Being Prepared: The Key to Unlocking Success Gerard Assey, 2024-04-03 'Being Prepared: The Key to Unlocking Success' (The Importance of Preparation to Seize Opportunities) is a comprehensive guide that emphasizes the importance of preparation in achieving success in various aspects of life. The book explores the significance of preparation, the benefits it offers, and the repercussions of not being prepared. Through real-life examples, expert advice, and actionable steps, readers learn how to develop a mindset and lifestyle that prioritize readiness and resilience. Each chapter provides valuable insights and tools for enhancing preparedness, from understanding its importance to learning how to avoid over-preparing. The book serves as a practical resource for anyone seeking to seize opportunities, navigate challenges, and achieve their goals by embracing the power of preparation.

10 Leadership Virtues for Disruptive Times Tom Ziglar, 2021-12-07 Tom Ziglar, CEO of Zig Ziglar Corp, shares ten leadership virtues that are essential for coaching employees through immense change and creating an environment of maximum potential and productivity. With the world changing so rapidly, many leaders are struggling to find new ways to make a significant and positive impact on their team. The key, says Tom Ziglar, is to consistently bring out the best in everyone by focusing on ten core virtues: kindness, humility, respect, persistence, selflessness, encouragement, positive expectations, self-control, firmness, and hope. Delivering cutting-edge new research, wisdom gleaned from experience, and poignant insights from his work at Zig Ziglar Corp, Tom Ziglar identifies the communication styles that will keep everyone on the same page, regardless of their working environment. He also emphasizes the importance of closing the empathy gap between management and staff in order to create a more connected team that operates to its fullest potential--and how developing each team member's unique dreams, goals, and abilities sets up the company for success. In *10 Leadership Virtues for Disruptive Times*, Ziglar shows why coach leadership, instead of management leadership, is the best way to lead through immense change and challenge. It is essential guidance for leaders who want to coach their teams through inevitable periods of disruption with the goal of helping them thrive at home and at work.

AFRICAN VALUES AND LEGACIES Dipo Toby Alakija , Results of research works reveal that any nation that fails to orientate all categories of its citizens on what the country stands for and against gives rooms for other countries to devalue the national value, violate the law and order; deforming the prevailing norms and cultures in all the communities. Most of

African values, enriched with proverbs like “a goat is never pronounced innocent if the judge is a leopard” and “when brothers fight to death; a stranger inherits their father’s estate”, are getting eroded with westernization. The African heritages through the transfer of cultures, norms and order from one generation to another are threatened with extinctions since the time of colonization, particularly in oil-rich African nations. The shutting down of value systems which are usually designed to boost moral values of citizens and enhance the functions of political, social and economic machineries are responsible for civil wars, terrorism, genocides and other atrocities in most African nations. This book which is designed to be studied in African Tertiary Institutions shares the results of research works into the causes of conflicts, political and economic servitude in Africa; using the analyses of quotes of some of the notable leaders and African proverbs to reinforce the value systems on the continent.

The Essential Book of Business and Life Quotations ,2023-01-17 An up-to-date book of quotations for executives, academics and anyone who wants to spice speeches and business presentations or simply reflect on some of the best things ever said on topics linked to business and management life in general. From “Aristotle” to “Mark Zuckenberg” and from “Action” to “Work”, this book is a formidable source of witty remarks and inspiration for all. Best of its kind and fully sourced, the book also covers modern topics such as “Bitcoins”, “Digitalization”, “Sustainability” or “Fake News” and includes a large number of quotations never published before.

The Perfect Way to Survive a Storm Akeem Simmons,2019-10-08 The purpose of creating *The Perfect Way to Survive a Storm* is because I know this book can possibly help, enlighten, and inspire others. The goal is to teach financial strategies on how to survive a storm, personally or naturally caused. This book is like a blueprint to help prepare, discipline, and educate readers on steps to better, financially and mentally, prepare for a storm. The core focus of this book was to mentally help others be financially successful before, during, and even after a personal life storm. The double entendre is, even if a natural storm took place, readers will be mentally prepared, financially to challenge the storm. This book is based on true life experiences and goes into great details on what the artist went through, and most importantly, how the author got out of the storm. Imagine being in a situation with not many people to turn to, nowhere to go, and only a limited amount of income to work with. In this detailing story, this author explains times he had to sacrifice places and possessions to keep from losing everything. Daily rough times of sleeping in different places, borrowing money from bankers, and working with strangers to accomplish goals. Placed in highly stressful environments, somehow the author managed to keep his calm, faith, and patience to weather out the storm. Lots of drama, reoccurring events, dreams of almost making it out, with more problems ahead. Some events inspired from Hurricane Michael.

Management by Exception Lester R. Bittel,1964 Management development guide within the concept of the management by exception technique of decision making - comprises 4 parts on (1) the concept of management by exception, (2) phases of the technique, (3) the technique in practice (incl. Case studies of its application in respect of financing, sales and marketing and personnel management, etc.), and (4) variables of the technique (operational research, EDP, etc.). References at the end of chapters, and bibliography pp. 307 to 309.

The Big Stretch: 90 Days to Expand Your Dreams, Crush Your Goals, and Create Your Own Success Teneshia Jackson Warner,2019-11-22 From concept to reality in just 90 Days—The Big Stretch is a proven program for making your personal and professional dreams come true The Big Stretch delivers a four-tiered self-evaluation and empowerment program for jumpstarting a new business, new career, or new idea—and maintaining high levels of success long-term. One of today’s most effective coaches for entrepreneurs, Teneshia Jackson Warner walks you through a “career workout” routine designed to move you from idea to goal. First, you’ll learn what type of dreamer you are: Hobby, Career, Make-It-Happen, Activist, or CEO. Based on that, you will discover your Dreamer's Risk Tolerance and understand your Dreamer's Ancestry to help gauge how much time, support, and resources you can apply toward your Stretch goal. You’ll then create a One-Year Dream Projection to develop clear, realistic goals. Finally, you’ll begin your 90-Day STRETCH program involving weekly exercises to build and strengthen your “business physique.” Whether you want to escape the grind of a 9-to-5 job, improve an existing business, or simply get your dreams off the ground, The Big Stretch provides the knowledge and insight you need to turn your ideas into reality.
