*Breakthrough!* Saint Mary's Press,2006 As the title suggests, Breakthrough! The Bible for Young Catholics highlights what happens throughout salvation history between God and humanity. God breaks through and connects with human history, thereby establishing a relationship with humanity. Using the Good News translation, Breakthrough! The Bible for Young Catholics was created for young people leaving childhood and entering adolescence. Its ten special features were created to help make the Bible easier for young people to read and understand. They will learn about the great people of the Bible, and will see how God has been breaking through in human history and connecting with humanity for thousands of years. Most important, they will discover, in the Bible, how God's messages to key people of faith have meaning for life today.
