

Is Pope Francis The Last Pope

Patricia Ann Sunday

The Last Pope Robert Howells, 2013-06-20 A historian dissects the prophecies of a Nostradamus-like seer who suggests the end of the papal throne—and the beginning of a new era in the Roman Catholic Church Nearly a thousand years ago, the Archbishop of Armagh—later canonized as St. Malachy—made a series of prophecies that were hidden in the Vatican for four hundred years. His predictions gave clues to the identities of the 109 Popes from medieval times to present day, including the final Pope who would oversee the end of the Papacy and the fall of the Roman Catholic Church. The Last Pope examines the sudden ‘rediscovery’ of these prophecies in the sixteenth century, how they may have been used as propaganda in the campaign to promote Pope Gregory XIV to the papal throne, and how the 2013 papal election may have been our last. Robert Howells has spent the last twenty years researching and writing about religious and historical mysteries. By drawing on his extensive knowledge of both the political and spiritual history of the Catholic Church, he places Pope Francis in the context of what will potential be the most challenging era for the papacy. The Last Pope seeks to answer questions surrounding the future of the Catholic church, offering an investigating that will fascinate readers who are fascinated by the unresolved mysteries in the history of Christianity.

The Last Pope? Dominic Vero, □ What if the real war for the Church has already begun—and the final prophecy is unfolding before your eyes? For centuries, whispers echoed through the marble halls of the Vatican—whispers of forbidden prophecies, secret agendas, and a final pope destined to preside over the collapse of the Church. Now, as global chaos grows and spiritual confusion deepens, one question refuses to be silenced: Is Pope Francis the fulfillment of a prophecy they tried to bury? □ This isn't fiction. It's the book the Vatican never wanted you to read. In *The Last Pope?*, Dominic Vero pulls back the veil on the world's most secretive religious empire. With journalistic precision and prophetic fire, this explosive book unpacks: □ The true origin and shadow power of the Jesuit Order—and why it took 500 years for a Jesuit to finally wear the papal crown □ The unfiltered story of Pope Francis's rise—and how his actions are dividing the Church like never before □ The lost warnings of Fatima, the chilling accuracy of Saint Malachy's prophecy, and the mysterious “Black Pope” operating behind the scenes □ The Synod of Synodality, spiritual warfare within the Church, and the Vatican's alignment with globalist powers □ Why thousands of believers are quietly leaving institutional religion—and preparing for something far bigger than Rome □ If you're spiritually restless, suspicious of religious politics, and hungry for truth... this is the book you've been

searching for. Whether you're a former Catholic, a skeptical Christian, or a seeker of hidden knowledge, *The Last Pope?* delivers what no mainstream religious text will: Revelation without censorship. Prophecy without fear. Truth without compromise. Through vivid storytelling, investigative research, and soul-shaking clarity, this book doesn't just explain what's happening—it shows you why it matters to your spiritual future. If you've felt the pull to awaken... this is your moment. □ Buy it now before they bury it again. □ Scroll to the top and click Buy Now to uncover the prophecy, confront the agenda, and take your place among the awakened.

Pope Francis: The Last Pope? Leo Lyon Zagami, Brad Olsen, 2015-03-05 *Pope Francis: The Last Pope?* reveals the possible reasons for the choice of historical abdication of Benedict XVI and traces the process that led to the election of Cardinal Bergoglio: the Pope who many have prophesized will be the last and will bring the Catholic Church to its end. The book details the history of this prophecy, which was hidden away in the Vatican for hundreds of years and predicts that the reign of the last Pope will herald the beginning of great apostasy followed by great tribulation. It also explores the recent scandals in the Catholic Church and addresses questions including What pressures decreed the end of the pontificate of Benedict XVI? What powers have an interest for the Church to end? and What is the relationship between the Vatican and the New World Order? Perfect for anyone interested in prophecies about the end times, *Pope Francis: The Last Pope* reveals the truth about what numerology says about the last Pope and the darkness that may follow him, as well as fascinating investigations into the gay lobby, Freemasonry, and the Jesuit agenda in the Vatican and how it relates to the first Borgia Pope, the legend of the White Pope and the Black Pope, and how Benedict's resignation may fulfill an ancient prophecy.

