

# Gay Coming Of Age Books

Steven F. Kruger

**I Want To Kiss You In Public** Zelda French,2023-12-04 In this coming-of-age story set in Paris, Louis's dissatisfying existence is blown to pieces when he's paired to write an essay with a new and handsome student.

**I Want to Kiss You in Public** Zelda French,2020-06-16 Have you ever been so attracted to someone, that nothing makes sense anymore? If you'd ask him, Louis, a Senior at an International High School in Paris, would tell you he's got a pretty good idea of how the world works, that he's got it covered. He even thinks himself a bit of a rockstar. His best friend Tony, a self-proclaimed prophet, and his girlfriend Lucie, as short as she is dangerous, are everything to him. He will tell you himself: he's got it all figured out. That's until a teacher unimpressed with his antics pairs him up to write an essay with Michael, the new British guy. Michael's just another boring student in a class of boring people, and the thought of having to spend time with him is almost unbearable... until they get to know each other and suddenly all of Louis's convictions are shaken to the core. Now, Louis is straight, he's sure of it. But is he, really? Because before long, he's obsessing about Michael's dark curls, thinking of his lips against his, and running around town crashing parties to get his attention. . What to do then, when your carefully crafted identity is challenged, stomped on, then basically thrown out the window? Is Michael even worth all the heartache and chaos? For Louis, there's only one way to find out, even if it costs him everything. Will Louis find the courage to admit the truth and accept who is he before it's too late? *I Want To Kiss You In Public* is a story about Love, Friendship, Truth and Heartbreak, packed with funny dialogue, and comes with its own Spotify Rock Playlist. This book contains drug and alcohol consumption as well as cursing.

[I Want To Kiss You In Public](#) Zelda French,2020-06-16 Louis thought he had it all figured out. He couldn't have been more wrong. If you ask Louis, he's a rock star. Just the right amount of sarcastic, cute, and only slightly delusional. He attends the best high school — in Paris no less — has the coolest best friend and the fiercest girlfriend, and he's absolutely, a hundred per cent straight. So no, Michael, the new British student, with his dark curls and sweet smiles, doesn't interest him whatsoever. And when a teacher pairs the two to write an essay together and Louis gets all worked up about it, he can always tell himself he doesn't have a choice. Slowly and inevitably, the two of them become friends, and perhaps a little more. Soon, Michael's presence in Louis's life makes him question everything: his lifestyle, his friendships, and whether he actually ever liked girls. Content warnings are available at the beginning of the book.

*AIDS Narratives* Steven F. Kruger, 2013-10-28 This is the first book-length study of the rich fiction that has emerged from the AIDS crisis. Examining first the ways in which scientific discourse on AIDS has reflected ideologies of gender and sexuality-such as the construction of AIDS as a disease of gay men, part of a battle over masculinity, and thus largely excluding women with AIDS from public attention-the book considers how such discourses have shaped narrative understandings of AIDS. On the one hand, AIDS is seen as an invariably fatal weakening of an individual's bodily defenses, a depiction often used to reconfirm an identification between disease and a weak and vulnerable gayness. On the other hand, AIDS is understood in terms of an epidemic attributable to gay immorality or unnaturalness. The fiction of AIDS depends upon these two narratives, with one major subgenre of AIDS novel presenting narratives of personal illness, decline, and death, and a second focusing on epidemic spread. These novels also question the narrative structures upon which they depend, intervening particularly against the homophobia of those structures, though also sometimes reinforcing it.

**Gay Coming-Of-Age Love Stories: *Jeremy and Me* / *Noah and Me* / *Simon and Me*** Maxwell Carlsen, 2019-01-11 *Jeremy and Me*: High school is almost out for winter break. Fifteen-year-old Robbie has the hots for blue-eyed Jeremy, the handsome boy with cute dimples, whom he doesn't know very well. How will Robbie find love and have his first gay experience? *Noah and Me*: Sixteen-year-old, bisexual Todd falls madly in love with Noah, the cute boy in Free Enterprise class whom he doesn't know very well. What happens when Noah invites Todd to his house for the afternoon? Does Todd find love? *Simon and Me*: Fifteen-year-old Jayden knows for certain that he's gay. Ever since moving to upstate New York, he has had a major crush on Simon, a handsome, dark-haired, blue-eyed boy who lives right next door. What happens when Jayden hosts a sleepover in his secluded backyard tree house? About the Author: Maxwell Carlsen is an author of gay coming-of-age love stories. To find out more about the author, visit [www.maxwellcarlsen.com](http://www.maxwellcarlsen.com).

