** Timothy S. S. Hatten, 2024

*Small Business Management* Timothy S. Hatten, 2023-11-03 Small Business Management, Eighth Edition equips students with the tools to navigate important financial, legal, marketing, and managerial decisions when creating and growing a sustainable small business. Author Timothy S. Hatten provides new cases, real-world examples, and illuminating features that spotlight the diverse, innovative contributions of small business owners to the economy. Value Proposition Design Alexander Osterwalder, Yves Pigneur, Gregory Bernarda, Alan Smith, 2015-01-26 The authors of the international bestseller Business Model Generation explain how to create value propositions customers can't resist Value Proposition Design helps you tackle the core challenge of every business — creating compelling products and services customers want to buy. This highly practical book, paired with its online companion, will teach you the processes and tools you need to create products that sell. Using the same stunning visual format as the authors' global bestseller, Business Model Generation, this sequel explains how to use the "Value Proposition Canvas" to design, test, create, and manage products and services customers actually want. Value Proposition Design is for anyone who has been frustrated by new product meetings based on hunches and intuitions; it's for anyone who has watched an expensive new product launch fail in the market. The book will help you understand the patterns of great value propositions, get closer to customers, and avoid wasting time with ideas that won't work. You'll learn the simple process of designing and testing value propositions, that perfectly match customers' needs and desires. In addition the book gives you exclusive access to an online companion on Strategyzer.com. You will be able to assess your work, learn from peers, and download pdfs, checklists, and more. Value Proposition Design is an essential companion to the "Business Model Canvas" from Business Model Generation, a tool embraced globally by startups and large corporations such as MasterCard, 3M, Coca Cola, GE, Fujitsu, LEGO, Colgate-Palmolive, and many more. Value Proposition Design gives you a proven methodology for success, with value propositions that sell, embedded in profitable business models.