The Last Pope Ph. D. Bob Thiel, 2013-03-01 Many believe that Pope Benedict XVI was number 111 of the 112 popes prophesied by the Catholic saint and Bishop Malachy. Some have said that there would only be 112, and since Pope Francis I is after Pope Benedict XVI, this could make him 112-Peter the Roman-the last pope-the pope who Bishop Malachy said would oversee the destruction of Rome--and this is consistent with biblical prophecy. Catholic prophecies also tell of an antipope who will betray that faith. Could this really be Pope Francis I? Is Pope Francis I possibly the Antichrist? What will happen in the future if he or a successor is?

The Last Pope Robert Howells, 2016-09-23 Robert Howells is a highly regarded writer and researcher who has investigated esoteric and historic mysteries for the past 20 years â [This book examines the possibility that the prophecies were a 16th-century forgery created for propaganda in a papal election â [Analyses the accuracy of the prophecies and investigates the history of prophecy within the Catholic Church â [A timely release, as the prophecies in the book predict that the current Pope will oversee the fall of the Vatican â [A must-buy for the large number of people who are fascinated by unresolved mysteries in the history of Christianity.

The Last Days Alan R. Peters, 2014-07-08 Newly appointed Pope, Francis I, is not only supposed to be the last one,

according to the 12th century Irish prophet Malachy, but it is claimed that he will also be “The Anti-Christ”! So how can he be the “Last Pope” and how could such a devout Christian be labelled “The Antichrist”? Other entities predicted to appear in The End Times are The False Prophet and “The Beast”, which will allegedly force everyone to worship him and his image and have his name written on their foreheads, or be killed! It is no wonder that people, including Christians for whom the Bible is written, dismiss the Book of Revelation as pure nonsense! It looks a grim future indeed if these prophecies are to be fulfilled but it may come as a tremendous surprise to learn that the “Beast 666” and the “Image of The Beast”, are in fact two separate entities both of which have fulfilled their prophecies and passed into obscurity years ago. This book attempts to put together a complete picture of the predicted Last Days and understand what is likely to happen, using information contained in The Bible, but interpreted with 21st century knowledge and understanding.

The Prophecy of the Last Pope - Is This Finally the End? Milton Boothe, 2013-02-24 The often predicted Rapture, a protestant interpretation of the Second Coming of Christ, was supposed to happen on March 21, 2011, according to some of a popular persuasion - but it didn't. The world was supposed to end December 21, 2012, as per the Mayan calendar - but it didn't. So what should we expect now with Pope Francis' election? According to Saint Malachy's prophecy, this pope is supposed to be the last one in this almost 2000 year old line of illustrious pontiffs! Saint Malachy's Prophecy of the Popes began with Celestine II who was the 165th Pope. This publication, however, shall look at the papacy from St. Peter, at the very beginning, right up to the alleged last pope, Peter the Roman. In the first segment, that is, from St. Peter (the first pope) through to Innocent II, the 164th Pope, we will look at each pope from an historical perspective only. The popes reigned between A.D. 33 and A.D. 1143. Most of the early popes of this era were considered martyrs, having faced the brutal persecution of the Romans. However, as we shall see, from the perspective of proper Christian conduct, the character of many of the popes at the latter end of this era left very much to be desired. The papacy of this era was plagued with instability and corruption, and was characterized by periods of very short reigns, with some popes reigning for just mere days. This is the period when the popes delved deeply into dirty politics, got involved in wars and infighting, corruption, depravity, violence, murder, greed and lust for power. Popes were involved in adultery, homosexuality, and fathering illegitimate children. In the second segment, we shall take a detailed look at the prophecies of Saint Malachy as they relate to each of the 112 popes he saw in his vision. Contained therein, is a complete list of the 112 popes, ranging from Celestine II, who was the 165th pope in A.D. 1143, to Peter the Roman, who is alleged to be the final pope at the end of the world. For each pope, the publication documents the following: the pope's number, the period he reigned, the prophetic motto Malachy used to describe him and the explanation of the motto as it was played out in history. You will find the uncanny accuracy of these prophecies to be utterly amazing! On the night of March 13, 2013, Cardinal Jorge Mario Bergoglio from Argentina was elected as the Catholic Church's new pope, taking the name Francis. Thousands of Catholics gathered under umbrellas

outside St. Peter's Basilica, and eagerly listened to the church's 266th pontiff, who addressed the faithful from the balcony. On the surface, Pope Francis, a man of apparent humility, seems to be a very unlikely candidate for the prophecy, but we will all have to watch and see what unfolds as this new Pope gets settled in the seat of power. Folks, we are seemingly headed for some very interesting but disturbing times. Will this supposedly man of such great humility be the false prophet who will be working alongside the antichrist in the final days of human history?