*Dictionary of Midwestern Literature, Volume Two* Philip A. Greasley, 2016-08-08 The Midwest has produced a robust literary heritage. Its authors have won half of the nation's Nobel Prizes for Literature plus a significant number of Pulitzer Prizes. This volume explores the rich racial, ethnic, and cultural diversity of the region. It also contains entries on 35 pivotal Midwestern literary works, literary genres, literary, cultural, historical, and social movements, state and city literatures, literary journals and magazines, as well as entries on science fiction, film, comic strips, graphic novels, and environmental writing. Prepared by a team of scholars, this second volume of the *Dictionary of Midwestern Literature* is a comprehensive resource that demonstrates the Midwest's continuing cultural vitality and the stature and distinctiveness of its literature.

*The Brothers Bishop* Bart Yates, 2013-10-09 Tommy and Nathan Bishop are as different as two brothers can be. Carefree and careless, Tommy is the golden boy who takes men into his bed with a seductive smile and turns them out just as quickly. No one can resist him--and no one can control him, either. That salient point certainly isn't lost on his brother. Nathan is all about control. At thirty-one, he is as dark and complicated as Tommy is light and easy, and he is bitter beyond his years.

While Tommy left for the excitement of New York City, Nathan has stayed behind, teaching high school English in their provincial hometown, surrounded by the reminders of their ruined family history and the legacy of anger that runs through him like a scar. Now, Tommy has come home to the family cottage by the sea for the summer, bringing his unstable, sexual powder keg of an entourage--and the distant echoes of his family's tumultuous past--with him. Tommy and his lover Philip are teetering on the brink of disaster, while their married friends, Camille and Kyle, perfect their steps in a dance of denial, each partner pulling Nathan deeper into the fray. And when one of Nathan's troubled students, Simon, begins visiting the house, the slow fuse is lit on a highly combustible mix. During a heady two-week party filled with drunken revelations, bitter jealousies, caustic jabs, and tender reconciliations, Tommy and Nathan will confront the legacy of their twisted family history--their angry, abusive father and the tragic death of their mother--and finally, the one secret that has shaped their entire lives. It is a summer that will challenge everything Nathan remembers and unravel Tommy's carefully constructed facade, drawing them both unwittingly into a drama with echoes of the past. . .one with unforeseen and very dangerous consequences. There are undercurrents of tragedy and emotional scarring at work that take the story to disturbing places. . .Yates puts his novel together like a one-two punch and makes it readable. . .you can't put it down. --Edge Magazine

Indecent Detroit Ben Strassfeld, 2023-12-05 While Detroit has been a major focus in urban history, little has been written on censorship in the very city that—due to shifting legalities, the urban crisis, and racial tensions—profoundly shaped media suppression in the United States. By examining censorship in film and literature, *Indecent Detroit* recounts the evolution of media control from the end of WWII through the 1970s, when the US saw a major change in the legal mechanisms used to censor media due to court rulings that curtailed censorship laws. Ben Strassfeld reveals how Detroit altered its censorial tactics and rhetoric from an obscenity-based system of censorship centered in the Detroit Police Department to a regulatory model based in zoning law that was then expanded nationwide. This shift was connected to broader social and political trends, including the sexual revolution, that led the public to increasingly turn against censorship. A must-read for film and media scholars, *Indecent Detroit* highlights how one Midwest city's ordinance was imitated across the country after it was upheld by the US Supreme Court, making this more than a local curiosity but also an influential model for the cultural, political, and moral control of urban space through media regulation.

Out, 2005-10 *Out* is a fashion, style, celebrity and opinion magazine for the modern gay man.

Telling Time Lisa Frieden, 2020-06-01 *Telling Time* is a scholarly book that explores how novelists wrote about AIDS during the first decade of the epidemic, when HIV and AIDS were considered death sentences and most often associated with homosexuality and the gay community. The book explores the different narrative strategies used by novelists to represent the temporality of AIDS, looking at Paul Reed's *Facing It: a Novel of AIDS*, David Feinberg's *Eighty-Sixed* and *Spontaneous Combustion*, and Paul Monette's *Afterlife* and *Halfway Home*, and how a few novels did manage to resist the apocalyptic

dominant rhetoric of AIDS. The book also discusses the difficulties of publishing AIDS novels by people of color and such writers as E. Lynn Harris and Steve Corbin. *Telling Time* includes a comprehensive annotated bibliography of all American AIDS novels published from 1982-1992 as a reference guide for further reading.

