

Eveline Short Story

A. Nicholas Fargnoli, Michael Patrick Gillespie

Eveline James Joyce, 2014-07-15 Eveline sits in her room thinking about the people she has lost—her mother and her brother. Her other brother is traveling for work and she is afraid that her alcoholic father will beat her with no one else to turn on. She plans to run away with a sailor with whom she has fallen in love, but will a promise made to her mother keep her at home? Critically acclaimed author James Joyce's *Dubliners* is a collection of short stories depicting middle-class life in Dublin in the early twentieth century. First published in 1914, the stories draw on themes relevant to the time such as nationalism and Ireland's national identity, and cement Joyce's reputation for brutally honest and revealing depictions of everyday Irish life. HarperPerennial Classics brings great works of literature to life in digital format, upholding the highest standards in ebook production and celebrating reading in all its forms. Analysis of James Joyce's short story "Eveline" Katharina Ochsenfahrt, 2010-05-15 Essay from the year 2008 in the subject English Language and Literature Studies - Literature, grade: 1,3, <http://www.uni-jena.de/> (Institut für Anglistik/ Amerikanistik), course: Academic Writing, language: English, abstract: Usually, people, who are in love, do not care about what their families, and other people might think about them. They miss each other when they are separated. All they want is being together. But in James Joyce's short story *Eveline* the protagonist behaves very differently. Why does she not leave with her boyfriend Frank when there seems to be nothing that holds her back? There is a plausible explanation. Eveline is not in love with Frank, she only sees him as a chance to escape from her hard life. She only hopes for a better life, but does not trust Frank. Moreover, she never mentions that she loves him, and finally she decides not to go with him.

The Protagonist's Conflict in James Joyce's "Eveline" Eveline Podgorski, 2014-06-06 Essay from the year 2007 in the subject English Language and Literature Studies - Literature, grade: 1,7, University of Paderborn, 5 entries in the bibliography, language: English, abstract: In *Dubliners*, a collection of short stories published on June 15th 1914, James Joyce presents fifteen stories of different people belonging to the Catholic Middle-Class of 19th century Dublin. One of the characters is Eveline Hill, a young girl who is planning on leaving her home country Ireland. The paper gives a summary of the short story *Eveline* and goes on to analyze the conflict the main character Eveline Hill finds herself in. The circumstances that lead to her final decision not to leave her home are discussed in greater detail.

"Eveline" by James Joyce. The Social Influence on a Human Being Marcus Wenzel, 2018-11-20 Seminar paper from the year 2013 in the subject Didactics for the subject English - Literature, Works, grade: 1,3, University of Würzburg, language: English, abstract: We are predetermined. But do our genes really determinate us or are we able to actively influence our destiny? Maybe there is only progress in civilisation because of the interaction of genes and the active human being, or neither of them is of importance because our environment, which provides us all of our experiences, is the solely responsible for our fate? These questions become increasingly important in society. To answer them in a proper way is not only the task of parental education but becomes more and more important to teachers as well. We have to become aware of how influential our own actions are to others, especially to children, who are still in progress of defining their own personality. If we can comprehend to what our development depends on, we maybe can improve it actively, have a positive influence on the next generations and by that on the future of mankind. The theoretical approach to deal with the topic is named socialisation. I will apply this by analysing the character of Eveline in the eponymous short story of James Joyce's Dubliners. In the case of Eveline, the damage is done and I argue that she could not run from who she was either. Intensively discussed why Eveline could not leave from her invidious life, when she had the chance to, I claim that there has been no chance to her whether to leave or not. Her heteronomous character gave her no permission to run away from her home. For my argumentation I will take into consideration the theoretical approach of socialisation levels by Klaus-Jürgen Tillmann.

James Joyce: Dubliners - Eveline's state of paralysis with special regard to her different roles she has to play as a woman Florian Wenz, 2012-04-25 Seminar paper from the year 2005 in the subject English Language and Literature Studies - Literature, grade: 1,7, University of Bamberg (Lehrstuhl für Anglistik), language: English, abstract: In the following text I would like to give an approach to the paralysis of the main character in James Joyce's short story Eveline. In doing so, I will take a look at the origin and the consequences of her paralysis and the different roles she has to play as a woman. In addition I'm going to examine the relationships that she has to the people in her closer environment i. e. her father and her "lover" Frank.

Interpretation of "Eveline" Timm Gehrman, 2007-02-19 Seminar paper from the year 2007 in the subject English Language and Literature Studies - Literature, grade: 2,0, University of Wuppertal, course: Hauptseminar James Joyce, language: English, abstract: Due to the extreme restriction to only five pages I have to keep my interpretation of Eveline as part of Dubliners extremely short. Yet by choosing one of the shortest stories from Dubliners I still hope to be able to say something meaningful in this short paper. In order to do so I will focus on the character of Eveline and examine in how far she can serve as an example of the paralysis that all characters in Dubliners, and especially women characters, suffer from. Eveline may thus, as many other characters in Dubliners, be considered an example of the social case histories Joyce has

gathered in this book 1 . Further Eveline has many autobiographical qualities as Eveline's "most immediate living model was Joyce's sister Margaret 2 . Yet I will concentrate on what we can learn about women in Joyce's Dublin and the way in which they are struck by paralysis. [...]