Confessions of an Illuminati, Volume I Leo Lyon Zagami, 2015-11-11 In English for the first time, a guide to the true secret structure of the Illuminati and their invisible network made of various power structures, author Leo Lyon Zagami uses their internal documents and reveals confidential and top-secret events. His book contends that the presence of numerous Illuminati brotherhoods and secret societies—just as those inside the most prestigious U.S. universities such as Yale or Harvard—have always been guides to the occult. From the Ordo Templi Orientis (OTO)'s infiltration of Freemasonry to the real Priory of Sion, this book exposes not only the hidden structure of the New World Order and the occult practices but also their connections to the intelligence community and the infamous Ur-Lodges.

The Gallup Poll Frank Newport, 2016-12-16 This work is the only complete compilation of polls taken by the Gallup Organization, the world's most reliable and widely quoted research firm, in calendar year 2015. It is an invaluable tool for ascertaining the pulse of American public opinion as it evolves over the course of a given year, and—over time—documents changing public perceptions of crucial political, economic, and societal issues. It is a necessity for any social science research.

Those Days Elizabeth Alberts, 2020-04-14 Those Days was chosen for my book title because it describes in vivid detail what happens during the days of those left here on earth when the Church has been taken to heaven. It will be 2,520 days of God's increasing wrath poured out on man such as has not been since the beginning of creation . . . and unless the Lord had shortened those days, no flesh would be saved (Mark 13:19-20).

Nostradamus' Lost Pictures Unveiled Patricia Ann Sunday, 2013-06-27 This picture book is a short story synopses and is extracted material from my book titled Nostradamus, Branham and the Little Book: Gods Masterpiece...with a few updated developments. The Prophet Nostradamus has provided us with a pictogram of the Second Coming of Jesus the Christ...Yeshua Ha Mashiach (Yeshua the Messiah) AND tells us WHO the end-time Anti-Christ will be. NOW is the time for the revealing and unveiling of the Prophet Nostradamus' life's work. You will be amazed to find out WHO Nostradamus really was. Nostradamus tells us that those Christians who are in the Catholic Church are being set up for a big slaughter because of their belief in the false and demonic Virgin Mary Apparitions complete with its bleeding statues and other anomalies. Muslims also believe in the Virgin Mary of Fatima apparitions as well as prayer beads drawing these two religions together on two central doctrines...and the name CHRISLAM is quickly becoming a popular coined name for it. This iron and clay religion will not

adhere together comfortably. Nostradamus states that this coming slaughter will be like it was in 1792. This means it will be worse than the French Revolution Reign of Terror. In the coming Reign of Terror guillotines will behead millions. Guillotines have already been shipped into the United States in preparation for civil unrest at the dissolution of the dollar bill and move into the New (NAZI) World Order. The Bible cautions us to beware of end-time manifestations in the AIR. That not only includes apparitions (Ghosts/Shape-Shifters) of all sorts but the UFO phenomenon as well. The Bible instructs us that it is SATAN and his demonic hordes that are the POWERS and PRINCIPALITIES in the AIR. The Bible states that even the very ELECT will be deceived if it is possible. IT IS POSSIBLE! (Matthew 24:24; Mark 13:22.) The Prophet Nostradamus has left us the Little Book of Revelation Ten that Daniel the Prophet and John the Apostle and Revelator (of the Book of Revelation) could not write because it had to be sealed up until the end-time....NOW. (Daniel 12:4; Revelation 10.) Nostradamus helps us unravel this end-time puzzle and he uses pictures to do it. After all...Isn't a picture worth a thousand words?