*Contemporary Gay American Novelists* Emmanuel S. Nelson, 1993-01-26 Publication of this sourcebook on important gay American fiction writers grants legitimacy and recognition to this rapidly emerging area of literary studies. Though wary of canon-formation in this groundbreaking work, editor Nelson has selected fifty-seven writers whose works have received serious critical acclaim and/or have won large audiences or, in a few cases, are worthy of greater attention. Included are representative writers of detective fiction and science fiction, but not authors of erotic fiction or pulp novels. Also excluded are a few novelists whose expressed wishes for privacy were respected. Writers and their works are examined in the gay literary context, and a majority of the contributing essayists are themselves gay male scholars and writers who bring with them a level of personal and political sensitivity that is generally lacking in non-gay assessments of this literature. Each entry begins with biographical information, proceeds to an interpretive summary of major works and themes, provides an overview of critical reception accorded the author, and concludes with bibliographies of primary and secondary materials. In a lively and perceptive introductory essay, Bredbeck inquires into what we mean by gay literature and the inherent tensions in these terms. Conceding the impossibility of speaking conclusively of gay literature, he nevertheless stresses the importance of the task and ends with a survey of critical studies of the gay male novel and works of gay male criticism.

Wonder Boy Bain Taylor, 2018-01-15 Above and beyond everything else in life, Devon Bredmire likes to run. It is his one great escape from a world that doesn't always look kindly on gay teenagers; a world that can oftentimes be downright dangerous. But as he enters into high school, he quickly learns that trying to fly quietly under the gay radar, and having unbridled speed out on the running track, make for a conflicted pairing. The super jocks of the school take notice of Devon's amazing talent, and dub him a 'phenom'. He is immediately adopted into a popular circle of some of the hottest athletes he'd ever laid eyes on - the kind of guys that could snap him like a twig for staring at their ripped bodies for a second too long - guys that should be avoided at all costs. And yet, the kind of guys that love you like a brother when you win races for the team. \*This Novella is intended for a mature audience.

### **Gay & Lesbian Literature: Introduction to gay male literature , 1994**

The Case for Gay Rights David A. J. Richards, 2005 As Americans wrestle with debates over traditional values, defense of marriage, and gay rights, reason often seems to take a back seat to emotion. In response, legal scholar Richards reflects upon the constitutional and democratic principles--relating to privacy, intimate life, free speech, tolerance, and conscience--that underpin these often heated debates. The distillation of Richards's thirty-year advocacy for the rights of gays and lesbians, his book provides a reflective treatise on basic human rights that touch all of our lives. He places in context two key

Supreme Court cases: the 1986 Bowers v. Hardwick decision, and the 2003 Lawrence v. Texas decision which overturned it. Drawing upon his own experiences as a gay man, Richards interweaves personal observations with philosophical, political, judicial, and psychological insights to make a case that gays should be entitled to the same rights and protections that every American enjoys.--From publisher description.

*What Do I Read Next?* Rafaela Castro,1997 Surveys works for children and adults.

*The Publishers Weekly* ,1888

*The Nation* ,1991-07

*The Advocate* ,2001-02-13 The Advocate is a lesbian, gay, bisexual, transgender (LGBT) monthly newsmagazine.

Established in 1967, it is the oldest continuing LGBT publication in the United States.

### Gay Coming Of Age Books Introduction

In the digital age, access to information has become easier than ever before. The ability to download Gay Coming Of Age Books has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Gay Coming Of Age Books has opened up a world of possibilities. Downloading Gay Coming Of Age Books provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Gay Coming Of Age Books has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for

individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Gay Coming Of Age Books. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Gay Coming Of Age Books. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Gay Coming Of Age Books, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Gay Coming Of Age

Books has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

## FAQs About Gay Coming Of Age Books Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia

elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Gay Coming Of Age Books is one of the best book in our library for free trial. We provide copy of Gay Coming Of Age Books in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Gay Coming Of Age Books. Where to download Gay Coming Of Age Books online for free? Are you looking for Gay Coming Of Age Books PDF? This is definitely going to save you time and cash in something you should think about.
