*The Feminist Bestseller* Imelda Whelehan,2017-03-16 Imelda Whelehan provides an overview of popular women's writing from the late 1960s to the present, looking at how key feminist texts such as *The Women's Room*, *Kinflicks* and *Fear of Flying* have influenced popular contemporary fiction such as *Bridget Jones' Diary* and *Sex and the City*. Whelehan reconsiders the links between the politics of feminist thought, action and writing and creative writing over the past 30 years and suggests that even so-called 'post feminist' writing owes an enormous debt to feminism's second wave.

**Rock, Ghost, Willow, Deer** Allison Adelle Hedge Coke,2021-08-06 *Rock, Ghost, Willow, Deer* is Allison Adelle Hedge Coke's searching account of her life as a mixed-blood woman coming of age off reservation, yet deeply immersed in her Huron, Metis, and Cherokee heritage. In a style at once elliptical and achingly clear, Hedge Coke details her mother's schizophrenia; the domestic and community abuse overshadowing her childhood; and torments both visited upon her--(rape and violence) and inflicted on herself (alcohol and drug abuse during her youth). Yet she managed to survive with her dreams and her will, her sense of wonder and promise undiminished. The title *Rock, Ghost, Willow, Deer* refers to life-revelations guiding the award-winning poet and writer through her many trials, as well as her labors in tobacco fields, factories, construction, and fishing; her motherhood; her involvement with music and performance; and the melding of language and experience that brought order to her life. Hedge Coke shares insights gathered along the way, insights touching on broader Native issues such as modern life in the diaspora; lack of a national eco-ethos; the threat of alcohol, drug abuse, and violence; and the ongoing onslaught on self amid a complex, mixed heritage.

**Fay Weldon, Feminism, and British Culture** Mara E. Reisman,2018-10-15 *Fay Weldon, Feminism, and British Culture*:

Challenging Cultural and Literary Conventions offers a critical analysis of British author Fay Weldon's major novels from 1967 to the present and addresses how Weldon's fiction engages with controversial moral, social, and political issues. This book provides an in-depth examination of the relationship between Weldon's fiction and the contemporary feminist, cultural, and literary movements in Britain. Representative works from each decade speak to the multiple controversies and challenges to convention in which Weldon and her books played key roles. Drawing on Weldon's personal history, fiction, and nonfiction as well as on historical, sociological, and literary documents, this book builds a cultural framework in which to understand Weldon's work and the critical response to it. It shows that although Weldon's battleground may change with the times, her ability and desire to provoke controversy remain constant as she continues to question and upset social, literary, and cultural conventions.

Always Crashing in the Same Car: On Art, Crisis, and Los Angeles, California Matthew Specktor, 2021-07-27 A Best Book of the Year at The Atlantic Los Angeles Times Bestseller [An] absorbing and revealing book. . . . nestling in the fruitful terrain between memoir and criticism. —Geoff Dyer, author of *Out of Sheer Rage* Blending memoir and cultural criticism, Matthew Specktor explores family legacy, the lives of artists, and a city that embodies both dreams and disillusionment. In 2006, Matthew Specktor moved into a crumbling Los Angeles apartment opposite the one in which F. Scott Fitzgerald spent the last moments of his life. Fitz had been Specktor's first literary idol, someone whose own passage through Hollywood had, allegedly, broken him. Freshly divorced, professionally flailing, and reeling from his mother's cancer diagnosis, Specktor was feeling unmoored. But rather than giving in or "cracking up," he embarked on an obsessive journey to make sense of the mythologies of "success" and "failure" that haunt the artist's life and the American imagination. Part memoir, part cultural history, part portrait of place, *Always Crashing in the Same Car* explores Hollywood through a certain kind of collapse. It's a vibrant and intimate inspection of failure told through the lives of iconic, if under-sung, artists—Carole Eastman, Eleanor Perry, Warren Zevon, Tuesday Weld, and Hal Ashby, among others—and the author's own family history. Through this constellation of Hollywood figures, he unearths a fascinating alternate history of the city that raised him and explores the ways in which curtailed ambition, insufficiency, and loss shape all our lives. At once deeply personal and broadly erudite, it is a story of an art form (the movies), a city (Los Angeles), and one person's attempt to create meaning out of both. Above all, Specktor creates a moving search for optimism alongside the inevitability of failure and reveals the still-resonant power of art to help us navigate the beautiful ruins that await us all.

The Literary Filmography Leonard Mustazza, 2006-05-17 From the very infancy of the film industry, filmmakers have

relied heavily upon literature as the foundation for their movie material. Well-known literary works such as Dickens's A Christmas Carol and Hawthorne's The Scarlet Letter were adapted to film in the silent era, as were such books as Thomas Dixon's Jr.'s The Klansman, basis for the film Birth of a Nation. In recent years, Nick Hornsby's About a Boy and each of Helen Fielding's Bridget Jones's Diary novels were the basis for popular movies bearing the same names. A guide to English-language works that have been adapted as theatrical and television films, this volume includes books (both fiction and non-fiction), short stories, newspaper and magazine articles and poems. Entries are arranged alphabetically by literary title with cross-listings for films made under different titles. Each entry includes the original work's title, author, year of first publication, literary prizes, and a brief plot summary. Information on film adaptation(s) of the work, including adaptation titles, director, screenwriter, principal cast and the names of the characters they portray, major awards, and availability in the most common formats (DVD, VHS), is also offered.
