King Creek Cowboys Box Set 1 Cheyenne McCray, 2022-02-22 Country Heat Kit Beaumont needs a life change. She goes from being the head chef of an exclusive Los Angeles hotel to working as a cook on a ranch in Arizona. She couldn't have picked anything more different. Carter McLeod is sure that the L.A. chef he hired as a cook won't hang around for long. He's concerned she won't want to stay and prepare meals for a bunch of cowboys in the Arizona desert, but he's hoping she will. The last thing he expects is to fall for the cute blonde. Kit's hidden past comes striding back into her life and Carter may never trust her again. Country Thunder Miranda Hawthorne made a new start in the small town of King Creek, Arizona. She's a horse therapist who works with children and adults with disabilities and is perfectly fine being single and living a fulfilling life helping others. A stallion threw Justin McLeod's daughter, and she hasn't gotten back on a horse. On recommendation, he takes his daughter to a horse therapist. When Justin meets Miranda, he knows she's the one for him. Miranda is determined to keep her distance and stay single. Justin is determined to break down all her barriers. Country Storm Rae Fox wants nothing more than to run from her past—only she can't run far, since she's on trial for killing an intruder who tried to murder her. She escapes to the small town of King Creek at her cousin's urging, where she has some anonymity while on trial in another town. Bear McLeod is a country vet, spending his time caring for King Creek's livestock and pets. He meets Rae when she brings in a dog that had been hit by a car. Later, he runs into Rae at the bar she's tending in town and is determined to get to know her. When she walks away a free woman, Rae plans to run and start life far from any place where she can be recognized. But Rae has stolen Bear's heart, and he'll do anything to keep the woman he loves.

**Country Heat** Cheyenne McCray, 2019-05-15 When a small-town cowboy falls for a big-city girl, lifestyle differences are the least of their troubles. As a teenager, Kit Beaumont was homeless in San Francisco, living on the streets with her mom and sister. Now she's the head chef of an exclusive Los Angeles hotel, but she turns her back on her success to work as a cook on a cattle ranch in the Arizona desert. While trying not to relive old mistakes and her past grief, she holds on tightly to her secrets. Rancher Carter McLeod knows highly rated chefs don't take positions like preparing meals for a bunch of cowboys without a good reason. A reason he doesn't know. His challenge is to keep from falling for the cute blond while he waits for the day she returns to a life where she hobnobbed with celebrities instead of dirt-covered ranch hands. Kit has no intention of jumping into a relationship with any man, much less her new boss, but she couldn't have cooked up anything

more enticing than Carter. As feared, this cowboy romance comes to a scorching end when her hidden past comes striding back into her life. And now Carter may never trust her again.

Who's Buying Which Popular Short Fiction Now, & What Are They Paying? Anne Hart, 2007-09-20 Online booksellers are rapidly becoming online publishers. Sell your short fiction or nonfiction to the newest markets. Anyone who publishes your compiled short stories, novels, or nonfiction is looking for more opportunities to market your work. If you have published your stories or nonfiction with a mainstream or print-on-demand publisher, that firm cooperates with online booksellers. They probably want to leverage serial rights opportunities with your short stories, articles, or nonfiction excerpts from your books. After publication, you need to drive people to online booksellers' Web sites and your own to create visibility. The revolution is in virtual book tours and online marketing with booksellers. Another hidden market is short story publishing rights' auctions online to create visibility. You sell your writing as you'd sell a product at one of the online auctions. Long before finding any publisher or after the face-out shelf life of your book is over, sell or pre-sell your creations online. Offer short stories or articles to the public for a small fee to download. The music and movie industry do it. So can you. Online booksellers already are famous for a targeted community of readers that buy online. That's only one hint of hidden markets for authors that want to be well-paid for short stories or brief nonfiction. Here's how to write, customize, and market precisely what these merchants want. Here's how to pose the least financial risk to them.

Ethno-Playography Anne Hart, 2007-07-27 Here's how to write salable plays, skits, monologues, or docu-dramas from life experiences, social issues, or current events. Write plays/skits using the technique of ethno-playography which incorporates traditions, folklore, and ethnography into dramatizing real events. The sample play and monologues portray events as social issues. One true life example for a skit is the scene in the sample play written from first-person point-of-view about a 1964 five-minute train interlude when a male passenger commands the protagonist not to cross between cars while the train is in motion. The passenger stands between the cars next to his wife who says timorously, Let her go, dear, after the wife notices the young protagonist wears a wedding ring. The protagonist tells him she's pregnant, returning from the john, and needs to get back to her family. Instead, he squeezes her head in a vise-like grip, crushing her between his knee and the wall of the train. He kicks at the base of her spine, yelling stereotypical ethnic epithets while passengers ignore events. After the sample play and three monologues for performance, you will have learned how to write ethnographic dialogue and select appropriate scene settings. Also included are e-interviews with popular fiction writers.