Revelations Xavier Reyes-Ayral, 2022-05-31 From 1846 to the present day, the Vatican has maintained quite the same message brought forth from Heaven by different messengers across time and across vast distances and continents. This message echoes the gravest of admonitions and calls mankind to convert and find refuge through the knowledge of the truth, which today threatens the very basis of world peace... Today, in 2022, the message of La Salette, La Fraudais, Tilly, Fatima, Garabandal, Akita and Medjugorje, and their secrets take a meaning of the greatest importance, as the admonitions brought forth by the Blessed Virgin Mary warn of a cataclysmic global disaster which has now become imminent. The Church's apprehension of frightening the masses, inspired inaction and Rome's decision to silence - founded more on fear than on caution - led millions of faithful to the darkness of ignorance and, therefore, to a lack of necessary conversion, prayers and intercession for peace. This book proposes unveiling the light and, thus, asking humanity to respond to the call of a warm and loving mother who merely seeks the salvation of her children.

Final Warning Gabriel Michaels, 2022-04-06 In his second book about the coming horrendous WWII nuclear fire war, *Final Warning: WWII Part Two*, Gabriel Michaels deals with several end-time subjects. Among these are the rise of the Antichrist and the false prophet; the extensive preparations for WWII that are being done by the United States, NATO, Russia, and Russia's prophetic allies; and the end-time signs in the heavens. He also examines the question that everyone wants to know concerning the timing of Jesus's return—when? I think you will be surprised by what God has shown him about this and how close we actually may be to WWII and Jesus's return at the Rapture. In easy-to-understand language, Gabriel Michaels shows that time is running out for man's rule of earth. He shows how and why Jesus truly is coming to earth soon to set up his kingdom of one thousand years. If you have already read *WWII Part One*, then, once you read this book, many of your questions concerning the end-times may well be answered. For the sake of you, your family, and your friends, you should know these things. We are quickly moving to a great climax in world history. This could quite literally be the final

warning that many will hear. The sunset of man's rule over Earth, his final generation to rule Earth, began May 14, 1948, when Israel became a nation. The sunrise of the rule of Earth by Jesus Christ, King of kings, is upon us and very few understand that. The prophet Daniel was told in Daniel 12:9 (NIV), "Go your way, Daniel, for the words are closed up and sealed until the time of the end." The words of end-time prophecy are being unsealed in this book in a way you have probably never heard before. You can be one of those in the end-times, who would be among the wise, as the prophet was told in Daniel 12:10 (NIV), "None of the wicked will understand, but those who are wise will understand." Author Gabriel Michaels has studied for over fifty years to bring this word of warning to you, to help you understand the lateness of the hour in which you live. This is a warning done out of love. Please listen, before it's too late! King Jesus is coming. Get ready for the return of the King!

Pensées Catholiques Edward L. Helmrigh, 2022-01-29 In 1961 at Garabandal, at the height of power of the Soviet Union, Mary told Conchita and the other three girls that "When Communism comes back, these things [marking the end of time] would begin." The girls asked: "Come back? Where is it going?" Now we've seen Communism go, overcome by Pope St. John Paul II and other leaders, and now we're seeing it come back. At Fatima, Mary said that if the Holy Father in union with the bishops of the world consecrated the world to her Immaculate Heart, "An era of peace would be granted to mankind." Pope St. John Paul II made this consecration in 1984. But how long is an era of peace? In the Psalms a man's life is 70 or 80 years, an average of 75. The Soviet Union lasted for 75 years (1917-1991). Perhaps the Chinese CCP will last for 75 years, having begun in 1949. If the era of peace is 75 years long, and if it began with the end of World War II in 1945, the era of peace ended in 2020. Mary also said that "in the end [her] Immaculate Heart would triumph."

The Prophecy of the Popes St. Malachy, 2015-08-11 St. Malachy was a 12th century prophet who provided prophetic mottoes for each pope from Celestine II in the 12th century until the final pope, Petrus Romanus, or Peter the Roman, who, according to the prophecy, would sit on the seat of St. Peter during the day of Judgment. St. Malachy provided mottoes for 112 popes, which, some believe, match up with every pope up until Pope Benedict XVI and even Pope Francis, who would, according to the prophecy, currently be sitting on the throne of St. Peter as the final pope or as Peter the Roman in the Day of Judgment. This edition contains the prophecies in English and in the original Latin and, for all of the popes before 1590, a biographical note. A brief explanation of each motto and an illustration of the coat of arms are included for all of the popes, except for those who are left undiscovered.