With approximately 450 entries, this A-to-Z guide explores the literary contributions of such writers as Joseph Conrad, James Joyce, D H Lawrence, Rudyard Kipling, Oscar Wilde, Katherine Mansfield, Martin Amis, and others.

Stylistic Analysis of James Joyces 'Eveline' Anne-Mareike Franz, 2009-06 Seminar paper from the year 2007 in the subject English Language and Literature Studies - Linguistics, grade: 1,7, University of Trier (Anglistik), course: Literary Linguistics, language: English, abstract: In 1903 James Joyce wrote the novel *Dubliners*, which consists of short stories about selected Irish people portraying their lives in Dublin. *Eveline* is one of the short stories of adolescence in this collection, as it deals with a young nineteen year old woman named Eveline, who is confronted with the decision on whether she should leave Dublin with her boyfriend Frank and start a new life in Buenos Aires or stay in her old habits. The story is written from a third-person limited point of view and because of this the reader is able to perceive Eveline's world through her perspective. The reader witnesses how Eveline tries to discover herself and her own wishes. But her way of initiation is meant to lead to an surprising conclusion by Eveline in the end. What is so fascinating about *Eveline* is not only the plot itself, but the way Joyce illustrates the situation of Eveline linguistically through his way of writing. Through various linguistic means Joyce pictures Eveline's fear of taking a chance, fear of the unknown and of change.

Modes of entrapment in James Joyce's "Eveline" Davina Ruthmann, 2007-11-19 Seminar paper from the year 2005 in the subject English Language and Literature Studies - Literature, grade: 1,0, University of Wuppertal, course: Proseminar "20th Century English Short Stories", language: English, abstract: "Eveline" is the second of James Joyce's stories that got published. First it appeared in the Irish Homestead in 1904 before being published as the fourth chapter of the Dubliners in 1914. It is Joyce's first attempt to write from the point of view of a woman. This young woman, having a dull job and "leading a life of quiet desperation with a brutal father, is offered escape by a sailor" (Tindall 21). Although this offer seems very promising, Eveline does not manage to leave her home behind. Instead, she accepts a life full of frustration. To understand this inability and lack of courage one has to take a closer look at the environment surrounding her. "Who and what is Eveline that her life [...] should be ending before she is twenty?" (Beck 111), is a valid quotation. We will see that Eveline is kept imprisoned in a cage made of tradition and subordination hard to break out. "Eveline" is not a story of action but a narration taking place only in the protagonist's consciousness. Therefore the interest does not lie in the events, but in the reasons leading to the final decision. The story, like all Dubliners, shows Joyce's critical and melancholy view of life in his native town Dublin.

Eveline James Joyce, 2025 »Eveline« is a short story from James Joyce's *Dubliners*. With *Dubliners*, Joyce aimed to cast

his hometown, the experiences of his upbringing, in an unforgiving light. Considering how people, especially men, are portrayed here, it's no wonder that it took many years of constant rejections before the novel was finally published, in the fateful year of 1914 for Europe. The language in which all events are depicted is so vivid, incessantly so close to the very heart of the events, that James Joyce's first prose work has become one of the immortal classics. JAMES JOYCE [1882-1941], Irish author, is a key figure in modernist literature with works such as *Dubliners* [1914], *A Portrait of the Artist as a Young Man* [1916], and *Ulysses* [1922].

Each is arranged in an A-Z fashion and presents and explains the terms, people, places, and concepts encountered in the literary worlds of James Joyce, Mark Twain, and Virginia Woolf. As a keen explorer of the mundane material of everyday life, James Joyce ranks high in the canon of modernist writers. He is arguably the most influential writer of the twentieth-century, and may be the most read, studied, and taught of all modern writers. The *James Joyce A-Z* is the ideal companion to Joyce's life and work. Over 800 concise entries relating to all aspects of Joyce are gathered here in one easy-to-use volume of impressive scope.

Eveline James Joyce, 2016-07-19 This Squid Ink Classic includes the full text of the work plus MLA style citations for scholarly secondary sources, peer-reviewed journal articles and critical essays for when your teacher requires extra resources in MLA format for your research paper.

James Joyce, Sexuality and Social Purity Katherine Mullin, 2003-07-10 In *James Joyce, Sexuality and Social Purity*, Katherine Mullin offers a richly detailed account of Joyce's lifelong battle against censorship. Through prodigious archival research, Mullin shows Joyce responding to Edwardian ideologies of social purity by accentuating the 'contentious' or 'offensive' elements in his work. The censorious ambitions of the social purity movement, Mullin claims, feed directly into Joyce's writing. Paradoxically, his art becomes dependent on the very forces that seek to constrain and neutralize its revolutionary force. Acutely conscious of the dangers censorship presented to publication, Mullin shows Joyce revenging

himself by energetically ridiculing purity campaigns throughout his fiction. *Ulysses*, *A Portrait of the Artist as a Young Man* and *Dubliners* all meticulously subvert purity discourse, as Joyce pastiches both the vice crusaders themselves and the imperilled 'Young Persons' they sought to protect. This important book will change the way Joyce is read and offers crucial insights into the sexual politics of Modernism.
