The Yellow Emperor's Inner Transmission of Acupuncture Yang Zhenhai,2020-03-03 An indefatigable discoverer and preserver of lost traditions in the field of classical Chinese medicine, Liu Lihong has done it again—The Yellow Emperor's Inner Transmission of Acupuncture features a passionate and clinically relevant synthesis of his discipleship with Yang Zhenhai, one of the last remaining master practitioners of Daoist acupuncture in mainland China. At the forefront of an international discourse on the definition and clinical significance of classical Chinese medicine, Yang and Liu promote yet another holistic medical system that radically contrasts the current penchant for symptom-oriented procedures. This English edition of their book lifts an important esoteric acupuncture lineage out of obscurity and presents it to us in complete and accessible form. The holistic approach has also defined Liu's relentless search for the heart of Chinese medicine during the

last three decades, driving his commitment to become the promoter of a diverse spectrum of healing traditions that exemplify the classical standards of Chinese medicine.
