**Psycho-pedagogical research in a Double-degree programme** Guido Benvenuto, Maria Serena Veggetti, 2020-03-31  
In this volume we have collected the contributions of many colleagues from the teaching board of Double Degree Joint Master's Programme in Pedagogy and Educational Sciences and Training of Sapienza University of Rome and two prestigious universities of the Russian Federation: Moscow Federal University for Psychology and Pedagogy (MSUPE) and North-Caucasus Federal University (NCFU) at Stavropol. The present anthology is meant to review the positions and studies that individual teachers from the different universities involved presented in recent years, during online courses, in the lecturing, in the meetings and to discuss their possible opportunities. The volume puts forward this programme, to spread its structure, the theoretical assumptions and the various positions. The contributions are meant to testify a keen interest in internationalization that Sapienza is carrying out. The contributions collected give the reader a chance to share a common interest in the promising approach implied by the Historical-cultural trend in Psychology and Pedagogy of the Vygotsky's thought, which seems a must in psycho-pedagogical reflections, and in organizing and evaluating school activities.

The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics

Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and suspenseful novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
